EXECUTIVE REPORT

There were four Executive meetings held during 1992.

The following is a precis of the decisions taken

1. *The Annual Report for 1991 was accepted and the budget for 1992 approved. The per capita rate was set at $6.70.*

2. *Br. John Marks was elected as chairman to replace Dr. Shinkfield, who retired at the end of term 1. A vote of thanks was expressed for the valuable contribution that Dr. Shinkfield had made to the Association during his Headmastership, and in the last two years in particular.*

   Ms. Kate Castine, Br. Rory Higgins, Br. Dean McGlaughlin and Mr. Richard Burchnall were welcomed as new members of the Executive during the year.

   Br. Terry Hann was thanked for his contribution to the Asscociation during his time at Rostrevor and was wished well in his new interstate venture.

3. *The new constitution was adopted. There were two minor alterations relating to criteria for membership of the Executive.*

4. *An infectious diseases and safety policy was adopted. All schools received copies of this new policy.*

5. *Students were to be billed for combined team photos resulting in a saving of $2000.00 to the Association. Schools would still accept the cost of combined team uniforms.*

6. *Cardijn College was admitted as an Associate Member of the Association.*

7. *An invitation to join the new Sports Foundation of South Australia was deferred until we have more information.*

8. *A new duty statement was drawn up for the Executive Officer. The current Executive Officer's appointment was extended until the end of 1997.*
   During 1997 the position would be advertised and a three year contract offered.

9. *Our submission for funding from Foundation SA had been unsuccessful but it was resolved that we reapply for assistance in 1993. A new submission was prepared pointing out that our Association was a "peak " organization in its own right and offered a different form of sporting competition to the Secondary Schools Sports Association.*

10. *All schools were made aware of the Public Liability Policy needed to participate at the Adelaide Aquatic Centre. All schools had such a policy in place.*

11. *The role of the Sportsmaster was discussed. It was agreed that it was a very demanding position and that each school should make every endeavour to assist. It was not a position on which the Executive could make a blanket ruling.*

12. *The issue of playing full time year 13 students under the age of 19 years on the 1st January was discussed. Again it was agreed that the School Principal was the sole judge. Full time students would normally do no fewer than three subjects, spend a full day at school,and be involved in all school activities appropriate for a year 12 student. Students in year 13 would need to fit these criteria to be eligible to play. The Executive would closely monitor this area.*

13. *A proposal that a "Sports Star of the Week" be nominated from within our schools and then interviewed on a local radio station was rejected.*

14. *A Laser Printer was purchased to replace the Dot Matrix currently in use.*

15. *It was resolved that the Achilles Cup Athletics Carnival would be held on September 23rd 1993,but that we investigate a time at the end of term 1 or the first Saturday of term 4 as possible alternatives in 1994.*

16. *The format of reports is to be changed in 1993. The offending school is to send two copies of the report: one to the opposing school and one to the ISSA office.*

MANAGEMENT REPORT

The management committee met on four occasions during the year.

The following is a precis of the decisions taken.

1. *Mr. Peter Taylor (RC) elected unapposed as Chairman.*

2. *Mr. Bern Basedow elected unopposed as honorary auditor.*

3. *Combined coaches appointed.*

Cricket	-	*Mr. J. Caulfield (RC)*
		Mr. I. Hume (SPSC) match against VSCA.
Tennis	-	*Mr. W. Potter (SPSC)*
Football	-	*Mr. T. Hart (RC)*
	-	*Mr M. Trimboli (BPS) Primary.*
Soccer	-	*Mr. J. Muir(PEM)*
Basketball	-	*Mr. W. Hoffman (STMC)*

4. *Recommendation that the Achilles Cup remain in third term for the good of all sports.*

5. *Cross Country events to begin in term 2 with 11 schools entering.*

6. *Under age football (Yrs VIII to X) to have the option of nominating sides of 18 or 15 to help overcome falling numbers. All primary matches to be 15 per side.*

7. *Three special cricket sessions were conducted at Pulteney Grammar by SACA coaches during term 1 for the best players from years VIII to X.*

8. *Further attempts were made to obtain badged basketball umpires for our Association without success.*

9. *All primary basketball matches are to be played using the size 6 ball to comply with the Junior Sports Policy.*

10. *The date of the Annual Dinner was changed to Thursday 5th November to accommodate more schools. The Adelaide Oval, Bradman Room, was the venue. Over 170 attended.*

11. *Because there had been many teams withdrawing from programmes after they had been printed it was agreed that schools be given an extra week to submit nominations in the hope that they would be more accurate. The problem of cancellations was again addressed and sportsmasters reminded that only they have the right to cancel programmed fixtures, and the opposing sportsmaster and the Executive Officer must be contacted.*

12. *The Independent Girls Schools Sports Association (IGSSA) made an approach to share our facilities for open hockey so that their teams could compete on synthetic surfaces. Arrangements are being made for 1993.*

13. *The First XVIII Football programme was re addressed and the sportsmasters were reluctant to change the current format as it was accepted as the fairest for all schools. However they did accept the right of schools to play each other only once if requested. If all the larger schools did this it would mean that nearly all schools would play each other, regardless of size.*

14..In the advent of poor weather conditions at the Achilles Cup Meeting it was agreed that the Athletics Masters should be the ones to cancel the meeting rather than the referee.

