EXECUTIVE REPORT

There were four Executive meetings held during 1990.

The following is a precis of the decisions taken.

1. The Annual report for 1989 was accepted and the budget for 1990 approved. The per capita rate was set at $5.70.

2. Br. Stephen Bugg, who had been Chairman for three years, resigned because he would be away for the greater part of 1990. Dr. Tony Shinkfield was elected the new Chairman. In accepting the position Dr. Shinkfield expressed the deep appreciation of all the Executive for the very fine work carried out by Br. Stephen during his term as Chairman.

3. The matter of "Sporting Scholarships " was discussed at great length. All members affirmed that they did not offer such scholarships and that if rumours continued they should all support one another in scotching these rumours.

4. A proposal that the First XVIII draw for 1991 should allow schools of similar size and ability to play each other more than once during the season was accepted. This practice should continue throughout all the age groups to ensure that the smaller schools do not lose heart.

5. The use of Jordan Frames for people with suspected spinal injuries was discussed. It was pointed out that only qualified people should ever use these frames.

9. Approval was given for the Executive Officer to purchase a vehicle for his use with ISSA and that this vehicle be purchased through Scotch College who would draw up a contract between it and ISSA. Each school agreed to make a $500.00 loan to be repaid over a three year period in $200.00 amounts.

10. Athletics. The Executive re-affirmed that the hammer event should not carry any ppints. Approval was given for the purchase of two new cups to cover division two events.

11. Football. The SANFL had asked that High Schools be admitted to our Saturday morning competition as they had experienced some problems. The Executive recommended that each school should make individual application to join our Association.

12. Air Travel. The Executive Officer was negotiating with Australian and Ansett Airlines for some concessions for both school and executive travel.

13. Code of Behavoiur. The Executive again stressed the importance of ensuring that all parents were in possession of the ISSA Code of Behavoiur card.

14. Junior Sports Policy. An Historic meeting was held in October when Heads from both ISSA and IGSSA met at St Peters College to hear the new Sports Policy put by Mr. Michael Nunan and Mrs. Wendy Ey.
Most aspects of the policy were answered to everyone's satisfaction but the areas relating to Co-Ed schools offering sports to both boys and girls was of some concern as was the concept of dropping Primary Interstate exchanges.
All schools should have received a copy of the policy.

MANAGEMENT REPORT

The management committee met on four occasions during the year. The following is a precis of the decisions taken.

1. Mr. Peter Taylor (RC) elected unapposed as Chairman.

2. Combined coaches appointed.

Cricket	-	Mr. J. Caulfield (RC)
		Mr. I. Hume (SPSC) match against VSCA.
Tennis	-	Mr. R. Nak (SIC)
Football	-	Mr. P. Deegan (STMC)
	-	Mr M. Buttfield (CBC) Primary.
Soccer	-	Mr. M. Degenhart (IC)
Basketball	-	Mr. S. Pritchard (PAC)

3. A Primary Hockey competition to be run in conjunction with the Adelaide and Burnside Hockey Clubs and to include primary schools from the State schools. Matches to be played at central venues each Saturday using the Adelaide and Burnside facilities.

4. Change of venues for Water Polo using Pembroke School on Friday afternoons for Years VIII and IX, Magill C.A.E. on Saturday mornings for Open B and Adelaide Aquatic Centre on Friday Afternoons for Open A.

5. A change in dates for our Swimming Final from a Friday to a Wednesday so as not to clash with the IGSSA final.

6. An earlier start for football matches with the first games at 8.45 am and the last at 2.15 pm.

7. The introduction of a Winter Volleyball competition. This did not proceed because of lack of nominations.

8. A modification of the rule allowing students,who were small in physique, to play in their correct age group rather than their year group,if they so desired. i.e. a Year X student who was under 14 on Jan 1st could play in the Year IX competition.

9. The committee expressed concern that rumours relating to Sporting Scholarships were having a damaging effect on the good name of the Association. This concern was forwarded to the Executive.

10. A directive from the Soccer Association that all players must wear shin pads was relayed to all schools.

11. A request that all schools ensure that they have adequate emergency treatment available at their venues in case of accident. A form from Pembroke School was sent to all schools for their perusal.

