EXECUTIVE REPORT

There were four Executive meetings held during 1991.

The following is a precis of the decisions taken

1. The Annual Report for 1990 was accepted and the budget for 1991 approved. The per capita rate was set at $6.30.

2. Br. Terry Hann was elected as deputy chairman to lead the association while Dr. Shinkfield was away on study leave.

3. An application for ISSA to join the Australian Schools Sports Council, so that we might be able to represent South Australia at Primary Interstate competition, was not successful.

4. A submission was sent to Foundation SA seeking sponsorship for our sport. This submission was not successful but we were advised to reapply through the South Australian Secondary Sports Association, who were considered to be the "peak" organization for school sport. It is hoped that a request for sponsorship will be forthcoming in 1992.

5. A request to modify the Send Off Rule for under age teams was rejected. Heads wished to see all reports from all age groups.

6. Trinity College was admitted as a full member of the Executive.

7. The possibility of forming a Winter Badminton Competition was investigated but failed to attract enough interest.

8. A sub committee was formed to review the present constitution and to make recommendations for the future. The new constitution was adopted at the October meeting for implimentation in 1992.

9. An invitation for ISSA to send a cricket team to a carnival in NSW was not accepted. The high cost to compete was prohibitive. The present match with the VSCA is to continue.

10. A sub committee was formed to make recomendations relating to a uniform policy on safety at sports events. Included in this policy would be recommendations on infectious diseases and how they should be handled within our safety guidelines. This policy is expected to be implemented in 1992.

11. A request from St Michaels College that all schools of similar size in the First XVIII competition should expect to play one another twice during the season was investigated. This request will be implimented in 1992.

12. Letters were sent to the General Managers of the senior bodies of cricket, football, soccer, hockey and basketball expressing concern at the pressure being placed on our students from some clubs to compete for the club rather than the school. The letter asked that each sporting body reaffirm our agreements that students should be able to compete for their school as a first priority without pressure being brought on them to play for an outside club.

13. A sub committee was formed to investigate the possibility of changing the dates of the athletics season for 1993. Three possibilities were submitted: late term 1, early term 2, late term 3. No decision has been reached as yet.

14. The Executive Officer's contract was renewed for 1992 but a sub committee was formed to make recommendations for a new form of contract from 1993.

15. Thanks were expressed to Br. Paul Rogers and Mr. Glen McArthur for their contribution to the executive over many years. Both were moving on to new appointments in 1992.

MANAGEMENT REPORT

The management committee met on four occasions during the year.

The following is a precis of the decisions taken.

1. Mr. Peter Taylor (RC) elected unapposed as Chairman.

2. Combined coaches appointed.

Cricket	-	Mr. I. Hume (SPSC)
		Mr. J. Caulfield (RC) match against VSCA.
Tennis	-	Mr. R. Nak (SIC)
Football	-	Mr. B. Quist (SHC)
	-	Mr M. Fry (STMC) Primary.
Soccer	-	Mr. J. Roe (SPSC)
Basketball	-	Mr. S. Sparrow (SC)

3. The more competent umpires from the ISSA football pool should be used for First XVIII matches to help suppliment the SANFL umpires appointed.

4. In all afternoon one day cricket matches the time for each side should be shared to avoid the problems of matches sometimes finishing as late as 7.00 pm.

5. A suggestion that senior table tennis be played on Friday nights at one or two central venues was investigated but proved to be impractical.

6. The Executive Officer was appointed to be Chairman of Selectors for all ISSA teams.

7. A request that we have the ISSA swimming final at the Adelaide Aquatic Centre was investigated but no suitable date was available.

8. The combine soccer match was scheduled to be played at Hindmarsh Stadium. All combined fixtures are now played at the major venue for each sport.

9. A proposal that we investigate the possibility of playing some open age cricket matches on Saturday mornings received good support. A Group 4 Open Competition was proposed for 1992.

10. The concept that schools of similar size play each other twice during the First XVIII football season was discussed and will be implimented in 1992.

11. The issue of talented students being induced to play for outside clubs rather than their school was roundly condemned and a motion was put to be taken to the Executive. It was " This committee strongly supports in principle the policy that students of ISSA schools be expected to represent their school whenever regular competition, at an appropriate level, is provided by the school."

12. A sub committee was formed to investigate a revised safety policy including some provisions for protection against infectious diseases. This policy is to be implimented in 1992.

13. A submission that ISSA establish a Cross Country programme for 1992 was approved. Interested schools will be invited to participate.

