During the year several alterations were made to the playing conditions. These included:-

(1) Upgrading of umpiring at First XI level by appointing qualified umpires. This met with only limited success despite advertisements in the local press.

(2) Giving 2nd XI and U/15B teams the option of playing more two day games.

(3) The placing of bowling limits (8 overs) in one day matches at under age level and the extending of play by half an hour.

The general standard of play and conditions was very good with only a few complaints of sides not being correctly attired or supervised.

Rostrevor College represented the Association in the Knock-Out Final at Adelaide Oval No. 2 and defeated Mt. Gambier High School 8/145 to 144. They went on to represent South Australia in Canberra and finished a very creditable second to Wesley College, Perth. Congratulations!

Results: Round 1 - Rostrevor 5/184 def. Toowoomba Grammar (Qld.) 183.

Round 2 - Rostrevor 7/125 def. Casurina Secondary School (N.T.) 124.

Round 3 - (Final) - Wesley College (W.A.) 2/138 def. Rostrevor 136.

The annual match against the Combined Secondary Schools was held at St. Peter's College on Wednesday 30th March. In a very tight, low scoring game we won by 13 runs, 143 to 130, and retained the Cup. Mr. Richard Drewer from Westminster and Mr. Des Vaughton from Pulteney Grammar coached and managed the side respectively, showing considerable skill. St. Peter's College were excellent hosts.

In December we hosted the Victorian Schools Cricket Association in our annual match. The contest was held over three days, December 13, 14, 15, at Pembroke School. Mr. Des Vaughton and Bro. John Laidlaw, from Christian Brothers, were in charge. Mr. Lex Hambour of Pembroke was a great help in organising the venue and catering. The parents of players were invaluable as billeters for our guests.

The ISSA team was eventually beaten outright after leading on the first innings, declaring in the second and setting a challenging target for the Victorians. They achieved the runs with a few minutes to spare in a most exciting encounter.

Scores: Vic. 224 and 7/329
def. S.A. 331 and 1/219

Matthew Kelly (SIC) top scored with 70 in the first innings while Greg Blewett (PAC) was 100 not out in the second. Our batting was very strong but we fell down in the bowling department with several key players injured or unavailable because of employment.

Students who represented the Association in these combined matches were:-

D. Webber, M. James, J. Brooks, B. David, D. Mansom, J. May (PGS)
D. Kitto, M. Wood, D. Nelson, (WS)

The only real problem with tennis during the year has been in finding enough courts for all of the players wishing to compete from each school. Nearly every school has expressed concern in this area. Some have managed to negotiate with local high schools, councils and tennis clubs and have overcome the problem.

An alternative suggestion put forward is to programme senior tennis on Saturday afternoons (e.g. cricket and football) or junior tennis (prep. and U/13) on Friday afternoons.

The annual match against the Combined Seconday Schools was held at Memorial Drive on the evening of April 1st. Mr. Wayne Potter (SPSC) was coach with Mr. Roger Davey (AHS) as manger. Their preparation of the team had been excellent and the results showed a 10 sets to 2 win. Players who represented the Association were:

D. Smith, C. Smith, B. Lomman (MHS)
J. Harris, D. Jirasek (AHS)
A. Thompson, M. Thompson (PAC)
N. Pelham, M. McMahon (RC)
A. Gromadzki (SHC)