12. A reply from the VSCA accepting an invitation to play a match at St Peters College between December 11th and 13th.

13. The First XVIII football draw for 1991 to be programmed for Term 2 only and reviewed at the end of that term. Schools will play opponents of similar strength, and after looking at results, a new draw will be made for term 3.

14. A request from the SANFL that we admit 10 teams from High Schools into our Saturday morning under age competition was rejected. Schools wishing to play could make individual application to become an Associate Member.

15. An advertisement placed in the Sunday Mail seeking cricket umpires had met with only very limited success. Schools were urged to find a suitable umpire from within their community to stand in First XI fixtures.

16. A request from Pizza Hut that we play round robin matches within our own Saturday football programme to establish suitable finalists in both Pool A and B was accepted as a possibility for 1991. This would be fairer on all schools and eliminate mid week matches.

17. A suggestion that each school should provide a competent umpire for their First XVIII for 1991 was proposed. To be further investigated.

18. Sponsorship. The Sportsmasters agreed in principle to the concept of sponsorship within our Association. To be reviewed by the Executive.
Foundation S.A. has indicated that we may be able to receive a general sponsorship using their "Quit" campaign.

ANNUAL DINNER

This year the Annual Dinner for sportsmasters and coaches was held at the Bradman Room at the Adelaide Oval. This famous sporting venue was a popular choice and over 120 attended.

The Chairman, Peter Taylor, thanked all of the coaches for their commitment during the season and made special mention of our invited guests. We were delighted to have Chester Bennett, Brian Hagger, Geoff Woollard, Bern Basedow, Lorraine Kennett and Alistair Gordon join us for the night. Many funny stories of the past were recounted as the night wore on.

Sadly, Mr. H.F."Tubby" McFarlane was unable to join us as he was recovering from an illness. Our best wishes were sent to him.

It was generally agreed that we should return to Adelaide Oval in 1991.

The introduction of Average Cricket at the Grade V level proved to be a great success with eight schools participating.

Rostrevor College won the right to represent ISSA in the semi-finals of the Open knock-out competition. Their match at Christies Beach was not a happy occasion, and, sadly, reports had to be submitted over the behaviour of their opponents. This matter was dealt with at SACA level, but the result, a win to Christies Beach, was not altered. Christies Beach went on to win the final.

The Combined Team was fortunate enough to play their annual match on the Adelaide Oval. In a game that see sawed all day we were able to win by six wickets with 20 balls to spare. Fine performances were made by Matthew Kelly, 2/21 and Michael O'Leary 2/43 with the ball while Ben Johnson, 40, Michael Smith 50 and 42 not out to Captain Seb Packer were the best with the bat.

Mr John Caulfield (RC) coached the side most successfully.

FINAL SCORES ISSA 4/209 from 51.4 overs

CSS 6/208 from 55.0 overs.

The Association is very grateful to Mrs. Kennett from Rostrevor College for scoring at the match.

In December we hosted the VSCA for a three day game at St Peters College. Several changes had to made to the side from Term 1 because some players were away with their school teams overseas. Mr Ian Hume (SPSC) assisted by Mr Jim Dolman (PAC) coached the team, which was again led by Seb Packer.

The Victorians won the toss and batted on a perfect pitch and eventually declared after lunch on the second day at 8/508 with a brilliant 200 from Michael Foster being the feature. The ISSA fielding was sorely tested but the bowlers put up a lion hearted effort with Michael O'leary leading the way with five wickets.

ISSA replied with 8/325 declared, Ben Johnson making a brilliant 101 and Simon Munt a fine 66. The hope was that the Victorians might set us a realistic target in a run chase in the second innings. This did not eventuate as they declared at 5/50 from 15 overs leaving ISSA with the task of scoring 243 from 22 overs. The players responded by really giving it a go and we had lost 6/137 when the match concluded. Ben Johnson crashed 41 from 30 balls and others did much the same but the task was too much.