14. Two changes to primary football were approved for 1992. They are : No tackling in the Modified Grade V matches.
All Primary A, B, C, teams to be 15 per side.

15. Annual dinner again held at the Bradman Room Adelaide Oval.

16. Investigation is needed in Basketball to see if Association referees can be appointed for 1992 and some clarification on the " 3 minute rule" was also sought.

17. A recommendation was made that the numbers in under age football teams be reduced from 18 to 16, 15 or 14 in 1992. This matter to be addressed in 1992 when nominations are known.

18. A proposal that all Management meetings, except the AGM, be held prior to the Executive meetings so that any recommendations could be dealt with immediately by the Executive.

The Open Knockout Competition was strongly contested by ten schools in two sections during the first term. The section winners St Peters and Pembroke played off for a semi final berth with St Peters the winner. They went on to win both the semi final and the final and were South Australia's representative at the national finals in Canberra.

The Combined Team was fortunate enough to play its annual match on the Adelaide Oval again . The Secondary Schools batted first and reached 7/190 from their 55 overs. Michael Smith, 3/28,and Michael O'Leary,2/27,led the bowling with Evan Arnold and Brett Thomas chipping in with a wicket apiece. We passed the total set with over five overs to spare by some sensible batting early and some strong hitting at the end. Tim Cook led the way with a fine 66, Michael Smith completed an excellent double by making 52 (run out) and the captain, Seb Packer struck a powerful 46 not out in eight overs.

Mr.Ian Hume (SPSC) was appointed coach for this game and continued the winning tradition with a very astute display. We have now won four of the five encounters.

