EXECUTIVE REPORT

There were four Executive meetings held during 1995.

The following is a summary of decisions taken during the year.

1. *The Annual Report for 1994 was accepted and the budget for 1995 approved. The per capita rate was set at $6.00, the same rate as 1993.*

2. *New members welcomed to the Association were Br. Pat Cronin (CBC), and Br. John Pill (STMC).*

3. *Suitable arrangements were made with the IGSSA schools over the use of the Olympic Sports Field for our Athletics Carnivals at the end of term 3. It was agreed that the Achilles Cup be held on the last Thursday of term and the girls' carnival on the last Wednesday.*

4. *An application to transfer Primary tennis (A and B only) to Friday afternoons was accepted. This programme to be reviewed at the end of term 1 1996.*

5. *A sub committee was appointed to establish guidelines to outside organizations relating to the release of students from classes to attend elite training sessions. Dr. Webber, Br. McGlaughlin (Catholic Education) and Mr Terry Wolley (DECS) presented a draft paper. It is anticipated that this will be finalized early in 1996.*

6. *The Combined Swimming Final in 1996 will be held at the Adelaide Aquatic Centre with all schools participating; the top eight in the Division 1 final and the remaining schools in the Division 2 final. A new cup to be purchased for the Division 2 winners.*

7. *A letter of concern was sent to the SANFL over the lack of umpires supplied at First XVIII level. As a consequence training courses have been established to ensure that young umpires will be available for matches in 1996.*

8. *An all day seminar for sportsmasters was approved with a budget of $1000.00. Over 30 attended this seminar on November 3rd. Recommendations are to be formalized and presented in 1996.*

9.. *Mr. Peter Taylor, who had represented the Sportsmasters as their Chairman for the past nine years, retired in November. The Executive thanked Mr Taylor for his outstanding contribution to ISSA over that period of time.*

10. *A committee of Dr. Webber, Mr. McCabe and Br. Cronin conducted a review of the Executive Officer's performance in December.*

MANAGEMENT REPORT

The management committee met on four occasions during the year.

The following is a summary of the decisions and highlights of the year.

1. *Mr. Peter Taylor (RC) elected unapposed as Chairman.*

2. *Mr. Bern Basedow elected unopposed as honorary auditor.*

3. *Combined coaches appointed.*

   Cricket - Mr. I. Hume (SPSC)
   Tennis - Mr. A. Reed (PAC)
   Football - Mr. T. Hart (RC)
   Soccer - Mr. M. Degenhart (IC)
   Basketball - Mr. W. Hoffman (STMC)

4. *Include a year 8/9 grouping in both volleyball and badminton to cater for the increase in numbers at the junior level in these sports.*

5. *Because most year 8 students now turn 14 during the year it was agreed that the age groups for the swimming carnivals be changed for 1996 with the U/13 being replaced by an U/17 group.*

6. *A proposal to change our title from Sportsmaster to Sports Co ordinator was defeated. The matter is to be debated by the Executive.*

7. *It was agreed to programme the Open hockey at 9.45 am rather than 8.30 am in 1996 as many of the players were involved in club games on Friday evenings.*

8. *A seminar of Sportsmasters was held at the Old Lion Hotel in November. Many recommendations were made and these will be presented to the Executive in 1996.*

9. *The Annual Dinner was held at the Old Lion Hotel in November, following the Seminar. Over 200 attended and a most enjoyable evening was had by all. The retiring Chairman, Mr Peter Taylor, was presented with a suitable gift and responded with an excellent speech. Mr. Taylor had been Chairman for nine years and had made an outstanding contribution to ISSA.*

10. *The Combined Cricket Team defeated the Victorian Schools on the last ball of the innings in our annual match held at St Peters College. The VSCA declared at 7/366 after 100 overs and ISSA managed 9/368 with a four being hit off the last ball. This was our third consecutive victory over the Victorians.*

The Open Knockout Competition was strongly contested with Rostrevor winning our section. They went on to win the final at Adelaide Oval and then the Australian final at Launceston in December. It was their fourth attempt, having been beaten finalists twice before . Our congratulations on an excellent performance; the first victory by an ISSA team at this level. A presentation of the Gillette Cup was made to the players during the third test at Adelaide Oval in January.

The Combined Team played its annual match on the Adelaide Oval again. ISSA batted first and finished with 9/219 from its 55 overs. Nathan Adcock with 75 and Stuart Stratfold with 57 were the main contributors. Defending this total we managed to restrict the SASSSA team to 7/194. Stratfold with 3/46 and Marc Demasi with 2/26 were the best of the bowlers. Toby Porter bowled splendidly as well with only 17 runs coming from his 11 overs.