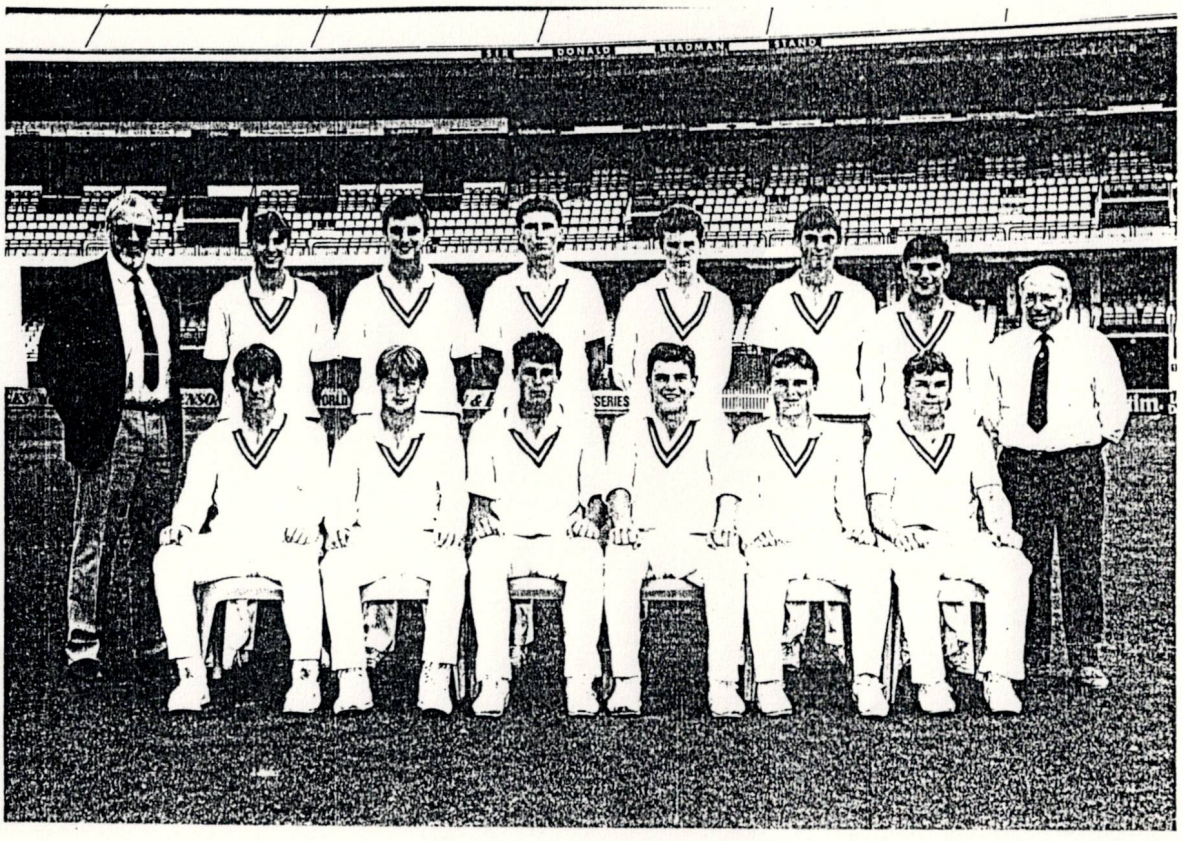

Michael O'Leary was awarded the trophy for most valuable player for ISAA, a pair of batting gloves kindly donated by Sam Parkinson from D.H. Parkinson & Co.Ltd.

The number of students wishing to play tennis continues to increase, and only lack of facilities stops many schools from entering more teams.