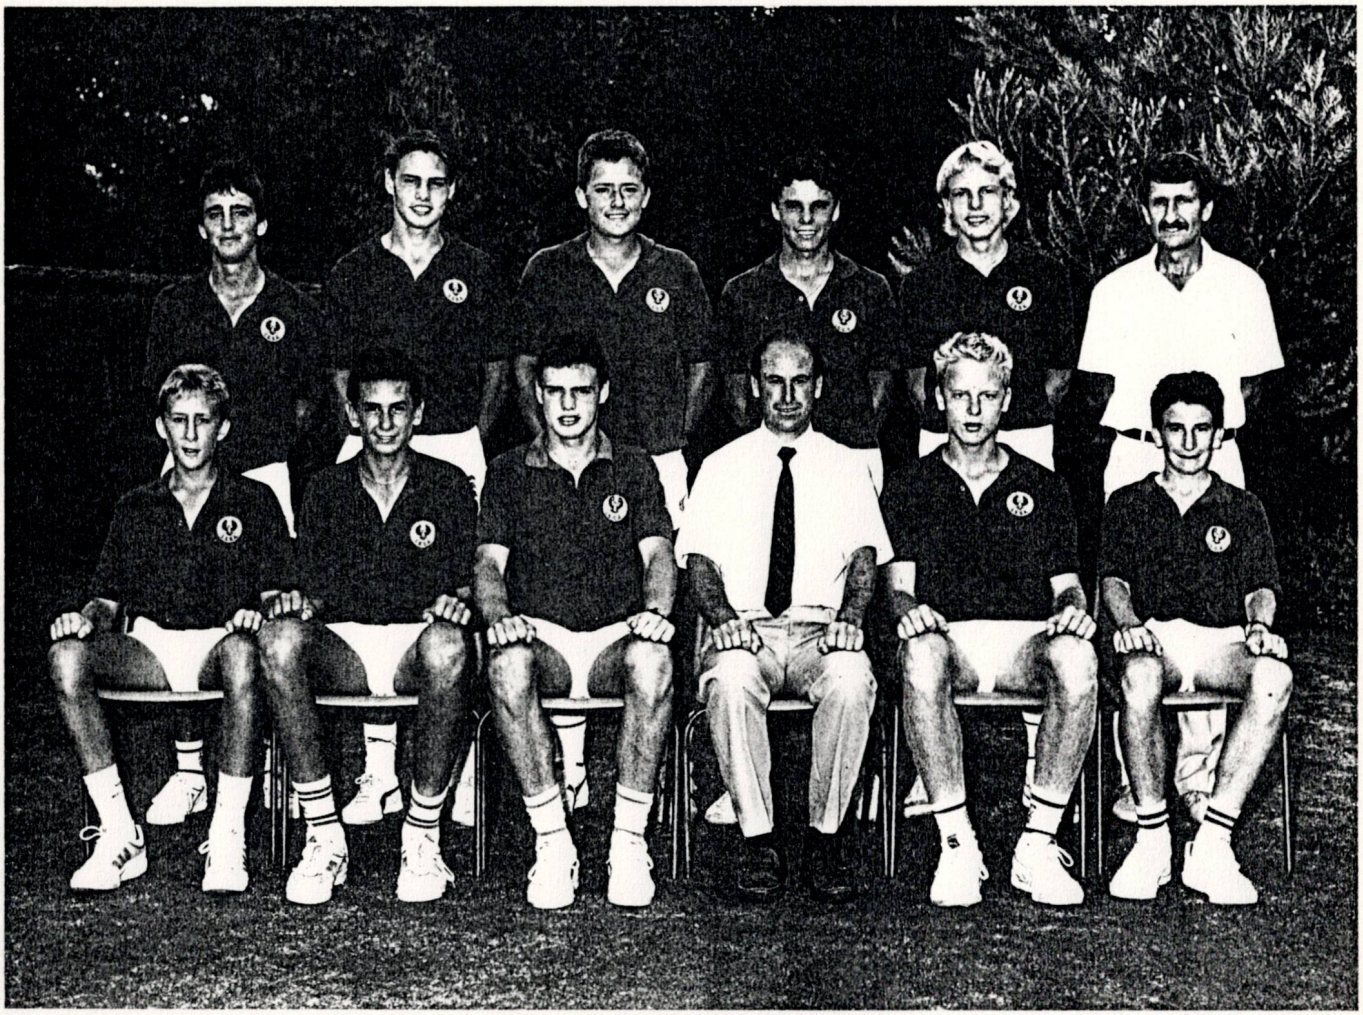

There still seemed to be an undercurrent of discontent that boys from Marryatville and Adelaide should be selected in the ISSA team and not in the Combined Schools team despite both schools being full members of our Association.

Problems in obtaining a regular Saturday morning booking at The Adelaide Aquatic Centre caused the fixtures to be changed to Friday afternoons for Open teams.

Pembroke School was used for U/13 (Friday p.m.) and U/14 and U/15 (Saturday a.m.).

Not having the services of competent referees on a regular basis was the main concern, although coaches always filled in and did a splendid job.

In 1989 Rostrevor pool will be used to overcome some of the congestion caused by increased numbers.

VOLLEYBALL

Number of Teams: Open 12

The sport was first introduced in 1988 with Blackfriars (Open) and Scotch (U/15) providing venues for competition on Friday afternoons during Terms I and IV.

The State Association was helpful in providing coaching and arranging referees.

It is hoped that more schools will enter the competition in 1989.

BADMINTON

Number of Teams: Open 39 Number of Players 160

Number of Schools: 13

The sport has continued to expand and during the year both venues at Christian Brothers and Pembroke have been fully utilized on most Saturday mornings during Terms 1 and IV.

