EXECUTIVE REPORT

There were four Executive meetings held during 1994.

The following is a summary of decisions taken during the year.

1. *The Annual Report for 1993 was accepted and the budget for 1994 approved. The per capita rate was set at $6.00, a reduction of 70 cents from the previous year.*

2. *Dr. Brian Webber was elected to replace Br. Marks as Chairman for the following two years .*
   Special thanks were given to Br. Marks for his contribution to the Association over many years,and the past two and a half years in particular.
   New members welcomed to the Association were Mr. Peter Tooke, (PGS), Mr. Peter Shanahan (SPC), Fr. Greg O'Kelly (SIC) and Mr. David Hone (WS).

3. *A committee of Br. Marks, Dr. Webber and Mr. Taylor conducted a review of the Executive Officer's performance and reported that they were very satisfied with the way the Association was being run. Their report was accepted and a copy sent to the Executive Officer.*

4. *For the Achilles Cup it was agreed that the top team in Group B replace the bottom tem in Group A each year as from 1994.*
   It was also agreed that the the Achilles Cup Carnival should be held at the end of term 3, as this was the best option.
   A conflict of dates with five of the IGSSA schools, who had booked our regular Thursday, was resolved, with the girls shifting to the Wednesday.

5. *The Association reaffirmed its Sport's Policy that:*
   " All member schools reserve the right to require students to play in school teams if that sport is offered by the school. "
   Problems with some Soccer Clubs had prompted the reaffirmation of this policy.

6. *A policy manual containing all matters relating to code of behaviour, safety, and compulsion to play was prepared and distributed to all members. Included in this manual was a copy of the revised constitution.*

7. *A request from the Prep Schools to conduct mid week fixtures was approved provided that these matches did not occur during classroom hours.*
   Athletics and swimming carnivals were approved if suitable times and venues could be arranged but the introduction of T Ball was rejected.

8. *It was agreed that from 1995 Executive meetings be held a fortnight after the Sportsmasters' meeting so that recommendations from the Sportsmasters could be sent out with the agendas for the Executive meeting.*

MANAGEMENT REPORT

The management committee met on four occasions during the year.

The following is a summary of the decisions and highlights of the year.

1. *Mr. Peter Taylor (RC) elected unapposed as Chairman.*

2. *Mr. Bern Basedow elected unopposed as honorary auditor.*

3. *Combined coaches appointed.*

   Cricket - Mr. I. Hume (SPSC)
   Tennis - Mr. K. Koehne (PGS)
   Football - Mr. P. Curren (STMC)
   Soccer - Mr. J. Muir (PEM)
   Basketball - Mr. S. Sparrow (SC)

4. *Recommended that all events in the Achilles Cup carry points. Implimented at 1994 carnival.*

5. *Approaches from both Rugby League and Union were made with the hope that more of our schools would become involved.*

6. *Continuing negotiations with the Soccer Federation and its clubs over the playing of our students as a priority to school soccer.*

7. *The planning of some primary fixtures for mid week and the possibility of having combined schools' swimming and athletics meetings in 1995.*

8. *Success in all our combined matches during the year with four wins and a tie in the tennis,when the lights went out during the final two sets. Congratulations were expressed to all coaches and players.*

9. *A request from the SANFL to increase our fees for its umpires by 50% was rejected. Suitable negotiations resulted in the fees remaining the same for 1994.*

10. *The possibility of changing basketball from a winter to a summer sport was discussed but rejected. However it was strongly recommended that as many matches as possible be played indoors and schools were urged to look for additional venues.*

11. *A new grouping for baskball was agreed to and will be implimented in 1995. The group will contain Open C, 10 C, 9 C, and 8 C. Schools with only one team in a particular age group will form a special group and play against each other.*

12. *It was agreed that for 1995 schools may nominate teams of 18 or 15 at all levels of football except First XVIII, which will be permitted to have 3 interchange players.*
    In B competitions it will be necessary to have at least 4 teams to form a competition.

13. *The combined ISSA cricket team was successful in its match against the VSCA at Melbourne Grammar School in December. This is the third victory in as many years.*

14. *The annual dinner at the Adelaide Oval in November was attended by a record number of 200.*

Participating Schools: 30

The Open Knockout Competition was strongly contested with St Peters winning our section. They went on to reach the final but were beaten by Grant High, who became South Australia's representative in the Australian final.