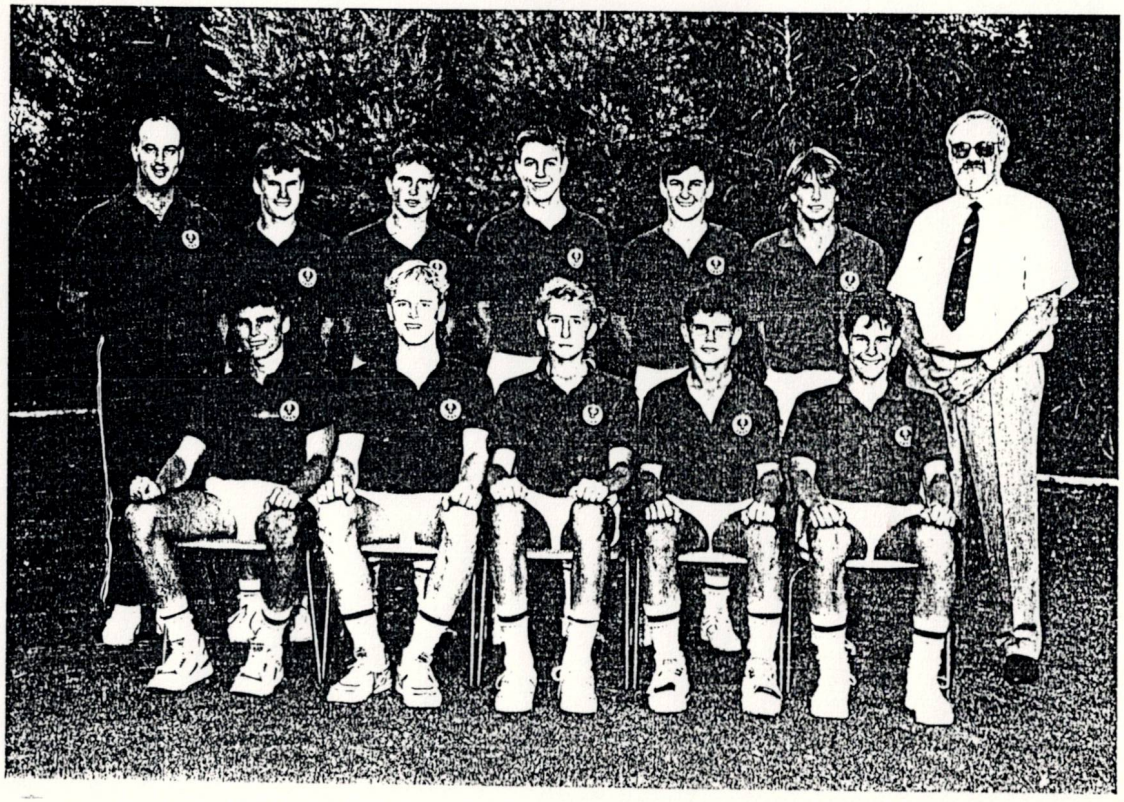

All available courts around Adelaide would appear to be fully utilized on Saturday mornings.

Several of the Prep. Schools embarked on a Friday afternoon competition to enable their younger players the opportunity of competing at inter-school level.

The possibility of playing Open fixtures on Saturday afternoons, as is the case with cricket and football, would make many more courts available for junior play in the morning.

The annual match at Memorial Drive against the Combined Secondary Schools was again a resounding success. We proved too powerful and won 11 sets to 1. Mr. Rob Nak from St. Ignatius College again coached the team and maintained the very high standard of the past.

There were five rounds of competition followed by the final on 16th March at Pembroke School. Schools who hosted carnivals were Rostrevor, St. Peters, Pembroke, Scotch and Prince Alfred.

In the final Prince Alfred College was successful over a much improved St. Michaels in a contest which was very close until the last relays. St Michaels showed great sportsmanship at the presentation by calling for three cheers for the PAC team.

Final Placings:

St. Michaels' efforts were not entirely unrewarded as they were successful in winning the SASSSA A Grade Championship. Congratulations.

Special thanks to Mrs. Verity Grant from SAASA, our chief judge, to Mr Richard Bauman our starter and referee, and finally to Mr. Jim Muir and Pembroke for their organization and hospitality.

In 1991 it is invisaged that all contests, including the final, will be held on Wednesday afternoons to avoid clashes with Water Polo matches and the Combined IGSSA carnival.

Several changes were implemented during the season to help improve the Water Polo competition.

These included:-

(1) Using the Adelaide Aquatic Centre for Open A matches only, and playing on Friday afternoons.

(2) The hiring of the Magill CAE pool for Open B and Year X matches. This pool, used on Saturday mornings, proved to be very satisfactory for this standard of competition.

(3) The programming of Year VIII and IX matches on Friday afternoons at the Pembroke pool. This helped all schools in fielding teams.

(3) The continuing of the Round Robin Tournament. This proved to be very popular and most successful again.

ISSA is most grateful to Mr. Bernie Davis from the Water Polo Association for the organization of referees and to Pembroke School for making their excellent facilities available.

Basketball continues to prosper with an extra 23 teams entering for the 1990 season.

Several rules were modified during the year to conform with the NBL rules. This applied to Open A matches, except that the three point rule should apply to all grades.