Scotch College will be used as a venue to accommodate the increased numbers anticipated in 1989.

There were very few problems during the season except in the Senior Group 3 section where several schools either withdrew or entered late causing an imbalance in fixtures. It has been agreed that in 1989 Group 3 will not be programmed until after the first two weeks of matches.

The Grade V programme has expanded to such an extent that four venues were used to accommodate the teams.

The annual clash with the Combined Secondary Schools was held under lights at Norwood Oval on Wednesday 10th August. In a very high standard game ISSA was defeated 15-12 to 10-10. Mark Dowd (STMC) was awarded the best player trophy for a lion hearted game in the ruck.

Some Controversy arose when it was discovered that at least one player, Eddie Hocking a league player with Central District had in fact left school and was in full time employment when the match was played. A special meeting was held to discuss the matter with the SASSSA football committee and it seems unlikely that the matter will occur again. Stricter methods of registration of players should ensure that only students participate.

Players who represented ISSA in this match were:

S. Corcoran, G. Reubenicht, S. Hele, S. Kewell, D. McNamara,
G. Levy, M. Patterson, A. Wilkins (SHC).
N. Hoskins, J. Stevens, N. Storen, M. Deconti (RC).

Mr. Andrew Miller (SC) was the coach. He was assited by Messrs. Tim Hart (RC), Peter Thomas (PAC), Paul Deegan (STMC) and Malcolm Jones (ISSA).

MANAGER'S REPORT

The annual clash with the Combined Secondary Schools at Norwood Oval proved to be an absorbing game .The pace and skill of both teams was greatly appreciated by the large crowd who came to see the cream of schoolboy football in action. The Independent School side stayed with their powerful opponents until half time, but a devastating third quarter, when they kicked 4 goals to one,proved to be the difference between the two teams, and they won by 5 goals.

Mark Dowd, given the responsibility of all the ruckwork, played tirelessly against his giant opponents to win the best player award; and thoroughly deserved too. Chris Thredgold at centre half back was rock solid, and was the cause of star player David Niemann being shifted into the ruck. Captain Shannon Corcoran gave a polished exhibition on his wing, Jonathan Stevens created many opportunities as a rover, Grant Levy created many forward thrusts from the centre and Phil Dawkins was ever reliable on the last line of defence.

The loss of creative players Simon Hele and Damian McNamara, and giant ruckman Nick Storen before the game effected the balance of the side, but the Secondary Schools used the ball far better in attack, and this was the difference between the two sides.Central's league star Eddie Hocking, still a student at Paralowie High School, did several brilliant attacking moves. The better side on the night won. Congratulations.

BEST PLAYERS. Mark Dowd, Chris Thredgold, Shannon Corcoran, Jonathan Stevens, Grant Levy, Phil Dawkins.

GOAL SCORERS. Matthew Patterson 3, Warren Gilbert 2, Justin Brooks, Bernard Cummings, Nick Mosey, Jonathan Stevens, Grant Reubenicht.

The msot pleasing feature of the season was our ability to provide badged referees for all of our Open A fixtures. This certainly had a large bearing on the standard of play.

Sadly, several schools withdrew teams after the draw had been done. This, as always, created problems with programming.

The match against the Combined Secondary Schools was held on Wednesday 8th June under lights at the Polonia ground. A late goal to our opponents resulted in a 2-1 defeat to the ISSA team. Most experts thought that a draw would have been a better result as both sides hads been very evenly matched throughout.

Players who represented ISSA were:-

J. Slade, R. Crasso, M. Reynolds, M. Orrica (BPS)
L. McLeay, A. Miller, J. Nichols, (SPSC)
P. Felici, J. Borelli, A. Petroccia (RC)
W. Karapetis, W. Stamatelopoulos (AHS)
J. Tambakos (SAL)
L. Scalzi (SIC)
C. Talladira (CBC)
G. Berengari (TYND)

The coach of the side was Mr. John Roe (SPSC). He was very ably assisted by Mr. Gordon Levett (RC) and Mr. Ray Costar (CBC).

The match against the High Schools was played at Polaria's ground on Wednesday 8th June, 1988. The game was of a very high quality between two well matched sides, and the eventual score was 2-1 to the High Schools. It was, in my opinion, not well refereed, and three very controversial decisions certainly influenced the result. The Indpendent Schools' side played with considerable skill and style and were without exception a credit to their schools and the Association. "Player of the Match" was announced as C. Talladira (C.B.C.).