The Combined Team was fortunate enough to play its annual match on the Adelaide Oval again. SASSSA batted first and was dismissed with one ball to spare for a very competitive 225. All bowlers performed well with Adam Wozniak and Nick Cheary leading the way with 3 wickets apiece. A brilliant opening stand of 137 between Kieran Barrett (89) Tim Moss (35) followed by an exciting 58 not out from the captain, Ben Kemp, saw us cruise to 4/228 with 4 overs to spare.

The match against the VSCA at Melbourne Grammar in December saw us retain the Jack Woodruff Trophy with a first innings win,239 to 193. Our spinners, Tim Weatherald and Toby Porter bowled particularly well with Porter taking 4/33 from 27 overs. Good batting from Barrett (49), Joel Urban (64) and Nick Cheary (46) gave us a lead of 46. The Victorians batted very postively in their second innings and declared at 7/252 leaving us a chase of 214 from 49 overs.Ben Miller had been our best bowler with 4/51. Travis Hill (57) and Kemp 42 put us into a strong position at 2/102 but a collapse saw us tumble to 9/166 and we only narrowly avoided the outright loss. Cheary held the tail together with a cool 19 not out and was awarded the Man of the Match, a pair of batting gloves from Parkinsons, for his efforts.

Participating Schools: 22

Tennis continues to remain very popular with court limits restricting mos schools from entering more teams.

At the Primary level a sudden death tie breaker was introduced at duece t speed up matches. This was modified during the year to exclude Primary players.

The combined match played at the SA Hardcourt Tennis League at Goodwood c Friday 25th March was an enthralling contest. With each side having won matches and the deciding singles in progress the lights went out, the legac of a council by law. One match was 8 all and we led 8-7 in the other. Wit no chance of a return to lights it was agreed that the result should b declared a draw.

Thanks to Keith Koehne and Mirko Petkovic for their enthusiasm an organization in coaching and managing the team.

	Yr 10	*5*	*Number of Players 217*
	Yr 9	*8*	
	Yr 8	*6*	*Increase of 6.9%*

Number of Schools: 8

The sport continues to grow. The Adelaide Aquatic Centre, Rostrevor College and Pembroke School provide excellent facilities, which are appreciated by all players and officials.

New rules were introduced during the year and all schools received a copy.

Playing the matches on Friday afternoons has enabled the sport to expand without the opposition of other more traditional sports.

The continued support of the South Australian Water Polo Association with referees and coaching has been a great help.

FOOTBALL

Number of Teams:	Open	32	
	Year 10	19	Number of Players 2400
	Year 9	30	
	Year 8	20	
	Prep.	22	
	Grade 5	9	

Number of Schools: 26

The number of teams increased by three during the season but there was a slight drop in playing numbers as more teams opted to play 15 per side rather than 18. Next year there will be an option to play 15 per side at all levels except the First XVIII.

The open football was dominated by Rostrevor and Sacred Heart but St Michaels and Prince Alfred had good years and Blackfriars was the best of the smaller schools.

Rostrevor and Sacred Heart won their way through to the final of the Hungry Jack Knockout with Rostrevor successful again in an excellent contest.

The annual match against the Combined Secondary Schools was played as a curtain raiser to the SA v WA state of origin match. We won convincingly by 33 points after trailing by a point at half time. This was our best performance for several years. A match report follows.

COMBINED FOOTBALL REPORT 1994

The annual match against the Combined Secondary Schools was played as a Curtain Raiser to the State Match against Western Australia at Football Park on June 21st. The match began at 5.35 pm.

Peter Curren from St Michaels was appointed coach, and,after three training sessions at St Peters College, a final 25 was named. Of these 25 three were omitted on the night,leaving 22 players involved in the match.

Our opponents won the toss and kicked with a slight breeze. We had most of the play but missed several relatively easy shots for goal and trailed by two goals at quarter time.

The second quarter saw us settle down well, and with the on ball players having a strong influence, we went in at half time trailing by a solitary point.

Continued strong play from the midfield and resolute defence enabled us to restrict them to two goals while we piled on five without a miss. Our key forward, Ben Holland, was making his presence felt with his leading and marking. At the final break we held a fourteen point margin.

Nothing was going to stop the onslaught in the last 25 minutes as wave after wave of running players swept the ball forward. Thirteen scoring shots to four was a clear indication of the pattern of play as the team played with a passion not often seen. On the final siren a victory by 33 points was a fitting reward.