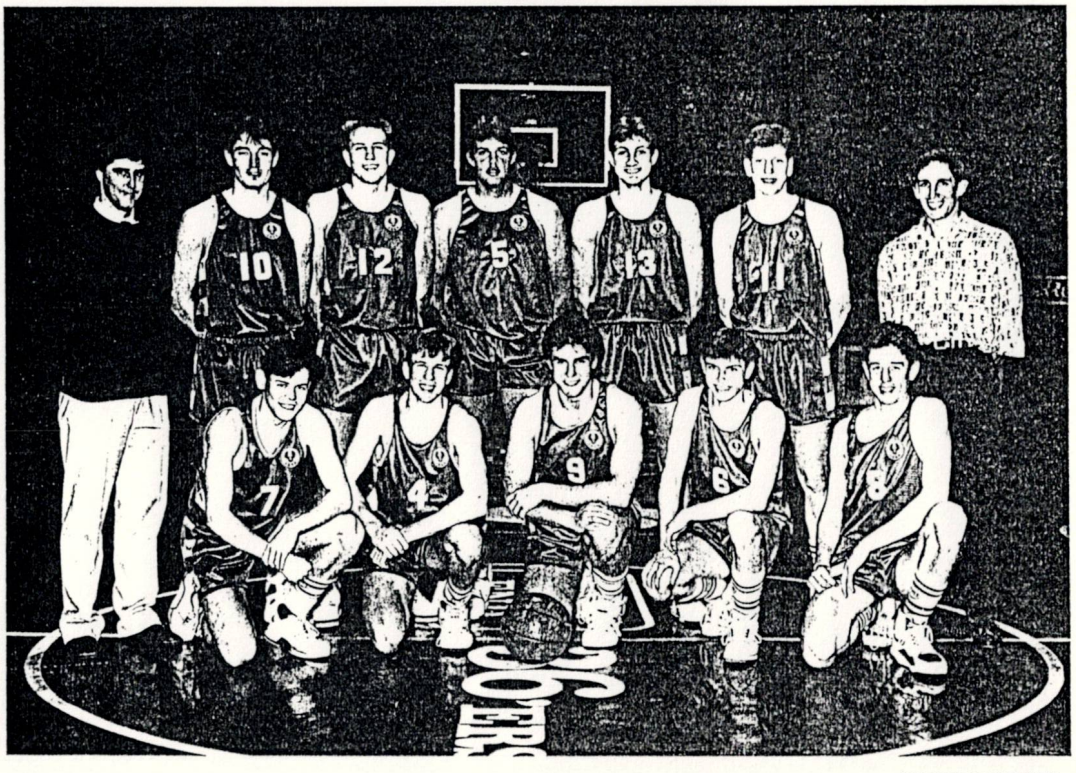

Primary schools were reminded that the recommended ball size for each year group was size 7 - Year VII
size 6 - Year VI
size 5 - Year V

There was some concern expressed that some coaches were not setting the best example to their students by the way they reacted to the referees decisions.

The quality of referees was often questioned and it was resolved to try to establish a pool from within our own Association if possible for 1991.

The Combined Team played brilliantly to defeat the High Schools by two points 97 - 95 in one of the highest standard of schoolboy matches seen at the Apollo Stadium. The game was played as a curtain raiser to a West End 36ers and a large crowd of vocal supporters enhanced the contest. Many thanks to Mr Simon Pritchard (PAC) for coaching the team so well and to Mr John Santini (CBC) who again managed the side. The new uniforms were sensational.

There were very few problems during the season with a good standard of competition.

There was a slight decrease in teams participating (eight overall) with the numbers falling off at the year IX level and below. This is a worrying trend which has been reflected at this level across South Australia. The High Schools competition has had several problems over the past few seasons and there is a move for some of these schools to seek admission to our competition in 1991.

Rostrevor led the way in the First XVIII competition with a very powerful and well disciplined side. They were undefeated and went on to win the Pizza Hut competition again. Well done.

The highlight of the season was the annual clash with the Combined Secondary Schools. Despite the odds we were victorious in a memorable match. Many thanks to all the staff who assisted with this side, especially Mr Paul Deegan (STMC), who so successfully coached the team.

A match report follows.

COMBINED TEAM TRIUMPH IN EXCITING CONTEST.