15. The VSCA invited a cricket team to play the annual match at Melbourne Grammar from Dec 15 - 17. Mr Ian Hume was appointed coach of this team.

16. A proposal was put forward that the Association purchase a set of uniforms for all combined teams. This proposal was rejected by the Executive.

17. A proposed staff golf day at the end of the year did not attract enough entrants and was cancelled.

Cricket is in a very healthy state within our schools and a marginal increase in teams is noted.

The Open Knockout Competition,held in term 1,was contested by six schools,with Rostrevor representing ISSA at the semi final level. Rostrevor played brilliantly and won the right to represent South Australia in the Gillette Cup final in Canberra in December.

The annual match against the SASSSA team was held at Adelaide Oval in April. Again we were successful, winning by 15 runs. A full report follows.

In December the ISSA team journeyed to Melbourne Grammar to play the annual match against the VSCA. Mr Ian Hume coached the team.

We lost the toss and our hosts decided to bat on a very good pitch. However some very good bowling and fielding saw them dismissed for a very modest 140. Fast bowler Brian Quill was an effective spearhead with 4/64. Spinners John Patton,with 2/15, and Scot Huxtable with 2/23 also bowled well.

Our batting was very polished and all the batsmen made pleasing contributions enabling us to reach a very respectable score of 334. John Patton led the way with 69, followed by Michael Carter with 67, Tim Mableson with 55, Nick Earle with 26, Abel Podger with 23 and Kym Sellers with 20. Daniel Bartholomaeus remained not out with 32.

The Victorians batted again but at the end of day two it was agreed that we should play a one day game on the final day rather than pursue the outright result.

The VSCA batted first and reached 7/163 from their 40 overs. Kym Sellers was best with the ball, taking 3/30. We reached the target with two overs to spare. Carter, 77 not out, and Patton with 56 were again the batting stars.

A memorable three days was capped by winning the Jack Woodruff Trophy for the first time, by beating the Victorians twice in three days and attending the M.C.G. to see Australia beat the West Indies on the Tuesday night.

Michael Carter, John Patton and Brian Quill received trophies for their performances. Our thanks go to D. H. Parkinson and Co. and the VSCA for their generousity.

COMBINED CRICKET MATCH versus SASSSA at ADELAIDE OVAL 1st APRIL 1992

ISSA won the toss and batted. After an early loss there were several worthwhile partnerships with Michael Carter 42, Brett Thomas 40, Rohan Calley 29, Nick Earle 26 and Sam Ahmed 19 all showing promise without going on with it after getting set. The final score of 9/189 was competitive but certainly within range of the SASSSA batsmen.

SASSSA started very strongly with an opening partnership of 68 and were in a comfortable position. However an inspired spell of 3/24 from spinner Scot Huxtable turned the match around. Some very tight bowling from Michael Carter, Brett Thomas and John Patton, aided by excellent fielding, suddenly saw the SASSSA with a run chase of over eight an over. They could not maintain this rate and fell 15 short with 7/174.

All ISSA players contributed to a very fine team performance. Coach John Caulfield, again showed astuteness and skill to lead us to our fifth victory in six contests. The captain, Brett Thomas, and his deputy, Michael Carter,both led from the front with fine allround performances.

There was a marginal increase in teams with one new school, Thomas More College, entering the competition.

Most schools have indicated that they would like to enter more teams if they could obtain more courts on Saturday mornings.

The Drive tennis for the First VI teams has continued at Memorial Drive this year and we have been assured that we can play there in term 1 of 1993. However after June 1993 a new lease will be in place and there is no guarantee of our being offered the same conditions we have enjoyed for so many years.

The final First VI results are enclosed. Congratulations to St Peters and St Pauls for their wins in Division 1 and Division 2 respectively.

ISSA 9 RUBBERS 100 GAMES DEFEATED SASSSA 4 RUBBERS 80 GAMES.

The annual match against the Combined Secondary Schools was played at the S.A. Hardcourt Association at Goodwood on Friday evening 3rd April. Unlike the previous few encounters, when ISSA was far too strong, the matches were all closely contested and of a very high standard. We eventually won 9 rubbers to 4.
Mr Wayne Potter (SPSC) coached the team very well, and he and the selectors did a fine job in the initial preparation. Thankyou to the coach and players for an excellent effort.

The sport continues to grow. The Adelaide Aquatic Centre and Pembroke School provide excellent facilities, which are appreciated by all players and officials.

The Round Robin Tournament, as an end of season fixture, was a success again.

