EXECUTIVE REPORT

The Executive met on four occasions during the year. The following is a summary of the decisions taken.

1. The Annual Report for 1995 was accepted and the per capita rate of $6.00 set for 1996. This rate has remained unchanged for three years.

2. Mr. Steve Clohesy was welcomed as the new Chairman of the Management Committee, replacing the retiring Mr. Taylor..

3. A new budget was submitted to reflect a 5% increase in salaries and the purchase of a new computer.and fax. A $7000.00 deficit was anticipated..

4. The Executive Officer was asked to investigate a different method of assessing fringe benefit tax for the ISSA vehicle It is anticipated that the new method will prove more economical.

5. Ms. Castine explained that Marryatville High School was setting up a specialist tennis course with 11 students enrolling. These students would be eligible for selection in the combined ISSA team.

6. Following requests from several schools, it was resolved that the term "Sportsmaster" be abandoned in favour of the non gender term of "Sports Coordinator" in all of ISSA's dealings with member schools.

7. In May Dr. Webber retired after a two year term as Chairperson. Br. Patrick Cronin was elected for the ensuing two years.I.

8. A football umpires panel was established and ISSA umpires' uniforms purchased. Mr. John Kitto was appointed as director of coaching of this panel with an honorarium of $500.00.

9.The first combined swimming carnival was held at the Aquatic Centre in March.There were several problems involved with the carnival . These will be addressed in 1997. It was agreed that any future finals should not be held during school hours.

10. An agreement relating to the release of school students for sports training was reached during the year. The three sectors of education, the Independent Schools Board, the Catholic Education Office and the High Schools, through their representatives, signed the document in November. Meetings with the Minister for Sport, Mr. Ingerson, and representatives of the South Australian Institute of Sport were held , seeking their imput. This agreement concludes the initiative begun by Dr. Webber in 1995.A copy is enclosed.

11. Our annual agreement with Living Health, formally Foundation SA, was signed and the $5000.00 contribution continued.

12. The Executive Officer's salary agreement was reviewed and changed to the Non Government Schools Award. The E O's next review will be in 1998.

13. Mr. Noel Volk and Mr. Peter Sanderson both retired from the Executive at the end of 1996. The Chairman thanked them for their excellent contributions to the Association over many years and wished them well in their retirement.

MEMORANDUM OF UNDERSTANDING BETWEEN THREE SECTORS OF EDUCATION IN SOUTH AUSTRALIA.

AGREED POSITION OF GUIDELINES FOR OUTSIDE ORGANISATIONS SEEKING RELEASE OF SECONDARY SCHOOL STUDENTS FOR SPORTS TRAINING

Traditionally sport is an important element of school programs; it is expected that students participate as fully as possible in their chosen sport if offered by the school.

It is recognised that for many students with talent in a special sport, development of skills within that sport could lead to a career opportunity. Occasionally there may be potential conflict between a program of training for a sport and the student's education and classwork at school. As in all pursuits, School Principals will be interested in supporting a balanced approach with appropriate priorities which address the best interest of the individual student. Hence, the Principals of schools reserve the right to be part of any negotiation for a program of training in a sport which might require the student to be absent from school.

General guidelines for student release are as follow:

- Approval is normally given for any student chosen to represent the State or Australia

- Approval would not be automatic for training or preparation for such representation, nor for involvement in elite squads if that required involvement during normal school time from 8.30 am to 3.45 pm.

- Principals of schools should be informed by the sporting organisation (at the same time as parents) of proposed requirements for students involved in elite development and/or training squads, and be given the range of alternatives offered to the student for participation in such squads.

- Each student would normally be required to run a complementary program of classwork and training for the specific sport, negotiated and agreed by the school, the student, and parents.

- In all areas of potential conflict, the Principal reserves the right to determine after negotiation an appropriate program in the best interests of the student

MANAGEMENT REPORT

The management Committee met on four occasions and held two seminars. The Primary committee met on two occasions. The following is a summary of the decisions taken during the year.

1. Mr. Steve Clohesy (SHC) was elected unopposed as Chairman to replace the retiring Mr. Taylor.

2. Mr. Bern Basedow was elected unopposed as honorary auditor.

3. All open football matches to be umpired under the two umpire system with an ISSA panel to be formed. Umpires to wear the ISSA uniform and to train regularly at Pulteney Grammar under the guidance of coach John Kitto.