The match against the VSCA at St Peters College in December saw us retain the Jack Woodruff Trophy with a first innings win, 9/368 to 7/366. Victory was obtained when Marc Demasi hit a boundary off the last ball of our 100 overs. A most exciting match was played in excellent spirit. Chris Taarnby led the way with 111, Nathan Adcock made a spectacular 60 and Demasi chimed in with a hard hitting 79 at the end. He also was our best bowler with 3/81 from 26 overs and was the worthy winner of the Man of the Match, a pair of batting gloves kindly donated by Sam Parkinson. Our appreciation goes to St Peters College for providing us with its outstanding facilities for the three days and for the use of its practice wickets during the year.

The SACA has introduced a limit on the number of overs its young fast bowlers may deliver before being rested at the U/16 level ,as an experiment to monitor the problems experienced with back complaints. We shall look with interest at these results with the possibility of introducing similar restrictions in the 1996/97 season.

Tennis continues to remain very popular with court limits restricting most schools from entering more teams.

At the Primary level matches were played on Friday afternoons in term 4 for the A and B teams as an experiment. The advantage of having many more courts available at this time ensured that more students were given an opportunity to regularly represent their school. The format will be reviewed at the end of term 1 1996.

The combined match played at the SA Hardcourt Tennis League at Goodwood on Friday 24th March was an enthralling contest. Our dominance in the doubles, where we won all three matches,was crucial as we lost the top four singles but had too much depth and won the bottom five to win nine matches to four. Andrew Reed coached the side extremely well in his first year. He was ably assisted by Bruce Gray.

There was a marginal increase in players with the number of teams the same. A drop of 11 teams at year 9 level was alarming but this was offset by increases at the primary, year 8 and year 10 levels.

The open football was dominated by Rostrevor and Sacred Heart again . Blackfriars, Immanuel and Scotch were the best of the smaller schools.

Rostrevor and Sacred Heart won their way through to the final of the Hungry Jack Knockout with Rostrevor successful again in an excellent contest.

The annual match against the Combined Secondary Schools was played at Norwood Oval this year, a suitable date not being available at Football Park. We continued our good form from the previous year with another convincing victory. A match report follows.

COMBINED FOOTBALL REPORT 1995

The annual match against the Combined Secondary Schools was played at Norwood Oval on Wednesday 7th June at 7.00 pm. The timing of the match, a fortnight earlier than in 1994, was an inconvenience to our Association with our season only five weeks old. The venue also was a disappointment, given that previous matches had been scheduled at Football Park as curtain raisers to high profile matches. The excuse that a suitable date could not be found at Football Park slaps of sloppy planning and administration if this match is of such importance in the eyes of the League.

Tim Hart from Rostrevor College was appointed coach, and,after two training sessions at St Peters College, a final 25 was named. Of these 25, three were unable to be considered because of injury, leaving the remaining 22 to represent us on the night. Ten different schools were represented.

After an even first fifteen minutes we slowly established our superiority to be 14 points clear at the long break. Our defence had been rock solid, we were clearly winning in the ruck and across centre, Demasi was effective across half forward and Evans was a focal point at full forward. In the third quarter we sewed up he game up with three goals without reply. A stronger finish from the High Schools saw them kick five goals but we still managed four to run out winners by 29 points. Final scores were 12-10 (82) to 8-5 (53).

The captain, Jared Crouch, led from the front with a classy display of roving. He was rewarded for his efforts with the Peter Carey Medal, presented by the great man himself. Close on his heals was Nathan Seal with a dominating game in the centre. Tim Davis led a most effective defence of Tom Carr, Simon Sharkey, Nick Laidlaw, Tom Harley and Matthew Walton. Garth Gauvin was the the best big man on the night with a very strong game in ruck. Danny Buberis showed pace and class on his wing. Mark Demasi,with three goals,was a dangerous half forward and Paul Evans was good value at full forward with four goals. All 22 players made significant contributions during the game and all can be justly proud of their efforts.

Coach, Tim Hart, again displayed the skills necessary to be such an effective coach at this level. The value of his contribution cannot be everlooked.

SCORE BOARD	ISSA	4-3	5-4	8-8	12-10	(82)
	SASSSA	3-0	3-2	3-5	8-5	(53)

GOALS Evans 4, Demasi 3, Seal 2, McColloch 1, Matthews 1, Urban 1.

BEST J. Crouch, Seal, Davis, Demasi, Buberis, Gauvin.

There was a increase of over 100 mainly at the year 8, 9, 10 year levels. Support of Federation Association referees has helped maintain the high standard at the Open level.

The Combined match was played at the Hindmarsh Stadium on May 24th as a curtain raiser to an international fixture. It was very pleasing to return to this superb venue again. Unfortunately we could not match the High Schools on the field and were beaten 4 goals to 1. Many thanks to Mike Degenhart for coaching the side and to Alex Rogers, Gary Davison and Matthew Simpson for their support.