Playing the matches on Friday afternoons has enabled the sport to expand without the opposition of other more traditional sports.

The continued support of the South Australian Water Polo Association with referees and coaching has been a great help.

The number of teams increased by four during the season but this was offset by the number of schools who chose to enter teams of 15 rather than 18 at the under age levels. The primary competitions were all 15 per side matches. The overall result was that there was a drop of 50 players from 1991.

Most schools who tried the 15 per side games were strong in their praise of this new concept.

The open football was dominated by Rostrevor and Sacred Heart but St Michaels had a good year and Scotch was the best of the smaller schools. In the knockout matches Rostrevor and Sacred Heart won through to the final where the Hearts were successful in a high quality match.

The combined match was scheduled for a Sunday as a curtain raiser to the Adelaide Crows. All of our players represented their schools on the Saturday and many were still sore for the combined clash. The Combined High Schools were too good and recorded their best ever win. My thanks to all involved, but particularly to Mr. Tim Hart (RC), who coached the side and to Mr Jono Johnson (PAC) for his organization of the trainers.

A report of the match follows.

COMBINED HIGH SCHOOLS TOO POWERFUL IN ANNUAL CLASH.

The Combined High Schools finished far too strongly to over run the Combined Independent Schools and win by eleven goals in the annual clash, played as a curtain raiser to the Crows, Esssendon fixture at Football Park on Sunday.