4. A change of radio communications for cancellation of Saturday sport was made. Radio 5AD (FM) and 5DN (AM) are the new broadcasters.

5. The venue for the annual dinner and seminar was changed to St. Pauls Convention Centre on November 8th.

6. An agreement was reached with IGSSA over the use of hockey fields in 1997 with ISSA using Golden Grove, Woodville and University and IGSSA using Seacliff, the Pines and Port Adelaide.

7. A programme of training courses from SASI was distributed to all schools in the hope that some staff members may take advantage of the opportunities offered.

8. A half day seminar was held at Sacred Heart College to examine a proposal that junior secondary football be played in ability groups rather than year groups from years 8 to 10. The consensus was that we leave our present system in place.

9. A full day seminar was held in November with guest speakers from the Football League, the Soccer Federation, the Basketball Association and the SA Sports Institute. Br. Cronin also addressed the meeting on the new sports agreement between the Independent and High Schools.

Mr. Clohesy presented a paper setting the agenda for 1997 and the basis for further discussions.

CRICKET

Schools 31. Players 2700

Several modifications were made to playing conditions for afternoon matches to comply with recommendations made by the SACA. Included in these conditions were restrictions on the number of overs that fast bowlers could deliver during an afternoon and in particular spells.

The combined match was played at Adelaide Oval and we were again successful in a very tight game. ISSA batted first and amassed the moderate total of 162. Marc Demasi top scored with 59 with Wayne Richards next best with 28. The High School boys were traveling well at 2/121, but a dramatic collapse saw them lose 8 wickets for 32 and fall 9 runs short.All bowlers contributed with Michael Hodgson the best with 3/25. Jason Langdon took 3/32, Wayne Richards 2/17 and Marc Demasi 2/23 to complete a fine double. Coach, Ian Hume, showed his usual perception and acumen to achieve an unlikely result.

. The team journeyed to Melbourne for the annual three day game against the Victorian Schools at Melbourne Grammar School. In an exciting match, played on a two paced and sub standard pitch, we recorded our fourth successive victory.

SCORES ISSA 223 & 178 defeated VSCA 155 & 211 by 35 runs

Batting	1st Innings	Demasi 80, Woods 33, Williams 27 no., Adcock 22
.	2nd Innings	Adcock 58, Williams 56, Demasi 22
Bowling	1st Innings	Richards 5/17, McDonald 2/25, Demasi 2/34
	2nd Innings	Demasi 4/46, McDonald 3/37, Adcock 2/24

The captain, Marc Demasi, accepted the Jack Woodruff Trophy on behalf of ISSA and won the Man of the Match award, kindly donated by Sam Parkinson.