FINAL SCORES

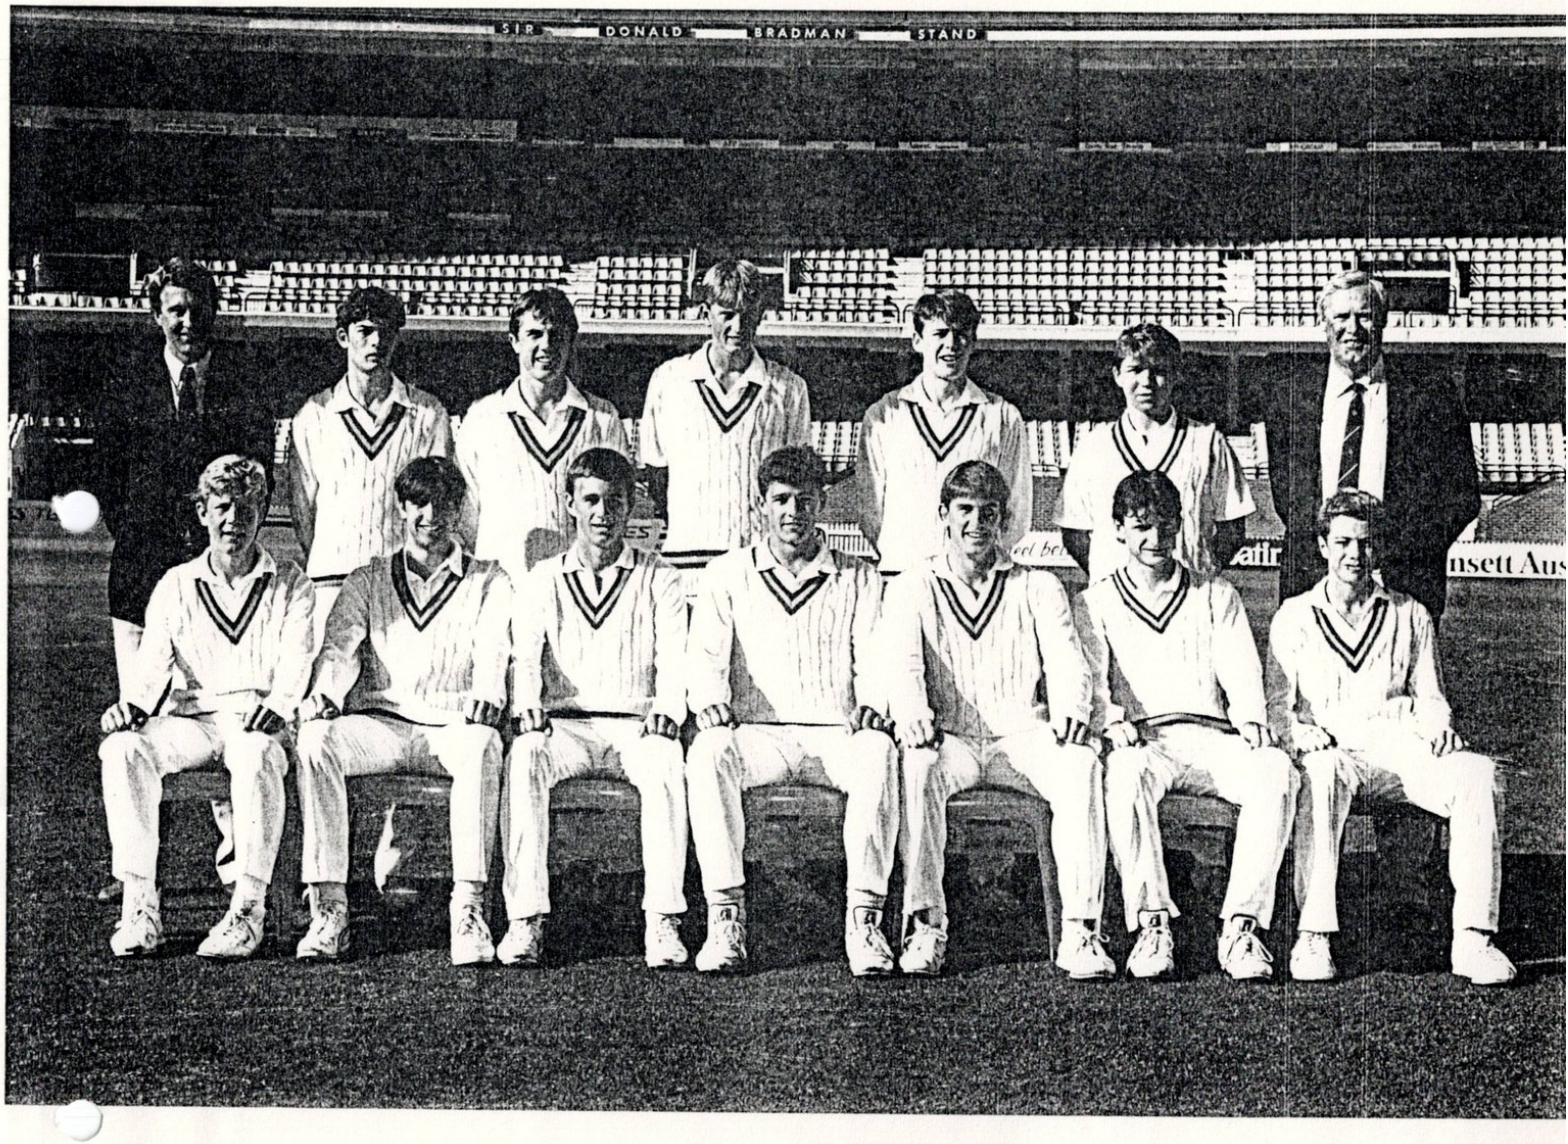

CSS 7/190 from 55.0 overs.

ISSA 4/192 from 49.2 overs.

The Association is very grateful to Mrs. Kennett from Rostrevor College for scoring at the match once more.

In December the annual match with the VSCA was cancelled by the Victorians because of the inclement Melbourne weather. It is anticipated that we will return to Victoria in 1992.

The decrease in numbers was almost entirely due to a large drop off in players at the Open C level. All other age groups have maintained their numbers well and most schools would like to nominate more teams if they had the facilities available.

The annual match at Memorial Drive against the Combined Secondary Schools was, once more, a resounding success. We proved too powerful and won 11 sets to 1. Mr. Rob Nak from St. Ignatius College again coached the team and maintained the very high standard of the past.

Special thanks to Mrs. Verity Grant from SAASA, our chief judge, to Mr Richard Bauman our starter and referee, to Mr Brian Lomas our scorer and finally to Mr.Neville Hayes and Prince Alfred College for their organization and hospitality.

In 1991 we changed the finals to a Wednesday so as not to clash with the IGSSA finals. This made it more convenient for parents with boys and girls in both systems.

St. Michaels were again successful in the SASSSA A Grade Championships with Pembroke second and Rostrevor third.

Several changes were implemented during the season to help improve the Water Polo competition.

These included:-

(1) Using the Adelaide Aquatic Centre for Open A, Open B and Year X on Friday afternoons.

(2) The programming of Year VIII and IX matches on Friday afternoons at the Pembroke pool. This helped all schools in fielding teams.