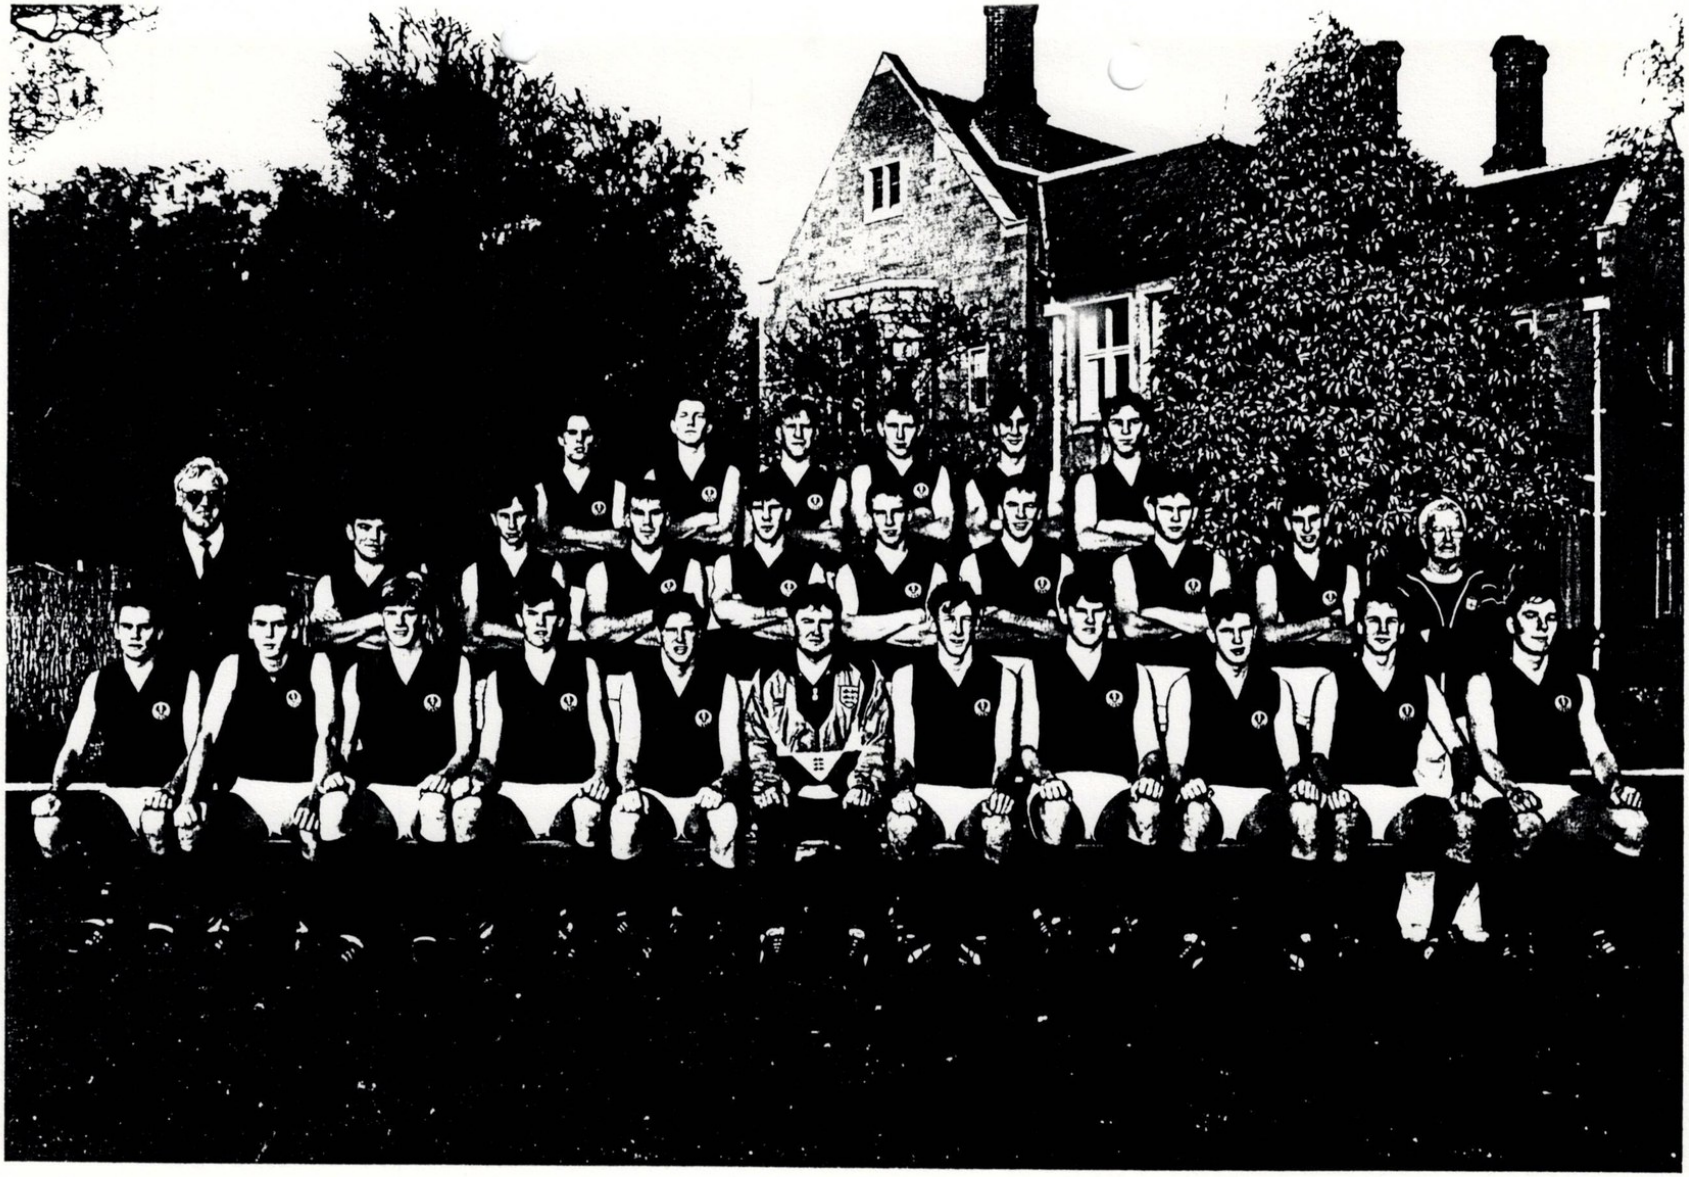

The game had been a good even contest until the half time break with the High Schools leading by seven points. The third quarter was decisive. With the wind at their back and with league players Tim Pesch, Mark Ricuttio, Tom Hyde and the spectacular Shane Wakelin, exuding their class they raced on eight goals to seal the game. Pesch was awarded the Peter Carey Medal for his outstanding performance.

For ISSA Bryan Bienke was outstanding across half back. Others to come under notice were rover Brett Thomas, defender and follower Gary Ellis, half back Troy Olsen, the captain Martin McKinnon in the centre, wingmen Vaughan Ackland and Luke McCabe, follower Josh Netschitowsky and the full back Andrew Dnistriansky. Thomas, Ackland and Nathan Raymond were the leading goal scorers with two apiece.

The quality of the match probably deserved better credentialed umpires.

There was a slight decrease in numbers, mainly at the Open level. The continuing support of Federation Association referees has helped maintain the high standard at the Open level.

St Michael's College was the outstanding team during the season and represented ISSA in the School's Open Knockout Competition. A win over Christies Beach in the semi final,1-0,and a convincing 4-1 win over Charles Campbell in the final was fitting reward for this talented unit. Congratulations!

COMBINED MATCH REPORT

This year the selection process began, as usual, with three selection trial matches. The coach, Mr. Jim Muir (PEM) and Mr. John Roe (SPSC) had a difficult job to select fifteen as the players were very enthusiastic. The final squad consisted of players from STMC, SIC, BPS, SPSC, WS and RC, the bulk of the squad coming from STMC as this is the dominant team this year. Renato Musolini (RC) was selected as captain and Frank Radic (STMC) as vice captain.