TENNIS

Schools 22 Players 1480

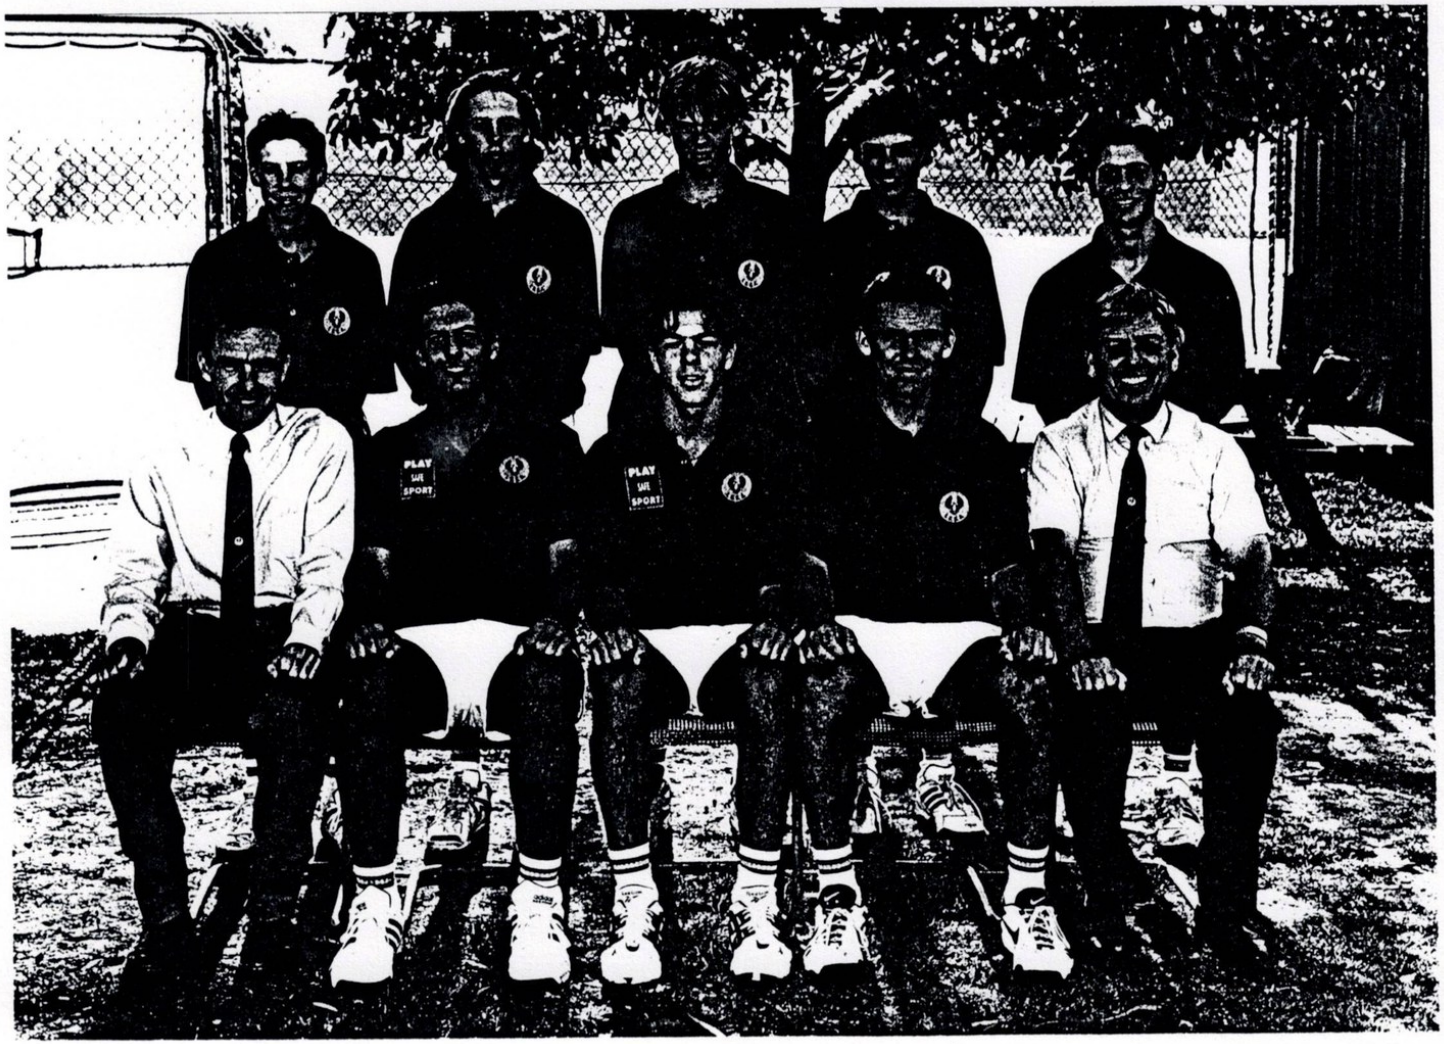

There was continuing growth and interest with more schools using off campus venues to supplement their own facilities.

The Friday evening Primary competition had several problems with not enough courts being available to ensure reasonable finish times at some schools. This was attended to and in term 4 there were minimal delays.

Christian Brothers were again successful in the premier drive competition with a repeat of 1995. Congratulations.

The annual competition against the combined High Schools proved a one sided affair with ISSA winning 11 matches to 1.Andrew Reed (PAC) as coach and Bruce Gray (PGS) as manager had a well prepared team that had too much talent. The High Schools were severely handicapped when students from Marryatville High, the new tennis specialist school, were nominated by their Principal to play in the ISSA team.Although only two made the ISSA team, most would have been selected in the High Schools' team. The matter will need to be addressed in 1997 and an agreement reached if these contests are to continue.

VOLLEYBALL

Schools 11 Players 190

With the increase of teams it was necessary to use an extra venue. St Peters helped out with some year 10 games whilst Blackfriars and Scotch were regular host for six matches each Friday afternoon.The quality of play at the top level is quite outstanding and this is enhanced by the cooperation we receive from the Volleyball Association in providing umpires.