The brilliant forward, Ben Holland, with six goals, was awarded the Peter Carey Medal from the great man: and a popular choice it was too.

It was a great team effort and all players made valuable contibutions during the course of the match. However it was our on ball power that was the key factor and Ben Kemp, Brad Matthews, Jarrad Crouch, Kieran Barrett and Peter Pederson clearly outplayed their opponents. They used the ball so well and eventually ran their opponents off their legs.

A special mention must be given to our two leaders. Ben Wilson was a vital cog at centre half forward. He marked strongly, contested fiercely and held the ball in the area with great tackling. His deputy, Wayne Ellul,was pitted against the big, league ruckman, Simon Cox, and did a wonderful job in nullifying his effectiveness. By the end Wayne had won the battle and done the task asked of him.

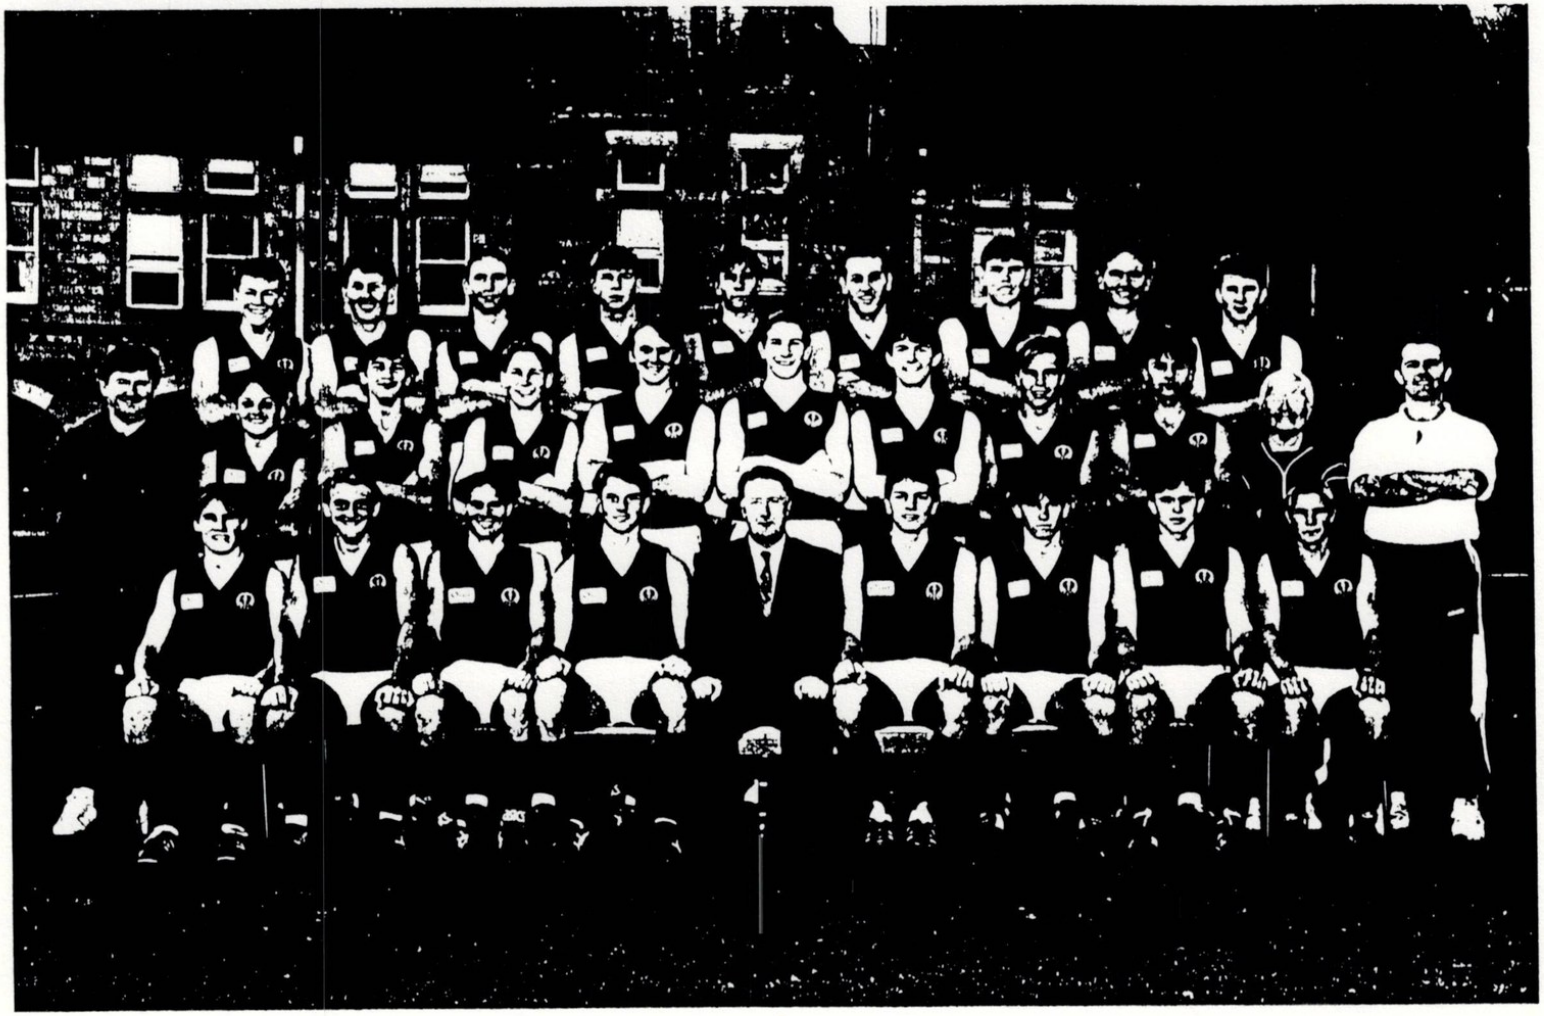

Peter Curren displayed great coaching skills,and a love for the game that was transmitted so well to his young charges. None who played in the game will forget the moment.

Scores:	**ISSA**	**1-3**	**5-6**	**10-6**	**16-13**	**109**
	CSS	**3-3**	**5-7**	**7-10**	**11-10**	**76**

Best: Holland, Kemp, Matthews, Crouch, Barrett, Pederson, Ellul, Wilson.

Goals: Holland 6, Muenchow 2, Barrett 2, Weatherald 2.
Wilson, Zappia, Pederson, Crouch each 1.

There was a slight increase in numbers, mainly at the Primary and Open levels. The support of Federation Association referees has helped maintain the high standard at the Open level.

Problems still exist with some local clubs, who persist in pressuring students to play for the club in preference to their school. Negotiations have continued with the SA Soccer Federation to overcome this area of concern. All schools have the right to insist that their players represent the school as a priority.