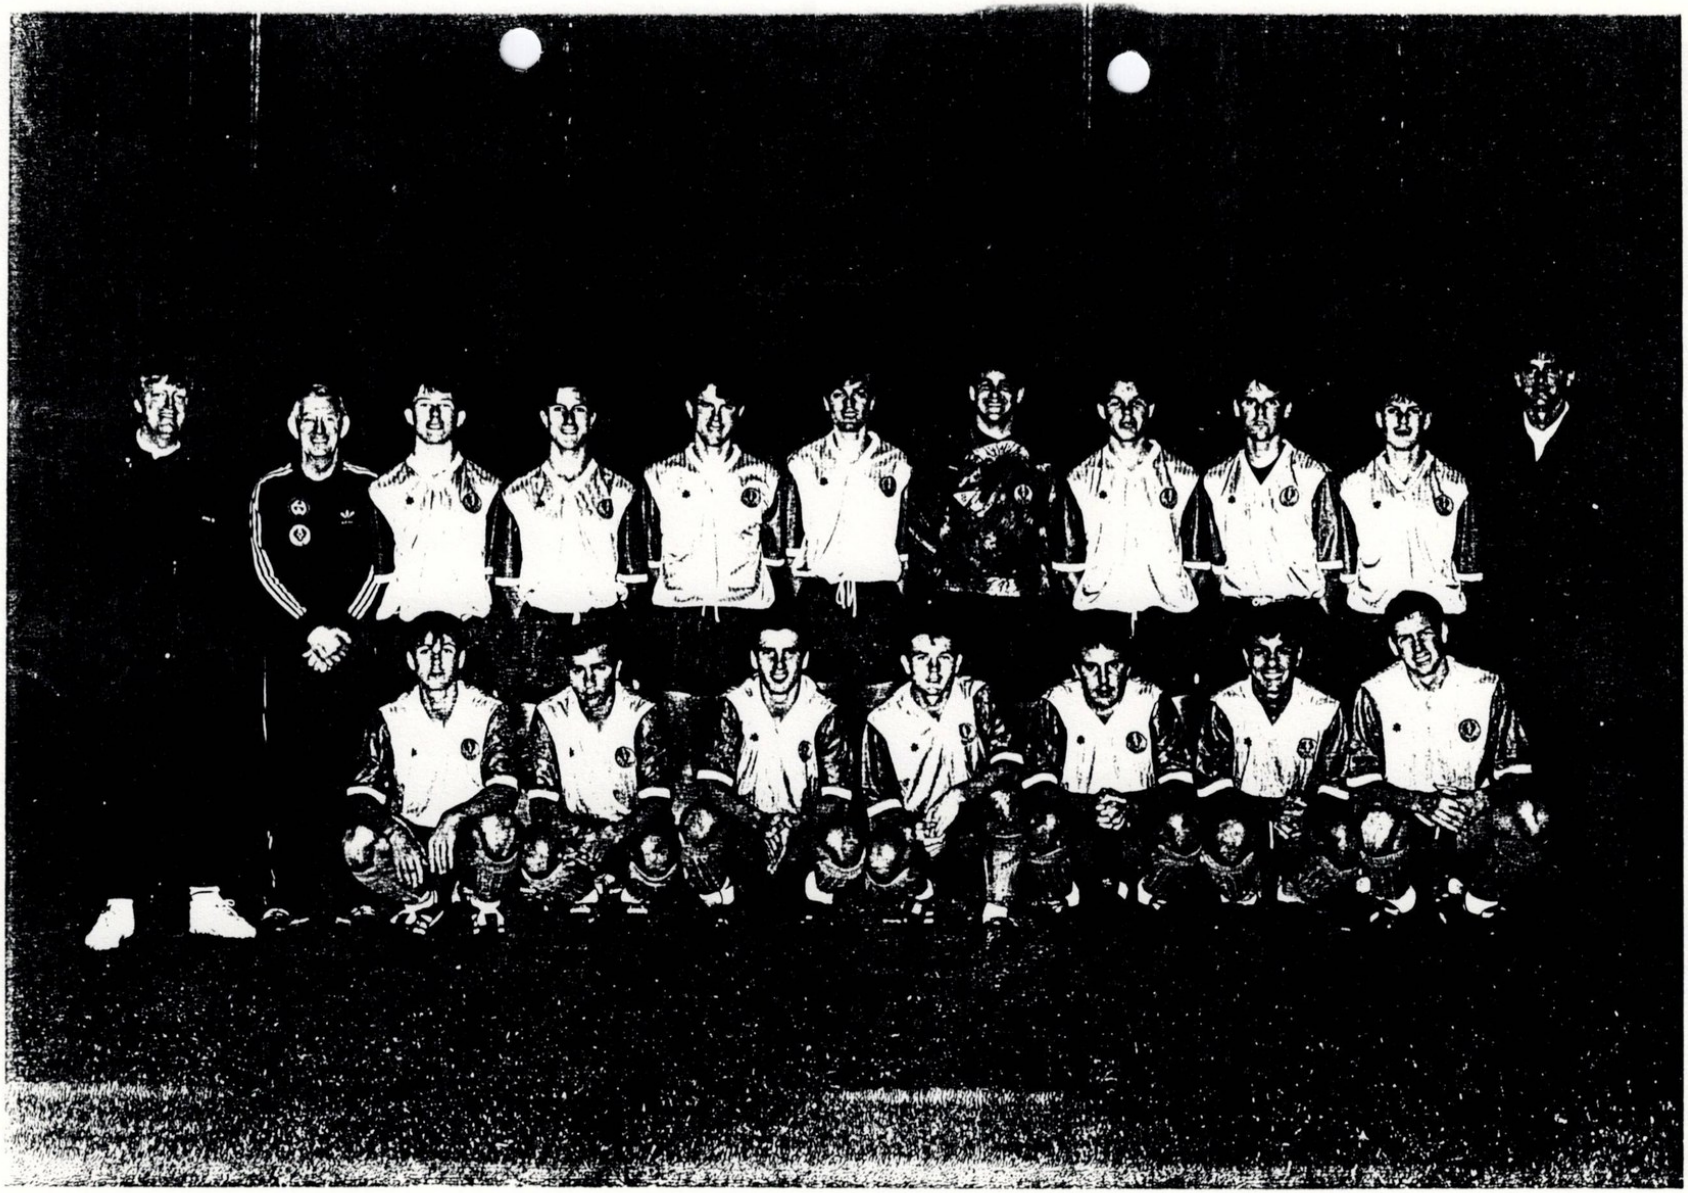

The match against the State High Schools was played as a curtain raiser to the Australia / Croatia International on Wednesday 8th July. With the match being played at Hindmarsh there was a fitting sense of occasion.

The State High Schools had a very strong team. The match began with both teams contesting equally. The first goal came from a silly mistake in our defence. The second arrived when the opposition forward line penetrated the middle of our defence. Being 2-0 down at half time, the second half looked grim. The final score was a 6-1 loss with Steve Pappas scoring the goal for ISSA. Frank Radic had an outstanding match and was, deservedly, chosen as the best player.

To lose to a stronger team is no disgrace. In fact, if someone arriving late to the game was told that one side was winning by five goals it would have been hard to pick which side was leading. The ISSA team showed skill, courage and sportsmanship. In the end the main difference between the two sides was the clinical finishing of the State High Schools' forward line.

Special thanks must go to all the players, the coaches, Mr. Barry Apperley, who acted as trainer on the night, and to the South Australian Soccer Federation for the use of their facilities.

Gordon Levett
Team Manager.

Basketball continues to prosper with an extra 9 teams entering for the 1992 season.