(3) The continuing of the Round Robin Tournament. This proved to be very popular and most successful again.

ISSA is most grateful to Mr. Doug Hocking, the new Water Polo Advisor from the Water Polo Association. Doug's imput and enthusiasm has been much appreciated by the schools and masters in charge. We are confident that the sport will expand to include more schools in the near future.

Basketball continues to prosper with an extra ~~8~~ teams entering for the 1991 season.

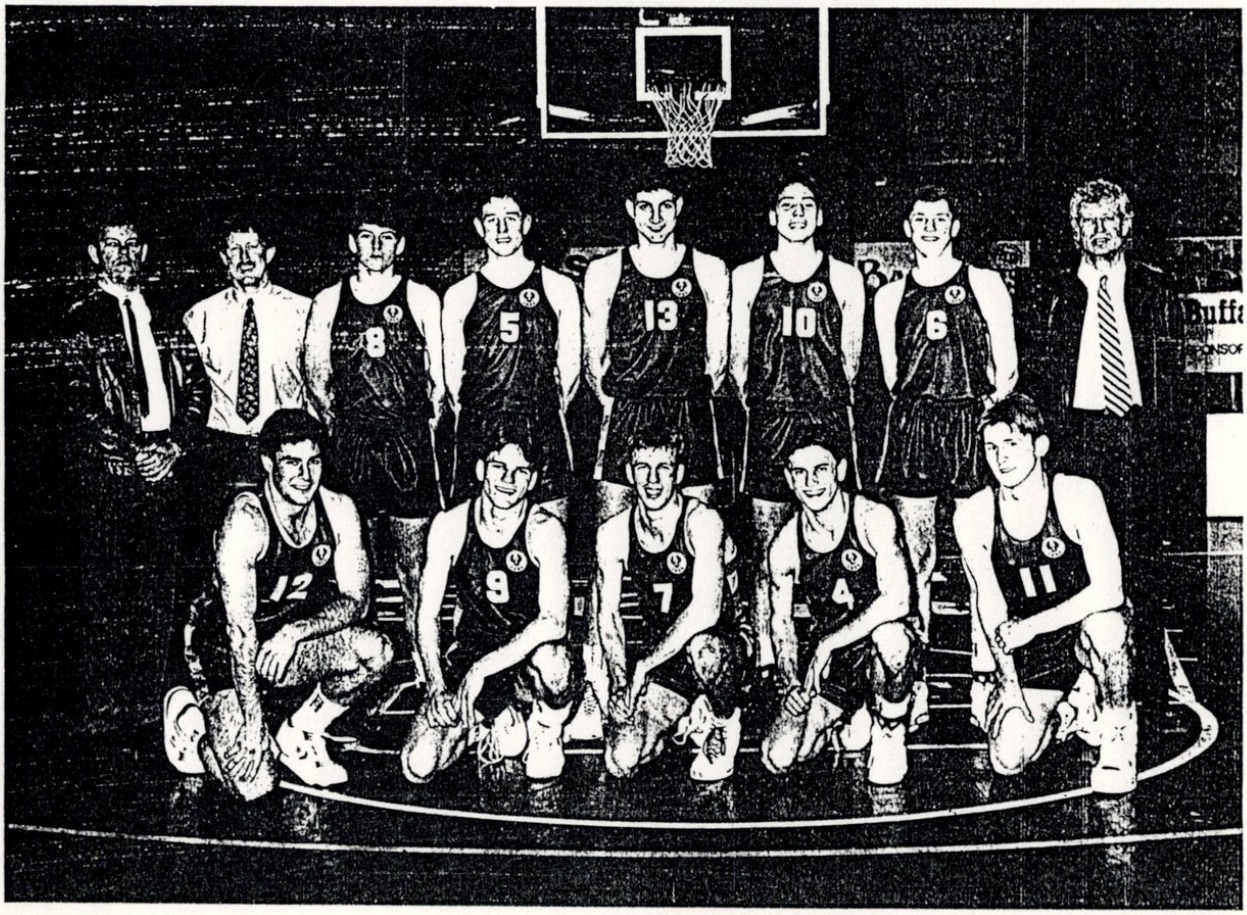

Concern was again expressed that some coaches were not setting the best example to their students by the way they reacted to the referees decisions.

The quality of referees was often questioned and it was resolved to try to appoint Association referees for Open matches in 1992.