The Combined match was played at the John Hart Reserve in June, and,after being 2-1 down at half time, we scored 3 second half goals without reply to win 4-2. An excellent contest in every way. Special thanks to Jim Muir, Michael Horvat and Alex Rogers for their splendid contribution. The manager's report folows.

ISSA COMBINED SOCCER TEAM VS COMBINED STATE SECONDARY TEAM
PORT ADELAIDE-LION GROUND, JOHN HART RESERVE, CATHERINE STREET, ETHEL
WEDNESDAY 15TH JUNE 7.30PM

MATCH REPORT: MICHAEL HORVAT (ISSA TEAM MANAGER)

Steve Ingham (Gleeson College) captained the team and the game was played at electrifying pace with hard tackling and excellent passing for the entire match.

Steven de Giovanniello (Mercedes College), Michael Pirone (St. Paul's College) and Lachlan Campbell (Gleeson College) were outstanding and their valuable contributions created many exciting plays and goals to match.

State High Schools came out with heavy tackling on de Giovanniello and incurred a yellow card for a lat challenge on Damian Babij (St. Ignatius College). A Campbell cross saw Tim Harry's (St. Peter's Colle header on goal a good chance but it just cleared the crossbar. A Babij pass to Pirone saw a great shot th went close and a second rebound was saved by the State keeper. The ball continued to be played the length of the soccer pitch with numerous counter atttacks by both sides. Domenic Musci & Nick Barbat (St. Michael's College) were playing extremely well with Domenic making attacking moves in midfield a Nick holding the defence solid at the back. Anthony Kennedy (Blackfriars Priory School) did an excelle marking job to deny their forward any clear chances on goal and Ross MacInnes (Christian Brother's College) continued to pressure the opposition defence.