As coach I was most impressed by the boys who attended the trials, and I should write to acknowledge the great help given by Gordon Levett and Ray Costar who really do make my job relatively simple.

On a less satisfactory note our preparation was much delayed by losing three sessions simply because schools do not inform their boys of the trials. At the first trial there were eight boys - last year we had over forty. This dilatoriness meant that we really played only one pre-match as a properly-prepared team, though Mr. Levett had arranged three against good-quality opposition. Our final selection had never all played together. I gather that the High Schools were much more helpful to their selectors.

In talent and leadership I found C. Talladira (C.B.C.) exceptionally helpful - he is an outstanding young man.

A very important point on the credit side seems to me to be the "mix" of both boys and schools - whatever their background it disappeared completely in the comradeship of the team. It was nice to see eight schools represented.

My thanks again to Gordon and Ray - they are, above all, excellent schoolmasters.

The most significant change made during this season has been the playing of all Open A and some junior matches on artificial surfaces at Port Adelaide, Woodville and Prince Alfred College. Because we have been able to use these central venues, the Association has been most helpful in providing badged umpires for these matches.
The combination of good surfaces and good umpiring has greatly helped to improve the standard of our hockey.

It is envisaged that in 1989 we will continue to use more of these surfaces providing the cost does not become too prohibitive.

We offered the Combined Secondary Schools a match but they declined. 1989 may be a possibility but they feel that they are not up to our standard at this stage.

The format of playing under age fixtures on Friday afternoons and Open fixtures on Friday evenings during terms II and III was continued. There were few problems in the under age area, but in the Open group Friday evenings proved to be inconvenient to many.

As a consequence it is proposed that Open matches will be played on Wednesday afternoons in 1989. Under age will stay at their usual Friday time.

The new format of blocking four teams from each school together in both Group A and Group B proved most satisfactory. It meant that more students could play under better indoor conditions and less staff were needed to supervise teams.

The Group C competition still has its problems with the small school A teams playing against larger schools C teams.

A proposal to divide Group C into two separate divisions will be implemented in 1989 to ensure a more even competition.