The Combined ISSA team made it two in a row on Wednesday night with an exciting nine point victory over the Combined Secondary Schools at Norwood Oval.

Before an enthusiastic crowd,which included many League and AFL scouts, the best schoolboys in South Australia put on a high class exhibition of football that drew spontaneous applause on many occasions.

The Independent side won because they used the ball better, played more as a team and had two dominating players in Matthew James across centre and Seb Packer in attack. The Combined Secondary Schools were most competitive. They were bigger, taller and stronger, controlled the air and had an inspirational forward in Daniel Rosetto, who kicked six goals when brought on after half time. He almost won the game off his own boot.

Apart from James and Packer, other ISSA players to catch the eye,in a team performance where everyone contributed,were Nigel Roberts at half back, Jon Tumes at full back, Sam Atkins roving, Todd Barratt in the ruck, Nick Collison on the wing and Paul Gunn in the back pocket.

The Combined Secondary Schools were best served by follower Matt Powell,Matthew Stagg on a wing, Randall Bone at centre half back, Rosetto in attack, Ben Hook in the centre and Scott Barrow at centre half forward.

Football legend Peter Carey presented the medal named in his honour to the outstanding player at the conclusion of the game. Brilliant Pulteney Grammar captain Matt James was a popular choice.

PIZZA HUT TO ROSTREVOR AGAIN

The mighty Rostrevor proved themselves to be the best schoolboy football team in South Australia with a crushing win over a gallant Unley High School by seventy five points.

The game, played at Football Park before a large and vocal crowd of enthusiasts supporting their respective schools, was the culmination of the schoolboy knockout competition.

Rostrevor played with great skill and teamwork and were never in danger after an absolutely brilliant opening quarter when they led seven goals to two. Ruckman Damian McGrath was the catalyst, continually giving his running players first use of the ball, and marking strongly across half back. Tim Cook, Michael Barker and James Cormie used the ball beautifully to initiate many attacks and Ben Hart was a strong focal point at centre half forward. Others to come under notice in a very even team performance were Marcus Trimboli, Roger Moten, Brett Thomas and David Casper.

The competition ran very smoothly with very few problems.

The use of qualified referees at Open A level has helped markedly.

Rostrevor College was the outstanding school, going through the season unbeaten and representing ISSA in the Knockout Competition. The team showed great skill and stamina to win this competition as well.

The annual clash with the Combined Secondary Schools was a most disappointing performance. The ISSA side was outclassed after half time but showed very little fighting spirit. Sincere thanks must go to the staff members who spent many hours in training the team. It was a great pity that their efforts were not better rewarded. A match report follows.

COMBINED SOCCER REPORT.

Approximately forty students tried out for the team. Training sessions were held at St Peters and Blackfriars. Mr. Mike Degenhart (IC) and Mr. Jim Muir (PEM) were appointed coach and assistant coach respectively.

Trial matches were held against Cumberland U/18 and the State U/15 team. Both matches were of a high standard and engendered confidence in the squad. The final selection was based heavily on the two top teams in the competition.

Frank Sergi (BPS) was appointed captain with Dino Salamone (RC) as his deputy.

The first ten minutes saw ISSA dominate in mid-field but mistakes in defence saw the State High Schools grab two quick goals before half time. A further two goals were conceded early in the second half and the game was lost. The final score was a record 7-0 defeat. Donato Petroccia was awarded the ISSA best player trophy for his tireless efforts.

The result was disappointing for all involved. On reflection, an extra trial match could have made a difference. However the main problems were the selection of too many ball players and the lack of players capable of providing "on field leadership".

The competition continues to flourish with four new schools entering teams during this year.

We were able to continue the use of the synthetic surfaces at Prince Alfred College, Port Adelaide, Woodville and University. This enabled 24 teams to play on synthetic each Saturday.

The Primary competition was formed as a joint venture with the Adelaide Hockey Club and the Burnside Hockey Club. This enabled ten teams to play at Adelaide and Burnside grounds on alternate Saturdays. Four State Primary Schools joined in the competition to make it a most viable and productive adventure. We were pleased to play against Highgate, Rose Park, Linden Park and Walkerville. A special thanks must go to the officials from our host clubs for their excellent organization and to the co-ordinators from each school.

