EXECUTIVE REPORT

There were three meetings held during 1989.

The following decisions were made:-

1. Gleeson College and Craigmore Christian School were accepted into the Association as Associate Members.

2. Volleyball to continue as a Friday afternoon sport in terms I and IV. Investigation to be made to extemd the programme to terms II and III in 1990.

3. A request to programme Primary Cricket and Tennis on Friday afternoons was rejected.

4. All team games except Athletics and Swimming to be programmed in year groups (from year X down) in 1990.

5. Approval from ISSA to play a combined primary Football match against a representative SAPSASA side was granted.

6. The purchase of a FAX machine for the Association.

7. Trinity College are to be invited to join Group B for the Achilles Cup in 1990, which will be held on Thursday, September 20th.

8. Pembroke School were given approval to run an invitation Sail Boarding Weekend early in the summer holidays.

9. Approval was given for schools to nominate primary Hockey teams in 1990.

10. The Executive Officer was offered, and accepted, a further two year contract for 1990 and 1991.

MANAGEMENT REPORT

The management committee met on four occasions during the year. The following is a precis of the decisions taken.

1. Mr. Peter Taylor elected unapposed as Chairman.

2. Combined coaches appointed.
   Cricket - Mr. R. Drewer (WS)
   Tennis - Mr. R. Nak (SIC)
   Football - Mr. T. Hart (RC)
   Soccer - Mr. M. Degehart (SIC)
   Basketball - Mr. V. Jaksa (MERC)

3. Grade V Cricket to be introduced in term I, 1990.

4. All sport, excluding Athletics and Swimming, to be conducted in year groups (from Year X down) from 1990.

5. Results of First teams' matches to be faxed to Executive Officer on Mondays, compiled and faxed back to schools on Tuesdays.

6. A combined Cricket team to be sent to Melbourne in December to play the VSCA.

7. A sub-committee to be formed to look at Primary sport being played on a Friday afternoon.

8. A survey to be conducted on the Achilles Cup and reviewed in term I, 1990.

9. Primary Hockey to be included on 1990 nominations.

10. B Soccer games to precede A soccer games in 1990.

11. The two A games in Basketball to be played in the middle time slots in 1990.

12. A Sailboarding weekend to be conducted by Pembroke School early in the Christmas holidays.

13. Schools to adopt the new no ball rule as laid down by the SACA for the 1989-90 season.

During the season there were two significant decisions made :-

(1) To introduce a Grade V competition in 1990.

(2) To play under the SACA new no ball rule for the 1989-90 season.

In the Coca Cola Knockout Cricket St. Peter's College won the right to represent the Association. They were successful in defeating Unley in the semi final but were beaten by Craigmore in the final. Craigmore went on to win the Australian championship in Melbourne, beating the powerful Perth school Wesley in a most exciting match. Scores were tied but the South Australian school had lost less wickets and was declared the winner.

Our annual match with SASSSA was again played at the beautiful St. Peter's College ground. This year we were not successful. A report of that match and the ISSA trip to Melbourne to play the VSCA follows.

VSCA TOUR

The annual match against the Victorian schools was held at Melbourne Grammar School from December 12th to 14th. The team chosen to represent ISSA was:-

David Nelson (WS)	Captain
Ben Smith (SPSC)	Vice Captain
Richard Kelly (SIC)	
Ben James (PAC)	
Tim White (RC)	
Nick Dinan (RC)	
Darren Hall (WS)	
Todd Ferguson (PAC)	
Mark Fuller (MHS)	
Ben Johnson (PAC)	
Jeremy Gask (PGS)	
Matthew Kelly (RC)	

Mr. John Caulfield was the coach of the team with Mr. Malcolm Jones as manager.

The side was strong in batting but lacked a good spin bowler, none being available.

After several delays at the Airport because of the pilots' dispute we eventually arrived in Melbourne at lunchtime on the 12th December and play got underway at 2 p.m.

The Victorians won the toss and batted. At stumps they were 6/240 and continued on next morning to be all out for 316. Three batsmen stood out for the Victorians, Andrew Bishop (54), Phillip Hetherington (54) and John Rees (76) while Matthew Kelly with 3 run outs, a catch and a wicket was the best of the South Australians. Ben Smith and Jeremy Gask toiled hard for two wickets each.

The task of passing 316 was not beyond the S.A. batting. A good start by Darren Hall and Ben Johnson followed by another strong partnership by Hall and Richard Kelly saw the score reach 3/220 just before the tea interval.

However a collapse followed the departure of Kelly (61) and Hall for a chanceless 110, his maiden century. The tail did not wag in failing light and we were dismissed for 276. The heavens opened and Melbourne was hit by a 70mm deluge. No further play was possible that night and the match was abandoned on the following day. Christmas shopping was possible, but little else.