We scored first with an attack on goal by Lachlan Campbell taking on the defence and his shot was unable to be saved by the State Schools keeper. A State forward took on our defence and his shot went cl There was an error by Ingham as he slipped after a pass back and the opposition picked up the easy ball slot in the equalizer. The State Schools took a corner and the header was saved brilliantly by our keeper Nathan Wildy (Pembroke). Another cross by the State Schools saw the ball headed over to an attacker and his shot hit the back of the net to leave us one goal down.

HALF-TIME SCORE: ISSA 1 STATE HIGH SCHOOLS 2

Our team started well in the second half and the players supported and encouraged each other on the fie despite being down a goal. Musci delivered a good cross over their keeper leaving Pirone to knock the ba into the net in the 11th minute. The boys were confident now and played accordingly. The replacement keeper, Robert Bajic (Blackfriars) kept the team in the game by deflecting two almost certain goals away from our net. Ingham made amends with a strong second half by good running and precise passes. Chris Bagnara (St. Michael's College) who had replaced MacInnes at half time held his own and then Campbe broke loose on the right and knocked the ball over the keeper into the top of the net . Now 3 - 2, Owen W (Scotch College) and David McCouaig (Immanuel College) replaced Musci and Harry in the midfield. T Bagnara passed to Campbell who put a through ball to Pirone and he made no mistake with a good shot into the net.

FULL-TIME SCORE: ISSA 4 STATE HIGH SCHOOLS 2

GOAL-SCORERS: LACHLAN CAMPBELL 2 MICHAEL PIRONE 2

BEST ON GROUND: STEVEN de GIOVANNIELLO (MERCEDES COLLEGE)

It was an inspirational victory after a five year drought and congratulations to Jim Muir, Rev. Alex Roge and all the players who so competently represented their schools with excellent sportsmanship and a fine display of skill.

	Yr 10	48	Number of Players 1701
	Yr 9	56	
	Yr 8	54	Decrease of 1.2%
	Prim	27	

Number of Schools: 24

Basketball maintained its very high profile with a marginal drop of 1.2%, due mainly to less primary participation. These teams have opted to play in mid week district competitions. The matter is being addressed at the moment and a decision will be made in 1995 whether to play our Primary competition mid week or on Saturdays. Most Primary Schools are in favour of mid week matches if suitable facilities are available.

An additional grouping was proposed during the year and will be implimented in 1995. It contains Open C, 10 C, 9 C and 8 C. All schools were urged to look for additional indoor facilities so that as many matches as possible could be played under cover.

The possibility of basketball being played as a summer sport was investigated but rejected.

The combined team performed admirably in its annual match,winning by 11 points. A report from the coach, Steve Sparrow, follows.