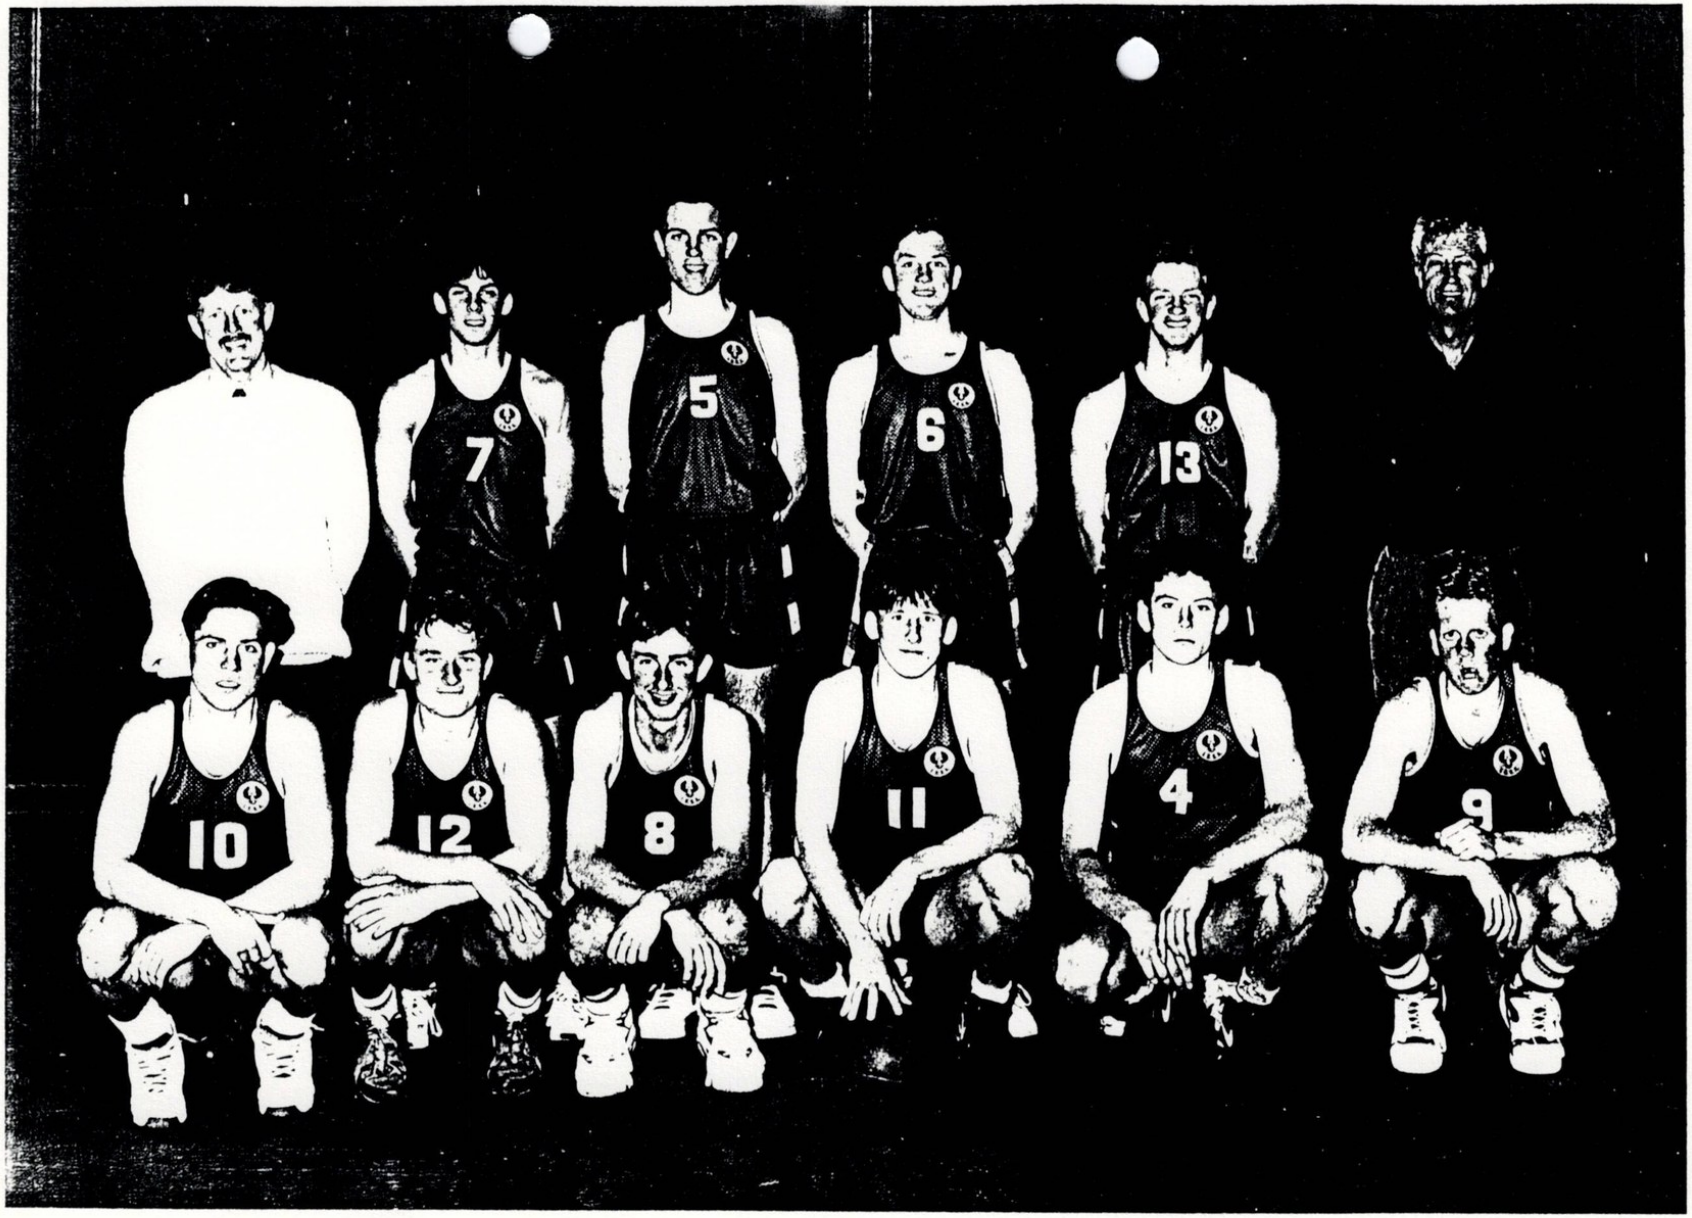

Concern was again expressed that some coaches were not setting the best example to their students by the way they reacted to the referees decisions.

The quality of referees was often questioned and it was suggested that we might form a pool of referees from within our system to officiate at neutral venues. This proved to be impractical as most referees preferred to stay with their own school.

A survey was conducted to see whether schools preferred a change at Open A level to fully timed 20 minute halves instead of the 4 by 15 minute quarters being used this season. A final decision has yet to be made for 1993.