D.H. Parkinson Pty. Ltd. kindly donated a pair of batting gloves for the best ISSA player and Darren Hall was the worthy recipient.

The plane trip home was again punctured by a lengthy delay at Tullamarine Airport.

Result SASSSA won by 24 runs.

The bowling and fielding was of the highest order as we kept the SASSSA's powerful line up to a very moderate 9/144 after their 55 overs.
However our top order batsmen were not positive enough in their approach to some tight but not hostile bowling from the SASSSA side. As a consequence our middle and late order were forced to play extravagant shots to make up the leeway. We capitulated to lose by 24 runs in a very disappointing batting display.
The value of good slow bowling in these games should not be overlooked in the future nor should the need to be more attacking in our batting.

The number of students wishing to play tennis continues to increase, and only the lack of facilities stops many schools from not entering more teams.

All available courts around Adelaide would appear to be fully utilized on Saturday mornings.

Several of the Prep. Schools are embarking on a Friday afternoon programme to enable their younger players the opportunity of competing at inter-school level.

The annual match at Memorial Drive against the Combined Secondary Schools was again a resounding success. We proved too powerful and won 11 sets to 1. Mr. Rob Nak from St. Ignatius College and Mr. Roger Davey from Adelaide High School did a marvellous job in coaching and managing the team.

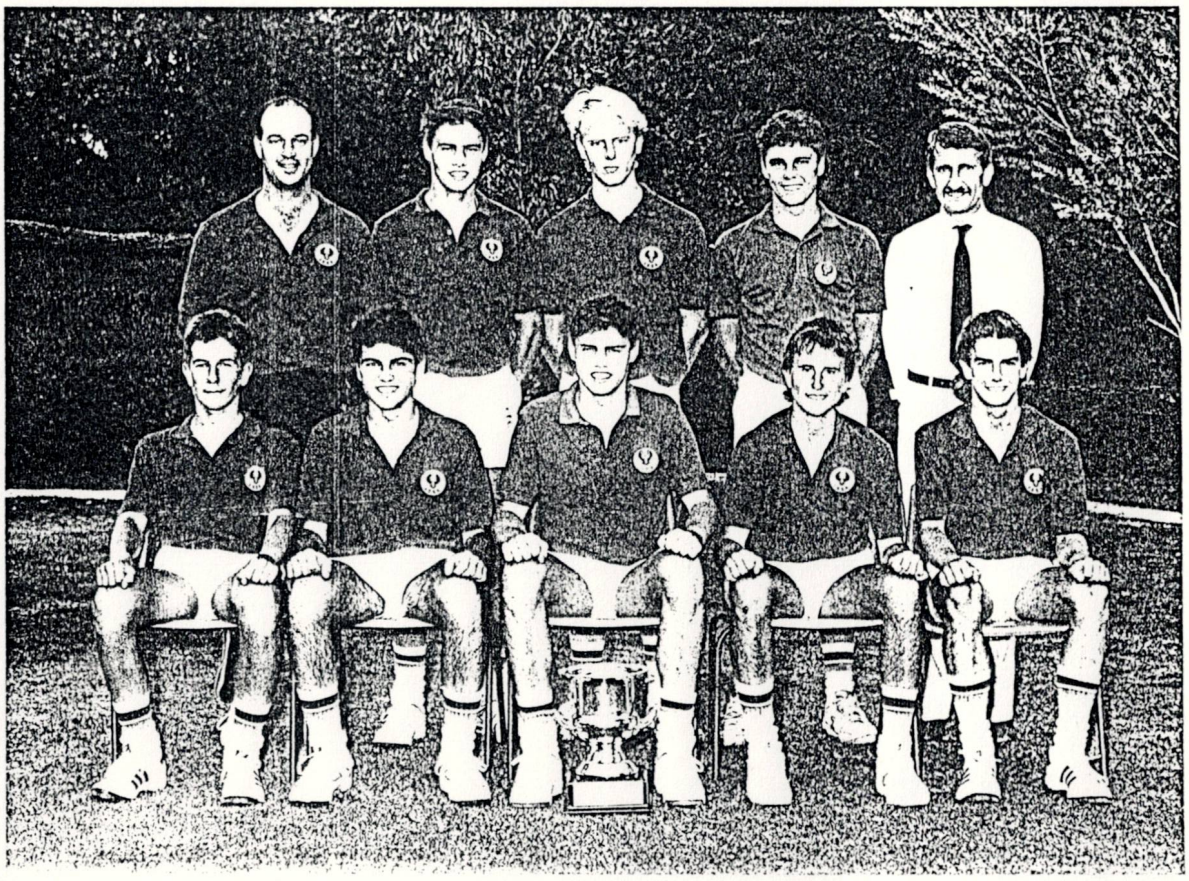

A report of the match follows.