BADMINTON

Schools 11 Players 220

The standard of play between the top schools in the A division is remarkably high.

With most schools being able to provide facilities, and with the blocking of teams at the same venues where ever possible, the competition has run smoothly

SWIMMING

Schools 16 Swimmers 480

The regular inter school meetings were again held at Rostrevor, Pembroke, Prince Alfred, St Peters and Scotch. We are most grateful to these schools for hosting these carnivals over many years.

A new format was tried for the finals with an evening being booked at the Adelaide Aquatic Centre and having the top 8 schools swim in the group A final and the remaining schools in the group B. There were several mix ups with the SA swimming officials and, in general, the evening did not run well. Many schools and their students left before the presentations causing some consternation.Immediate action was taken to ensure that future finals do not have these pitfalls.

FINAL RESULTS

In the group A final Rostrevor was the winner from Pembroke and Prince Alfred.

In group B Westminster was awarded the cup after Sacred Heart was disqualified for irregularities in its team. Second was Immanuel with Marryatville third..

Mr R.L. Burchnall, the Headmaster of St Peters College, kindly presented the two trophies.

WATER POLO

Schools 9 Players 280

A strong competition has continued with the use of the Adelaide Aquatic Centre, Pembroke and Rostrevor. With the increase in numbers it has been difficult to fit all teams in at Adelaide and some year 10 fixtures had to be held at Rostrevor.

The Aquatic Centre, through the Adelaide City Council has increased the rental on pool hire markedly from $66.00 to $91.50 per hour. This still represents a 50% discount on the adult rate. In 1997 it is expected that schools will pay the full rate of $183.00 per hour.

In the round robin tournament held at the end of the season Blackfriars defeated Pembroke on goal average after both teams had scored three goals each in the final. In the year 10 competition St Peters defeated Blackfriars 6-1 in the final.

GOLF

Many of the schools entered golf teams in the summer twilight competition held during term 1 at various courses around Adelaide. The final was held at the Royal Adelaide Golf Club, a great thrill for the young players.

The Grange Golf Club hosted the schools ' teams championship .Sacred Heart College was successful and represented South Australia at the finals in Melbourne.

Several ISSA boys represented South Australia during the year. These included Nigel Spence (IC), Wade Ormsby (PGS), James Brown (SHC), Paul Spargo (SC), Martin Perelman (SC) and Nathan Kent (CARD).