The sport continues to grow. The Adelaide Aquatic Centre, Rostrevor College and Pembroke School provide excellent facilities, which are appreciated by all players and officials.

Playing the matches on Friday afternoons has enabled the sport to expand without the opposition of other more traditional sports.

The continued support of the South Australian Water Polo Association with referees and coaching has been a great help.

The Round Robin Tournament at the end of term 1 was a great success again. In the Open final Blackfriars defeated St Peters 4 goals to 3.

Basketball maintained its very high profile with a marginal increase of 2.7% mainly due to the introduction of an extra Group C competition during the year. Most schools are now providing two indoor venues with the hire of High School facilities to supplement their own. There are still many matches being played on outdoor courts to facilitate the numbers wishing to compete.

The combined team performed admirably in its annual match, winning by 12 points after trailing by 4 points at half time. The final scores were ISSA 98 defeated SASSSA 87. We were again fortunate to have the use of the Powerhouse Stadium as a pre curtian raiser to an Adelaide game.

GOLF

Many of the schools entered golf teams in the summer twilight competition held during term 1 at various courses around Adelaide. The final was held at the Royal Adelaide Golf Club, a great thrill for the young players.

The Grange Golf Club hosted the schools teams championship and, again, many of our schools entered teams of three. Immanuel College was the winner and represented SA in the Australian play offs. Nigel Spence, Anthony Hill and Nathan Hill made up the team.

Nigel Spence, Jordan and Wade Ormsby (PGS), Robert Hammer (SPSC) and Luke Altschwager (SAL) were selected in the State Junior Team to play in Adelaide over Easter. Nigel went on to win the Australian Junior Championship and to represent Australia in the annual match against New Zealand. An outstanding achievement!

In general there was continued enthusiasm and the quality of play was high. There was a slight decrease in numbers with four less teams than in 1994.

We were able to continue with the use of the synthetic surfaces at Prince Alfred College, Port Adelaide, Woodville, University and Golden Grove. We also obtained the use of the new facility at Pulteney Grammar School so that all teams were able to play on synthetic surfaces.

We were also able to work in with the IGSSA competition and the girls were able to share some of these facilities .

The Primary competition continued as a joint venture with the Adelaide Hockey Club and the Burnside Hockey Club. This enabled ten teams to play at Adelaide and Burnside grounds on alternate Saturdays. A special thanks must go to the officials from our host clubs for their excellent organization and to the co-ordinators from each school.

TABLE TENNIS

Number of Schools:	13			

The format of playing under age fixtures on Friday afternoons and Open fixtures on Friday evenings during terms 2 and 3 was continued.

There was a small decrease with four less teams participating but an extra school entered. The competition is played at a very high standard, particularly between the top schools.

VOLLEYBALL

Number of Teams:	Open	14	Number of Players	184
	Yr 10	9		
Number of Schools	8		Decrease of	4.2%

Blackfriars and Scotch continued to provide the venues and the Volleyball Association made referees available whenever possible.

There is a possibility of establishing a central venue in the south west to cater for those schools in that area.

Many of our schools continue to support the SASSSA run competition in the winter terms.

BADMINTON

Number of Teams:	24		Number of Players	192
Number of Schools	11		Increase of	9.1%

The competition continues to flourish with the home and away format proving popular.

The quality of competition, particularly in the A division, was very high. Blocking teams together at the same venue whenever possible made it easier for supervision.

CROSS COUNTRY

Number of schools 12 Number of competitors 180

Twelve schools entered this season, a slight fall from 1994. Nine different courses were used and students were divided into three divisions of seniors (years 11 and 12),juniors (year 8 to 10) and primary (year 7 and below)

There was good competition and fields averaged around 70.

The introduction of a primary section proved popular and allowed the younger students to enjoy competition at their own level.

Thankyou to all schools who hosted events

ATHLETICS

Number of Teams:	Open	15

	U/14	15	

The athletics season was blessed with good weather for the most of September and all schools had very good preparations.

The Achilles Cup day was held under ideal conditions with all events being completed on time and some excellent results recorded.

Four records were broken on the day in Under 14 400m and javelin, Under 15 1500m and Under 17 discus.

All schools are to be congratulated on their organization and spirited competition. The day ran smoothly and officials seemed well prepared.

St Peters and Westminster were the respective winners of Group A and Group B schools.

The pennants again proved to be very popular and were shared amongst eight schools as winners of a particular age group.

The Mini- Meets were held on two Saturdays and a twilight relay meeting at Pembroke on a Friday. This new format proved very popular.

A special thanks to St Peters College for hosting the event and to Mr. Richard Burchnall for presenting the trophies.

We are very grateful to our sponsor, Foundation SA, for their continued support. Banners depicting the "Play Safe Sport" logo were displayed around the ground.

The Achilles Cup meeting will again be held at the end of term 3 in 1996, the date being Thursday 26th September.

A summary of points in each division follows.