Several changes were implemented during the season to help improve the Water Polo competition.

These included:-

(1) Using the Adelaide Aquatic Centre for Open A matches only.

(2) The hiring of Unley Pool as a larger venue for Open B and Under fifteen matches. This pool, although large enough was too shallow for proper competition.

(3) The introduction of a Round Robin Tournament. This proved to be very popular and most successful.

(4) The joining of the Under 14 and Under 13 competitions at one venue (Pembroke).

It seems that for Water Polo to survive and compete against the major sports, Under 14 and 13 matches should be programmed for Friday afternoons.

There were very few problems during the season with a good standard of competition.

The re-emergence of SPSC as a force at First XVIII level was most evident with them being unbeaten. CBC were the great improvers and lowered the colours of several of the top schools.

In the Pizza Hut Rostrevor again won the Pool A defeating old rivals Blackwood, whilst Pulteney Grammar were successful over Immanuel in the Pool B final. Congratulations to all teams.

The highlight of the season was the annual clash with the Combined Secondary Schools. Despite the odds we were victorious in a memorable match. A report follows.

INDEPENDENT SCHOOLS DEFY THE ODDS FOR GREAT WIN IN COMBINED MATCH

In an absolutely enthraling match the Combined Independent Schools overcame a sluggish start to out run the powerful Combined Secondary Schools and win by twenty points in a very high standard game at Norwood last Wednesday night.

Tragedy struck early when PAC's captain Rob Heaslip and star wingman Heath Brasher were both sidelined with serious injuries in the first five minutes. The side never settled down during the quarter and faced a 26 point defecit at the first change. The big man power and run of the Secondary Schools was looking very ominous.

At quarter time coach Hart asked his side to compete strongly in the air, bring the ball to ground and run it quickly into the forward line. The opponents kicked another goal, and then,suddenly,it all happened.

Ben Judd, a slight,blonde lad from St. Peters,took the game by the scruff of the neck with some blinding football skills.Others looked deep inside themselves and knew that they had the ability to perform at this level. The team exploded and in ten minutes kicked five goals to be back within three points at half time. The rucks were on top, Connor McNamara, of the quick hands and lightning speed was dominating the centre, Greg Mellor and Mike O'Leary,those two gifted left footers,were running rampant through half forward and the whole defence had tightened. Meanwhile the ubiquitious Judd continued to stamp his class on the game.

The third quarter proved to be a rugged affair with neither side giving or taking an inch. At the final break two points separated the sides. Half backs David Murphy and Ben Pascoe had become meaner and tougher,if that were possible, vice-captain Richard Kelly was giving the rovers a hard time in the pocket with his direct full body approach and Will James controlled the air on the last line. Matt James was causing havoc on his wing with penetrating runs and two valuable goals, captain Simon Kewell was a focal point at centre half forward using his strong body and to telling effect, and the strength of David Mansfield was becoming more and more evident at full forward. Tall key defenders Simon Dixon and Lachlan Bowman had effectively blocked the direct route to goal.

And so to a classic last quarter. Who would break ? Who would give it away? Who had the desire to really want to win? The answers were about to unfold.

The Secondary schools kicked two quick goals to run to a thirteen point lead. And then the colossus arose in the form of giant CBC ruckman Jaime Fernandez. He jumped all over his feted opponents, intimidated them, broke their concentration on the ball and sent his side continuously forward.His back up, big Darryl Poole, was equally effective as he threw himself fearlessly into the fray. The rovers, Gunn, Holman,Barker and Atkins,coming off the interchange, all had telling touches. Little Sam "Spud" Atkins clearly outroved his more illustrious counterparts and kicked three goals as well. Elusive forward, Tom Clifford snapped a vital goal and suddenly the " College Kids" were 20 points up as time ran out.

It was a great team effort. " All played well." They showed skill, speed, toughness, both mental and physical, and a greater will to win. The appreciative crowd gave both sides a warm reception.

The win was most gratifying because of adverse publicity the Independent Schools' system had received earlier in the year by a tiny section of league football gurus. They felt that our competition was not a proper training ground for our future league stars and that talented players should be playing for league clubs rather than wasting their time playing "silly college football". This myth was put to rest quite emphatically by the performance on Wednesday night. The smaller you are the easier it is to bury your head in the sand.