The Combined Team was defeated in its annual match against the Combined Secondary Schools played, again, as a curtain raiser to the West End 36ers at the Apollo Stadium. We started brilliantly and led at half time,but ran into foul trouble with several key players,and were outplayed in the final few minutes to lose by nine points. Many thanks to Mr Steve Sparrow (SC) for coaching the team and to Messrs Jeff Petherick (IC) and Wayne Hoffman (STMC) for their assistance in selecting and managing the team.

The captain, Matt Hughes from Pembroke, was a brilliant leader and an inspiration to the team.

There were very few problems during the season with a good standard of competition. At First XVIII level the programme was redrawn at the end of term 2 so that teams of similar ability could be rematched. This was generally accepted as an innovative concept, but there was concern expressed that four of the larger schools played each other only once in the "Intercoll" fixture. This placed greater pressure on other schools. The matter will be rectified in 1992.

Several instances arose during the season where pressure was placed on good players to play club football rather than for their school. A letter was sent to the SANFL asking them to reaffirm their stance on schoolboys playing for their school as a priority.

There was a slight decrease in teams participating (five overall) with the numbers falling off at the year IX and the Open Group 3 levels. The continuing trend of falling numbers has been addressed and proposals are in place at the Primary level to play 15 per side games in 1992. There are moves to also reduce the numbers in each team in the years VIII to X . This will be looked at early in 1992 when team nominations are known.

Rostrevor led the way in the First XVIII competition with a very powerful and well disciplined side. They were undefeated and went on to win the Pizza Hut competition again. As a climax to the season they were invited to play the Sun Herald winner in Melbourne. Again they were successful, downing the powerful St Bernards College at the Footscray ground. Congratulations to the team and coach Tim Hart.

The combined match against the Secondary Schools was played at Football Park as a curtain raiser to the Adelaide Crows contest with Fitzroy. ISSA played a fine brand of running football to lead at half time but were overrun late in the game to go down by 21 points.

Many thanks to Mr Brian Quist (SHC) for coaching the side and to Messrs Paul Sandicock (SHC) and Jono Johnson (PAC) for their assistance with the team.

COMBINED MATCH TO COMBINED SECONDARY SCHOOLS

In a highly entertaining match at Football Park on Sunday the Combined Secondary Schools ran out winners by 21 points over the Combined Independent Schools. The match, played as a curtain raiser to the Crows game with Fitzroy, saw the best schoolboy footballers in the state in action.

These young men did not let down the large crowd as they produced an excellent brand of fast play on football that saw the lead change many times during the game. Only in the last five minutes did the Secondary Schools gain the break when Che Cockatoo- Collins flashed in with quick goals from his half forward flank.

After an even first quarter the Independent Schools played a brilliant second term to establish a three goal lead at the long break. The Secondary Schools came back strongly in the third term to snatch the lead and every thing was set up for a great last term. Scores went goal for goal until the final five minute burst that saw the Secondary Schools home for a well deserved victory. The Independent Schools had been victorious in their past two encounters.

There were many fine players on display and several A.F.L. scouts were seen in the crowd. On the day the following players stood out for their respective teams. For the Secondary Schools Scott Burns in the centre or the back pocket was in brilliant form with a best on ground performance. Rovers Jamie Downs and Nick Pesch were instrumental in running the ball out of the square with precise movement and clearly out pointed their counter parts. Big Chris Groom was a real stumbling block at centre half back while Matthew Powell and Mark Ricciuto madce valuable contributions. Cockatoo-Collins was the umpires choice and he was awarded the Peter Carey Medal, presented by the great man himself at the end of the game.

The Independent Schools were best served by follower Matthew Kluzek, who took several spectacular marks and was a driving force across half forward. Tim Cook was a consistent kick getter in the centre or on the ball, Martin McKinnon was a constant source of drive from his wing, Jamie Potter was rock solid at full back, Tom Katsaros was an excellent link man across centre and the captain Nigel Roberts never gave up in his role as a follower.

It was pleasing to see injured St Peters captain Seb Packer in the rooms offering encouragement to his team mates before and during the game. Star Crows' recruit Ben Hart,from Rostrevor College, excluded himself from selection by electing to play for North Adelaide Reserves on the Saturday.

The League are to be congratulated on their initiative in programming this important fixture at Football Park before a major contest. Perhaps next year they may play it on a day when players from both sides do not have a conflict of interests with their club commitments.

The competition ran very smoothly with very few problems. The aapointment of quality referees at Open A level has helped maintain the standard of play.

Rostrevor College won the right, again, to represent ISSA in the Statewide Knockout Competition held at Campbelltowm. They performed very well to reach the semi finals, but did not go on to win this year.