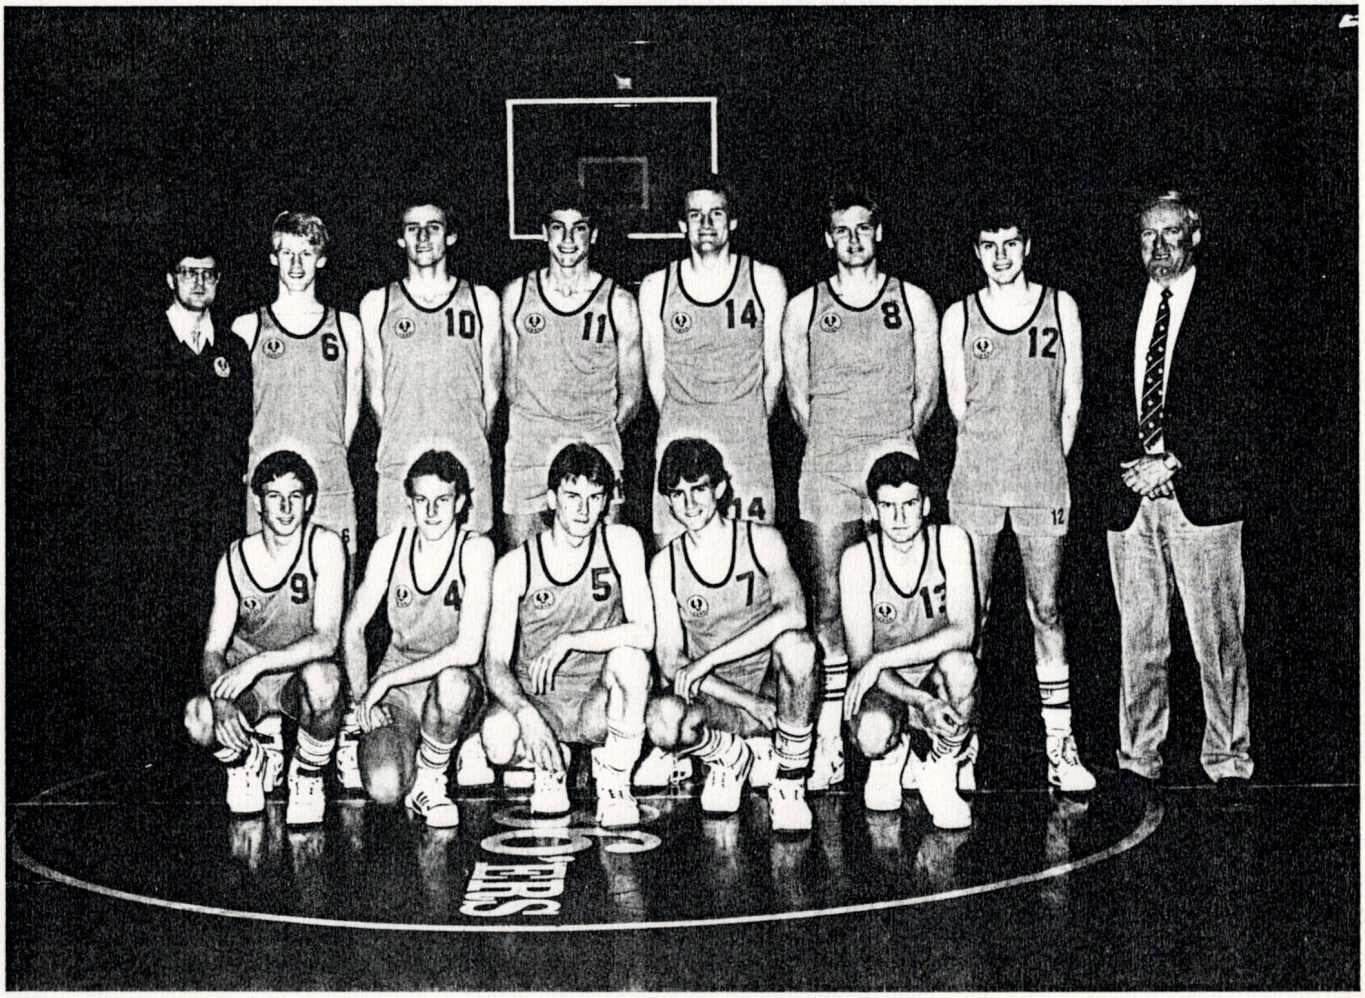

The match against the Combined Secondary Schools was held on Tuesday 8th September at Apollo Stadium. In a most exciting game ISSA won by one point 60 to 59 with a three point goal just before the siren.

There has been general dis-satisfaction over the way athletics has been run since the instigation of the four term year. Three schools of thought have prevailed to:-

(1) move Athletics to the end of term I.

(2) move Athletics to the end of term III.

OR

(3) leave it where it is, overlapping terms III and IV.

During 1988 both the Mini-Meets and the Relays were poorly attended and little was gained from them. The Achilles Cup Day on October 22nd at Olympic Sports Field was however, a real success with excellent participation and fine co-operation from all schools.

After the Achilles Cup the Athletics Master met at St. Peters College on Wednesday 16th October and made several proposals for 1989. These were subsequently passed on to a special meeting of Sportsmasters held at Prince Alfred College on 23rd November.

The final proposals were submitted to the Executive on Thursday, December 1st.

A copy of these minutes relating to Athletics is enclosed.

(1) Achilles Cup. The meeting sympathised with the problems that the Co-Ed schools would have with the girls competing in Term 1 and the boys in Term III. 'the Achilles Cup be held on Thursday 21st September 1989.'
(Mr. Stanley/Mrs. Medlin) PASSED 5 / 4
Particular emphasis was made that this should be a high profile carnival.

(2) Relay Meeting. 'that this meeting be abandoned' (Mr. Smee/Mr. Miles)
PASSED UNANIMOUSLY

(3) Mini-Meets. 'that these be held on the four Saturdays preceeding the Achilles Cup and that all schools were expected to participate in at least two of these meetings.' (Mr. Miles/Mrs. Medlin).
PASSED UNANIMOUSLY

(4) Pennants. 'that pennants be awarded to each age group at the Achilles Cup.' (Mr. Smee/Mr. Stanley)
PASSED UNANIMOUSLY

(5) Promotion and Relegation. After quite some discussion the proposition put by the Sportsmasters was amended to ensure greater clarity. The motion now is
'The top school in Group B has the right to apply for promotion through an exchange with a school in Group A. The bottom school in Group A has the right to apply for relegation through an exchange with a school in Group B. Such applications to be submitted by the last day of Term 1 of the year following the Achilles Cup. The Athletics Masters are to review any applications and make a recommendation to the Sportsmasters for ratification. Such decision by the Sportsmasters will be binding.'
(Mr. Smee/Mrs. Medlin) PASSED UNANIMOUSLY