The Editor of the "News",Mr. Ric Acott,kindly presented a new shield for competetion. The SANFL gave their annual cup and football great, Peter Carey, presented a medal named in his honour. The winner, deservedly, was Ben Judd.

This showcase of school football has been played since 1976 at many venues. It is great to play at Norwood and Unley but surely this quality match deserves to be played at Football Park, under lights,with television coverage and sponsorship. Football in South Australia is not going so well that we can afford to ignore the part that this match plays in the future of our great game.

The umpires had their annual dinner on the night of the match, but we were grateful that seven brave souls forsook the comfort pleasures of this function to officiate. Thankyou for your efforts.

FOOTNOTE. The ISSA schools were all asked to nominate players of high quality to train for this match. On the form they were asked to state the "highest level" that players had reached during their short careers.
Most put down a league under 17 or 19 team. Some put down "Teal Cup". One very strong football school, surprisingly, put down "School First XVIII" for all of its nominations. On reflection, it was probably right.

The competition ran very smoothly with very few problems.

The use of qualified referees at Open A level has helped markedly.

Rostrevor College was the outstanding school, going through the season unbeaten and representing ISSA in the Knockout Competition. The team showed great skill and stamina to win this competition as well.

The annual clash with the Combined Secondary Schools was an exciting contest. A report follows.

ANNUAL COMBINED SOCCER MATCH

INDEPENDENT SCHOOLS versus COMBINED SECONDARY SCHOOLS

The eleventh of these annual contests was held on Wednesday evening 21st.June at the Polonia Soccer Ground.

The Independent Schools were coached by Mr. Mike Degenhart and the Combined Secondary Schools by Mr. Trevor Warren. Mr. Tom McRoe, a National Soccer League referee, was in charge of the game.

In the first half the Secondary Schools always looked dangerous and had several opportunities to score but failed to capitalize. The teams went in at half time nil all.

As the second half unfolded the Independent Schools began to exert more authority on the game. A long pass gave Romeo Tatarelli some room and he beat the goal keeper with a strong drive. Try as they might , the Secondary Schools could not score the equalizer with goal keeper David Esposito making several very fine saves. The Independent Schools ran out winners 1-0 in a most entertaining and high quality match. The quality of the refereeing added to game.

At the conclusion of the match Mr. Eric Freeman from the State Bank presented the cup to the winning captain, Enzo Centofanti of Rostrevor College. Best player awards were also presented to Romeo Tatarelli and James Stockdale.

Special thanks were given to the Polonia Club for providing a ground in such good condition and to the referee and linesmen who did such a good job.

Basketball continues to prosper with an extra eight teams entering for the 1989 season.