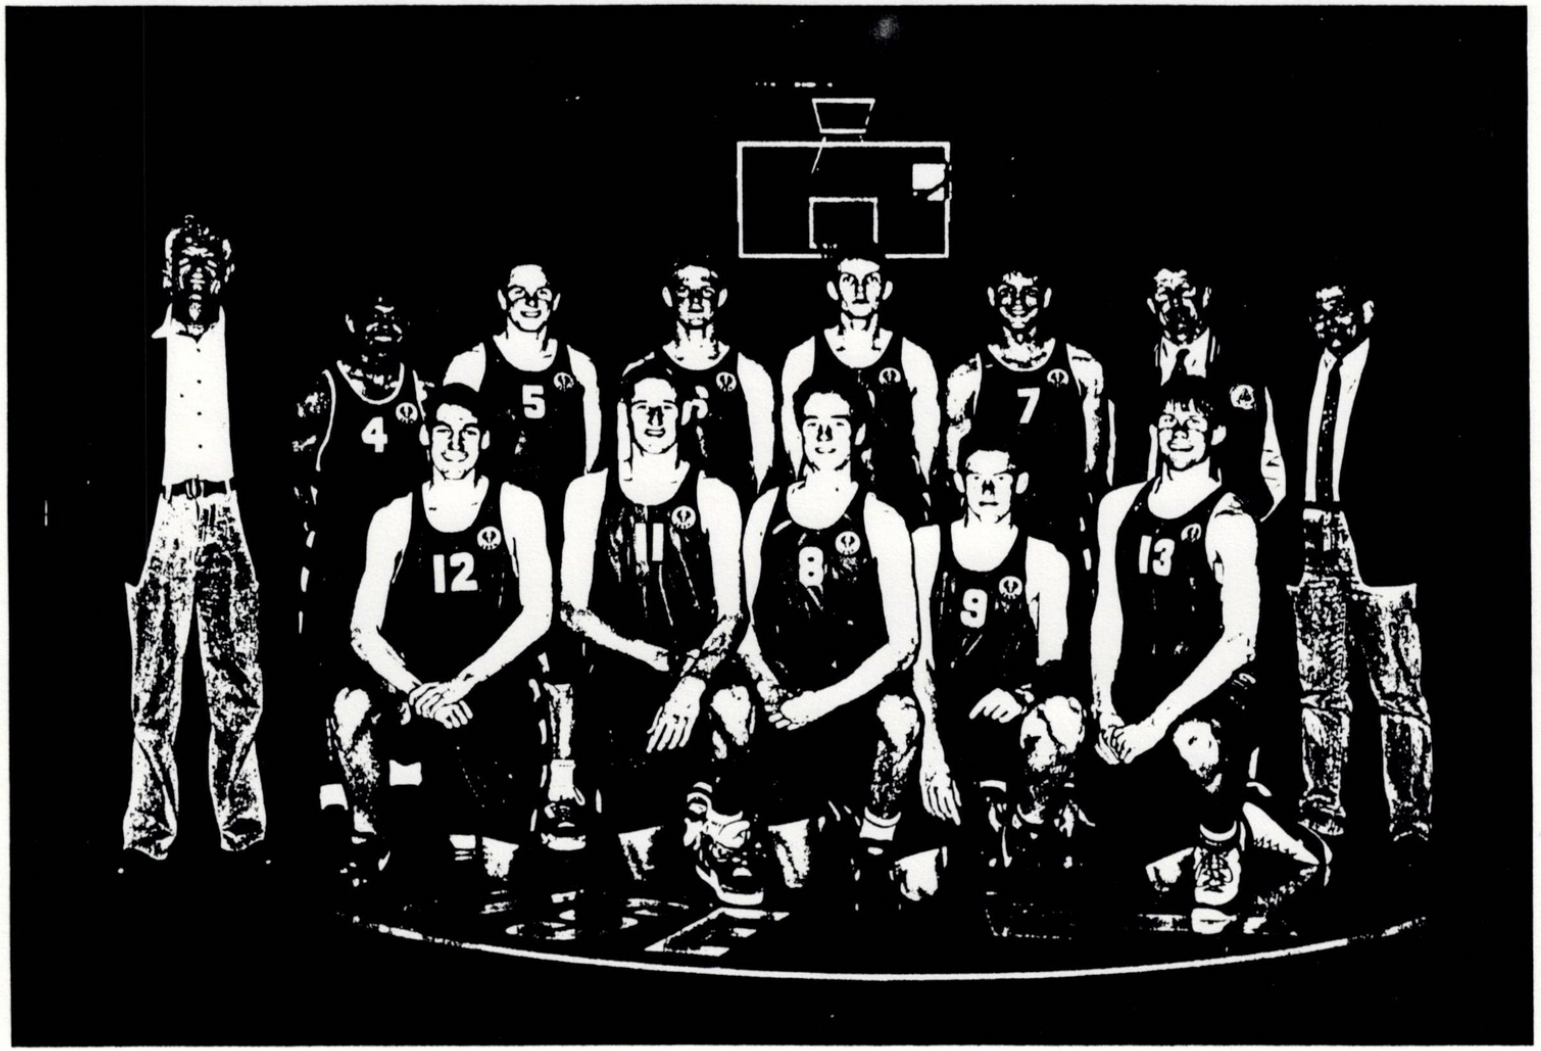

Both teams began a little nervously and in the first half our shooting percentage from the perimeter was very poor. Fortunately we were able to show our strength near the basket and Perro Vasiljevic worked tirelessly to score 20 points to keep us in the game. Strong defensive work from Sam Neylon and Glen Kipling restricted the State Schools so that at half time we were level at 32 all. By the second half the players became more relaxed and started using their offensive skills more freely. We established a winning lead with the final scores 81 to 70.

Considering the minimal training,the team worked well together and I was impressed by their nature and sportsmanlike behaviour.

I would like to thank Wayne Hoffman and John Cadd for their valuable assistance, both with selection of the team and on the game night itself.

GOLF

Many of the schools entered golf teams in the summer twilight competition held during term 1 at various courses around Adelaide. The final was held at the Royal Adelaide Golf Club, a great thrill for the young players.