The annual clash with the Combined Secondary Schools was an excellent contest held at the Hindmarsh Stadium for the first time. The teams were locked together until the last ten minutes when our coach, quite rightly,gave the reserves a run. The State Schools were able to run in three quick goals and win comfortably. The final score did not reflect the evenness of the two sides. Mr John Roe (SPSC) coached the team with his usual enthusiasm and skill. He had most able support from Mr. Gordon Levett (RC) and Mr Jim Muir (PEM). The only disappointing aspect of the match was that several schools did not nominate their best players, who appeared to be under some pressure from their clubs not to risk injury by playing.

We are most grateful to the Soccer Federation, and Mr Tony Farrugia in particular, for organizing the game at Hindmarsh.

GOLF

Many of the schools entered golf teams in the summer twilight competition held during term 1 at various courses around Adelaide. The final was again held at Mt Osmond Golf Club, to whom we are most grateful.

The Grange Golf Club hosted the schools teams championship, and again, many of our schools entered teams of three. Aberfoyle Park won the right to represent S.A. in the Australian final.

Two of our students, Craig Martin (STMC) and Ben Tuohy (SPSC), were selected in the S.A. Schools Team, Craig as captain.

In general there was continued enthusiasm and the quality of play was high. The decrease in numbers at year X level was disappointing.

We were able to continue the use of the synthetic surfaces at Prince Alfred College, Port Adelaide, Woodville and University. This enabled 24 teams to play on synthetic each Saturday.

The year VIII competition was held at St Peters College, Farr Oval, as a regular venue. We are, indeed, grateful to St Peters for allowing us the use of their excellent facilities.

The Primary competition continued as a joint venture with the Adelaide Hockey Club and the Burnside Hockey Club. This enabled ten teams to play at Adelaide and Burnside grounds on alternate Saturdays. A special thanks must go to the officials from our host clubs for their excellent organization and to the co-ordinators from each school.

St Pauls re entered the competition, giving seven teams in group A and eight teams in group B.

In the interest of safety the Hammer events were held prior to the Achilles Cup day.

The pennants, which had been introduced in 1989, again proved to be very popular and were shared amongst seven schools as winners of a particular age group.

The Mini- Meets had run well with only the weather causing some inconvenience. Most schools had attended at least one and teams had been of reasonable numbers.

All schools are to be congratulated on their organization and spirited competition. The day ran smoothly and officials seemed well prepared.

A special thanks to Rostrevor as the host school and to Bro. Hann for presenting the trophies.

The Achilles Cup will again be held at the end of term 3 in 1992 but a sub committee is investigating the possibilty of changing to the end of term 1 or the beginning of term 2 for 1993.

Inter school cross country is proposed for 1992, probably during terms 2 and 3.

TABLE TENNIS

Number of Teams: Open 28 Yr IX 24 Yr VIII 24 Prep. 20

Number of Schools: 16

Number of Players 384

Decrease of 5.8%

The format of playing under age fixtures on Friday afternoons and Open fixtures on Friday evenings during terms II and III was continued.

The S.A. Table Tennis Association tried hard to organize central venues for the senior competition on Friday evenings but this proved too difficult and matches were played at all the schools.

A tournament was run by the S.A. Association at Pulteney Grammar School at the end of the season but it did not attract large numbers. It is pleasing that more imput is being received from the Association, who recognize the importance of our competition.

VOLLEYBALL

Number of Teams: Open 13 Yr X 5

Number of Players 108

Number of Schools: 7

Blackfriars and Scotch again provided the venues for this developing sport. Numbers stayed the same as in 1990 with eighteen tems participating.

Many schools play volleyball as part of their winter sport in the SASSSA competition. It is hoped that this competition remains viable in the future. There is scope for ISSA to run a winter competition if the need arises.

BADMINTON

Number of Teams: 51

Number of Players 204

Number of Schools 15

ANNUAL DINNER

This year the Annual Dinner for sportsmasters and coaches was again held at the Bradman Room at the Adelaide Oval. This famous sporting venue was a popular choice and over 130 attended.

The Chairman, Peter Taylor, thanked all of the coaches for their commitment during the season and made special mention of our invited guests. We were delighted to have Chester Bennett, Brian Hagger, Geoff Woollard, Bern Basedow, H.F. "Tubby" McFarlane and Peter Roberts from SASSSA with us for the evening.

Most schools are now sponsoring their sporting staff at this function; a gesture much appreciated.