Trinity College entered the competition for the first time. They replaced St Pauls in Group B. St Pauls hope to re-enter in 1991.

Several new events were included. They were :

U/14, U/15, U/17,	Discus
U/15, U/17,	Javelin
U/14	1500 m
U/15	400 m
U/17	Hammer

Two new cups were included to be presented to the school with the most points in Division 1 events. This was designed to give the smaller schools, who may lack some depth in Division 2, to have a chance to win a trophy. As it turned out the two outstanding schools in each group, St Peters in Group A and Scotch in Group B, won both divisions.

The pennants, which had been introduced in 1989, again proved to be very popular and were shared amongst six schools as winners of a particular age group.

The Mini- Meets had run well with only the weather causing some inconvenience. Most schools had attended at least one and teams had been of reasonable numbers.

All schools are to be congratulated on their organization and spirited competition. The day ran smoothly and officials seemed well prepared.

A special thanks to Pembroke as the host school and to Mrs. Medlin for presenting the trophies.

Six records were broken on the day. They were :

U/16 800 m.	M. Jamieson	(PAC)	1.58.2
Open Hammer	A. Gray	(SIC)	52.8 m
U/16 Long Jump	C. Lucas	(PAC)	6.63 m

TABLE TENNIS

Number of Teams: Open 34
Yr IX 26
Yr VIII 24
Prep. 18

Number of Players 408

Increase of 2.0%

Number of Schools: 14

The format of playing under age fixtures on Friday afternoons and Open fixtures on Friday evenings during terms II and III was continued.

The sport remains popular at the younger age groups but there were too many forfeits in the Open division. This matter is being investigated and a possible proposal that all teams play at a central venue could be implimented in 1991. The SA Table Tennis Association are looking to help in the restructuring of the competition.

BADMINTON

Number of Teams: Open 51

Number of Players 204

Number of Schools: 14

Increase of 2.0%

The sport has continued to expand and the venues at Christian Brothers, Pembroke and Scotch have been fully utilized on most Saturday mornings.

A new format has been developped for 1991 whereby schools will be blocked with three teams together at the same venue. This will make for much easier supervision and enable schools to enter more teams for less staffing.

VOLLEYBALL

Number of Teams: Open 12
Yr X 6

Number of Players 108

Number of Schools: 8

Increase of 5.9%

Blackfriars and Scotch again provided the venues for this developing sport. There was a slight increase in numbers with one more school joining in the competition.

The plan to introduce the sport into the winter competition did not reach fruition as there were not enough schools interested to form a viable number of fixtures. Those schools who had played winter volleyball on a regular basis over the past years opted to stay in their local zone competition organized by SASSSA.

GOLF

Many of the schools entered golf teams in the summer twilight competition held during term 1 at various courses around Adelaide.

The most successful teams were invited to contest the final at the Mt Osmond Club in April. St Michaels College played extremely well to win the best gross score and Scotch College was too good in the nett event. Congratulations to both teams.

The Association is very grateful to Mt Osmond for allowing us to use their excellent course and facilities.

SAILBOARDING REGATTA

The Association is again most grateful to Pembroke School for organizing this weekend at the beginning of the Christmas holidays. A special thanks goes to Mr Graeme Norman for his leadership and to Glascraft Sailboards for donating trophies.

A report follows.

13 boys from 4 schools participated in this regatta late in 1990. Most of the boys brought boards suitable for course racing, a few had boards that lacked centreboards which proved to be a disadvantage around the triangular courses. These boys had a lot of fun reaching across and back the Clayton Lagoon.

Close starts were again a feature of the event. All boys displayed excellent timing and good tactics towards the start line.

Christian Kleberg flew a bigger sail than the rest and dominated the early races, losing places only when he made poor gybes. As the winds increased, however, he found the bigger sail to be a liability, and the boys with smaller sails began to edge closer.

Videos provided by Graham Obst at Glascraft Sailboards gave hours of entertainment on Thursday night and Friday morning.

Fridays' racing saw Hugh Millar making a charge for first place. Unfortunately he was unable to maintain the momentum and was ultimately beaten by the narrowest of margins.

Trophies were again donated by Glascraft Sailboards.

RESULTS

1st Christian Kleberg (Brighton)

2nd Hugh Millar (Saint Peters)

3rd Daniel Wright (Saint Peters)