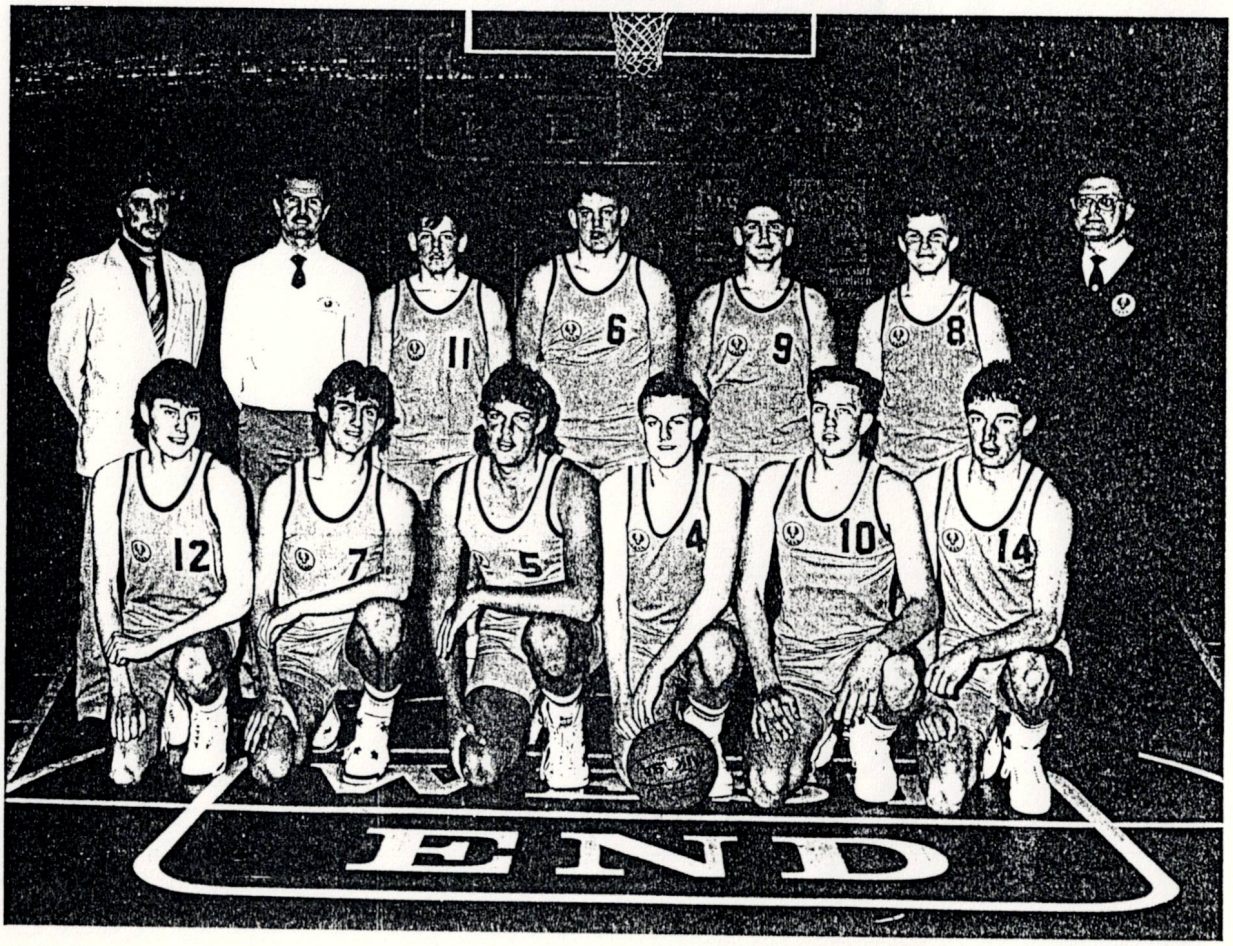

A proposal to block the two A matches together will be implemented in 1990. This will help schools to provide the best umpires.

The annual match against the Combined Secondary Schools was a disappointing result after all the hard work put in by the coach and selectors. Three players, who had represented ISSA in 1988, made themselves unavailable for the match and we were sadly undermanned.

The boys who represented the Association were all admirable in their endeavours but we were clearly outgunned.

A match report follows.

ANTHONY SCHINELLA	(BPS)	

COACH. MR. VIANO JAKSA (MERC)

MANAGER. MR. JOHN SANTINI (CBC)

SELECTOR. MR. ASHLEY WOODCOCK (PGS)

After an even first half ISSA trailed 51 to 43. However we were no match for the Combined Secondary Team in the second half and were beaten convincingly 113 to 78. We were kept under constant pressure by a full court press and could not get in consistently close to the basket to score with any regularity. Our opponents were just too good.

Leading scorers were:

Hall	20
McLeod	14
Hyrnkiw	13
Williamson	10

Special mention should be made of the fine effort made by the coach, manager and selector in their training and preparation of the squad. No stone was left unturned to select the best available players from our association. The young men, who trained so hard, deserve praise, too, for their endeavours.

The new format proposed in 1988 was implemented during the season. This included:-

(1) The Achilles Cup meeting being held on the last Thursday of Term III (September 21st). It was generally agreed that this carnival was the best that had been held since the combining of the two groups. Most events were filled and there was good support from spectators.

(2) The Mini Meets had been a success and should continue for at least another year.

(3) Pennants for each age group. This received total approval.

Proposals for 1990 include:-

(1) Admission of Trinity College into Group B.

(2) A review in Term I 1990 of the programme. A sub-committee will meet to discuss suggestions.

St Peters College continued its dominance of the Group A competition whilst Scotch College won Group B for the third successive year.

The individual age group pennants were shared by six schools.

Results of each age group of the Achilles Cup Meeting follow.

The competition continues to flourish with two new schools entering during this year.

We were able to obtain the use of the new University facility to supplement our venues at Port Adelaide, Woodville and Prince Alfred. This enabled 24 teams to play on synthetic each Saturday.

In 1990 it is hoped to form a primary competition and we are currently negotiating for the use of The Pines at Gepps Cross for some matches.

The format of playing under age fixtures on Friday afternoons and Open fixtures on Friday evenings during terms II and III was continued.

The sport remains popular at the younger age groups but there was a loss of six teams in the Open division.

SERVICE AWARD

During the year Mr. Rob Keil, the Sportsmaster from Immanuel College, became eligible for his ten year service tie.

Rob has been an excellent ambassador for his school, a strong forthright contributor at our meetings, and, at one time, was the programmer of the senior football.

Rob could not receive his award at our annual dinner as he was enjoying some well earnt long service leave in South America.