The Grange Golf Club hosted the schools teams championship and, again, many of our schools entered teams of three. Immanuel College was the winner and represented SA in the Australian play offs. Nigel Spence, Anthony Hill and Nathan Hill made up the team.

Nigel Spence and Jordan Ormsby (PGS) were selected in the State Junior Team to play in Perth over Easter. Nigel went on to represent Australia in its annual match with the New Zealanders.

HOCKEY

Number of Teams:	Open	15	
	Yr 10	6	Number of Players 517
	Yr 9	8	
	Yr 8	7	Increase of 11.9%
	Primary	11	

Number of Schools: 16

In general there was continued enthusiasm and the quality of play was high. There was a pleasing increase in numbers with five extra teams competing this year.

We were able to continue with the use of the synthetic surfaces at Prince Alfred College, Port Adelaide, Woodville and University. This year we also obtained the use of the new facility at Golden Grove. All matches except year 8 were able to be played on synthetic surfaces.

The year 8 competition was again held at St Peters College, Farr Oval, as a regular venue. We are,indeed,grateful to St Peters for allowing us the use of their excellent facilities.

The Primary competition continued as a joint venture with the Adelaide Hockey Club and the Burnside Hockey Club. This enabled eleven teams to play at Adelaide and Burnside grounds on alternate Saturdays. A special thanks must go to the officials from our host clubs for their excellent organization and to the co-ordinators from each school.

TABLE TENNIS

Number of Teams:	Open	22	
	Yr 9	18	Number of Players 312
	Yr 8	20	
	Prep.	18	Decrease of 11.3%

Number of Schools: 12

The format of playing under age fixtures on Friday afternoons and Open fixtures on Friday evenings during terms 2 and 3 was continued.

There was a significant decrease in participation at the Open level, with eight less teams this year. The under age groups maintained their numbers.

VOLLEYBALL

Number of Teams:	Open	16	
	Yr 10	9	Number of Players 150

Number of Schools: 9 Increase by 19.0%

Blackfriars and Scotch again provided the venues for this developing sport. Numbers increased with an extra four teams nominating.

Many schools play volleyball as part of their winter sport in the SASSSA competition. If this competition does not continue there is scope to run an ISSA winter competition.

BADMINTON

Number of Teams: 22 Number of Players 176

Number of Schools 11 Decrease of 6.4%

The new format of playing matches on a home and away basis proved very popular. The quality of competition, particularly in the A division, was very high. Blocking teams together at the same venue whenever possible made it easier for supervision.

CROSS COUNTRY

Number of schools 14 Number of competitors 140

Increase of 7.7%

Fourteen schools entered this season. Eight different courses were used and there were two separate division, seniors (years 11 and 12) and juniors (year 10 and below).

There was good competition and fields averaged around 70. Fixtures are programmed for Wednesday afternoons.

In 1995 it is proposed to include a Primary section so there will be three divisions. The sport is becoming increasingly popular with both boys and girls.

ATHLETICS

Number of Teams:	Open	15	Number of Competitors 900
	U/17	15	
	U/16	15	
	U/15	15	
	U/14	15	

The athletics season was blessed with much better weather conditions this year and most schools were well prepared. Mini meets were held at PGS, CBC, RC and PEM over two Saturdays.

The Achilles Cup day was held under ideal conditions with all events being completed on time and some excellent results recorded. For the first time all events carried points. Previously the hammer throw had not been contested for points. It proved a popular event.

No less than 6 records were broken on the day.

All schools are to be congratulated on their organization and spirited competition. The day ran smoothly and officials seemed well prepared. To assist in the running of the carnival, we employed some physical education students from the University of SA. Their expertise helped in the running of the field events.

St Peters and Scotch were the respective winners of Group A and Group B schools.

The pennants again proved to be very popular and were shared amongst eight schools as winners of a particular age group.

A special thanks to St Pauls College for hosting the event and to Mr. Peter Shanahan for presenting the trophies.

We were very pleased to have Foundation SA involved with their "Play Safe Sport" programme. A tent displaying all their products and information was available throughout the day. We are most grateful to Foundation SA for their generous sponsorship throughout the year and for this carnival in particular.

The Achilles Cup meeting will again be held at the end of term 3 in 1995, the date being Thursday 21st September.

A summary of points in each division follows.