The combined ISSA team played its annual match against the Combined Secondary Schools. Unfortunately the match could not be held as a curtain raiser to the Adelaide 36ers this year. The chosen venue at Apple Park was not up to the standard required for a match of this quality and we expressed our disappointment to the Basketball Association. We received a confirmation that every endeavour will be made to improve the situation for 1993. The team was beaten by two points in a very high quality game. Our thanks go to Mr Wayne Hoffman (STMC) for coaching the team and to Mr. Steve Sparrow (SC) for his managing.

In the Knockout Cup St Michaels College made it through to the final but was beaten by Wirreanda High School.

GOLF

Many of the schools entered golf teams in the summer twilight competition held during term 1 at various courses around Adelaide. The final was again held at Mt Osmond Golf Club, to whom we are most grateful.

St Peters won the best gross and Immanuel the best nett.

The Grange Golf Club hosted the schools teams championship and, again, many of our schools entered teams of three. Taperoo High School, with a gross score of 244,won the right to represent S.A. in the Australian final.

Three of our students, Ben Bert (SHC), Mark Tan (WS) and Sean Stead (SC) were selected in the S.A. Schools Team to play at Alice Springs.

HOCKEY

Number of Teams:	Open	17	
	Yr X	5	Number of Players 495
	Yr IX	9	
	Yr VIII	5	Decrease of 6.3%
	Primary	9	

Number of Schools: 16

In general there was continued enthusiasm and the quality of play was high. There was a slight decrease in numbers with one school withdrawing.

We were able to continue the use of the synthetic surfaces at Prince Alfred College, Port Adelaide, Woodville and University. This enabled 24 teams to play on synthetic each Saturday.

The year VIII competition was again held at St Peters College, Farr Oval, as a regular venue. We are,indeed,grateful to St Peters for allowing us the use of their excellent facilities.

The Primary competition continued as a joint venture with the Adelaide Hockey Club and the Burnside Hockey Club. This enabled nine teams to play at Adelaide and Burnside grounds on alternate Saturdays. A special thanks must go to the officials from our host clubs for their excellent organization and to the co-ordinators from each school.

TABLE TENNIS

Number of Teams:	Open	36	
	Yr IX	16	Number of Players 368
	Yr VIII	22	
	Prep.	18	Decrease of 4.2%

Number of Schools: 16

The format of playing under age fixtures on Friday afternoons and Open fixtures on Friday evenings during terms II and III was continued.

The S.A. Table Tennis Association tried hard to organize a carnival at Blackfriars Priory School at the end of term II but did not attract enough entries to make the event viable.

Walford Anglican Girls School entered the competition at the year VIII level and was a welcome new addition.

VOLLEYBALL

Number of Teams:	Open	12	
	Yr X	6	Number of Players 108
Number of Schools:	7		Same numbers as 1991

Blackfriars and Scotch again provided the venues for this developing sport. Numbers stayed the same as in 1991 with eighteen teams participating.

Many schools play volleyball as part of their winter sport in the SASSSA competition. It is hoped that this competition remains viable in the future. There is scope for ISSA to run a winter competition if the need arises.

BADMINTON

Number of Teams:	48	Number of Players	192
Number of Schools	14	Decrease of 5.9%	

The new format of blocking three teams from the one school at the same venue proved very popular and made supervision much easier.Most schools are using this system and only afew smaller schools enter single teams.

We were, again, pleased to be able to use the facilities at Pembroke, Christian Brothers and Scotch to centralize the competition.

CROSS COUNTRY

For the first time a formalized programme under the auspices of ISSA was started in 1992.

Fourteen schooools entered teams in two divisions:

Senior for years XI and above
Junior for years X and below

Events were run on nine Wednesdays during terms 2 and 3 using seven different venues.

Most events attracted fields of over 70 competitors.

Siena College was a welcome newcomer to our competition.

There was unanimous praise for this new competition and it is envisaged that it will expand in 1993.

ATHLETICS

Number of Teams:	Open	15		
	U/17	15	Number of Competitors	900
	U/16	15		
	U/15	15		
	U/14	15		

The athletics season was again marred by inclement weather for the most of September and training was very difficult for all schools.

The Achilles Cup day was run in an almost constant drizzle but competitors and officials cheerfully carried on and only one event (U/17 High Jump) was cancelled.

All schools are to be congratulated on their organization and spirited competition. The day ran smoothly and officials seemed well prepared.

St Peters and Scotch again were successful, winning both their divisions in Group A and Group B respectively.

The pennants again proved to be very popular and were shared amongst six schools as winners of a particular age group.

The Mini- Meets were plagued by bad weather and only one Saturday was suitable for competition.

A special thanks to Sacred Heart College for hosting the event and to Br. Bugg for presenting the trophies.

The Achilles Cup meeting will again be held at the end of term 3 in 1993 but the Executive is investigating the possibility of a change to the end of term 1 or early term 4 for 1994.

Only one record was broken on the day. It was :