FOOTBALL REPORT

Schools 26 Players 2600

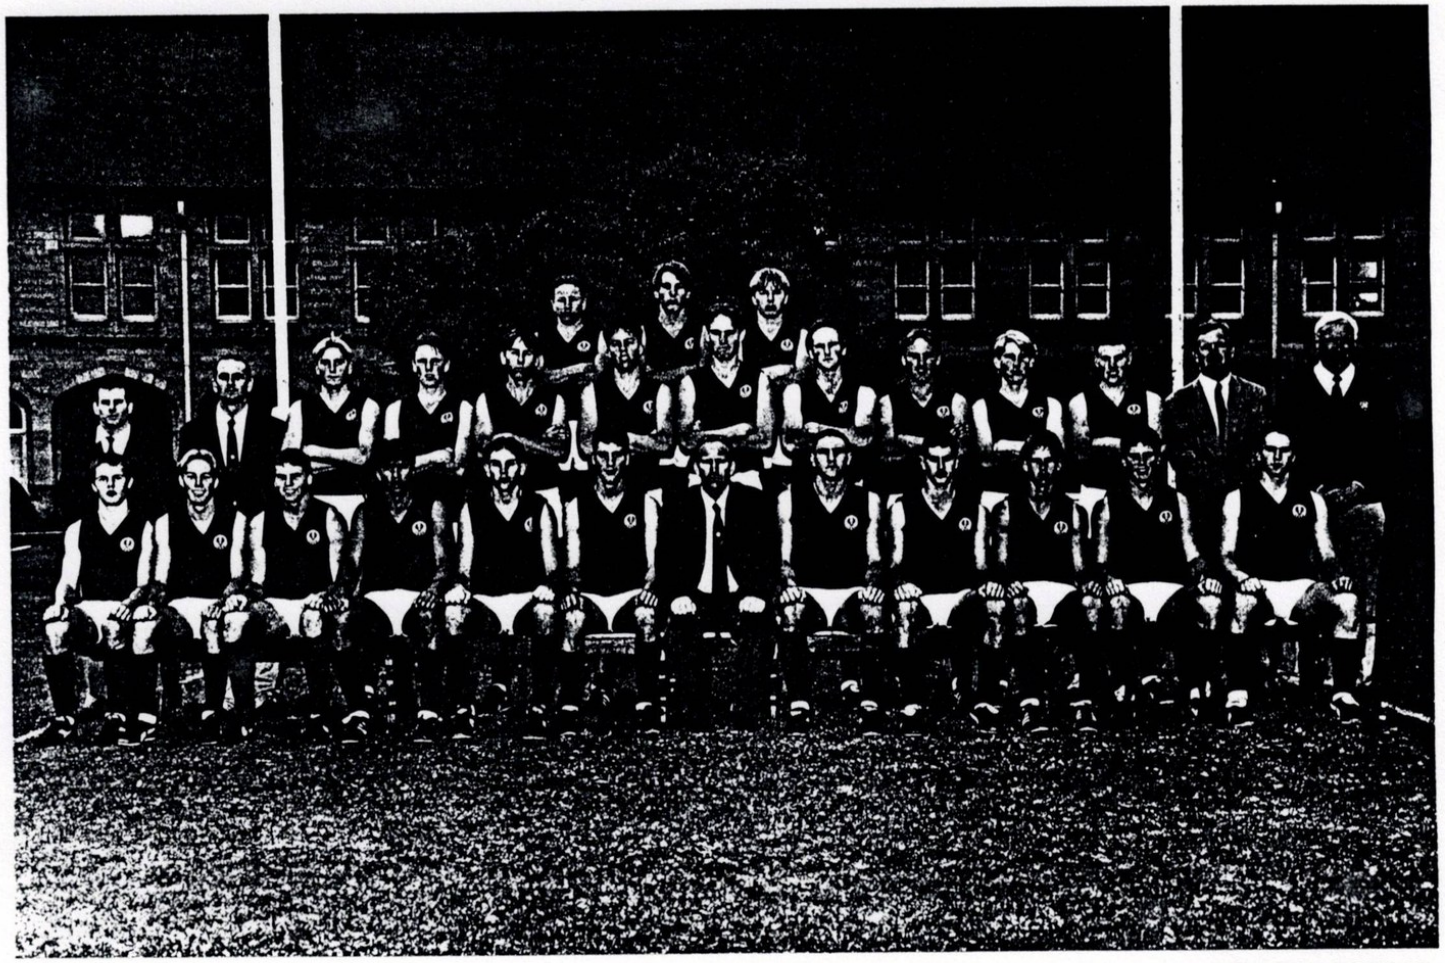

The most significant change made during the season was the introduction of an independent umpires panel at open level.With the SANFL unable to supply any umpires, it was decided to set up our own panel and appoint a coach, Mr. John Kitto. Schools nominated suitable umpires from within their communities and we advertised in the local press as well. A panel of over 40 was formed.Qualified SANFL level umpires were paid $60.00 per game and others $45.00. Most games had two umpires. Although the extra cost caused some problems with budgets, it was generally agreed that the new system was far superior to the old and should continue in 1997 with some modifications in payments for First XVIII and other games. Schools bore the cost of the new umpires' uniforms but in future this will be the responsibility of individual umpires.

There were three outstanding schools in the senior competition, Sacred Heart, Rostrevor and Immanuel College, whilst of the smaller schools, Blackfriars made significant improvement with wins over both PAC and SPSC. Immanuel won an exciting knockout semi final over Sacred Heart at Richmond Oval and then accounted for Rostrevor, the defending champions, by 45 points in the Grand Final. at Football Park.

The combined match against the High Schools was played as a curtain raiser to the Interstate match on June 3rd. Anthony Coles (BPS) was coaching his first combined team, Three practices were held at St Peters before the final 25 were chosen. The match was very even for the first three quarters and we felt that we had a real chance of winning. However the High School players showed great spirit in the last term to out run us and win by seven goals.

Final scores were SASSSA. 18-10 ISSA 11-10

SOCCER

Schools 27 Players 1780

At the junior level soccer is developing very well with very few problems. When students reach our open level there is a growing conflict with local clubs over loyalties and commitment to Saturday matches. Continuing discussions with the Soccer Federation will, hopefully, alleviate some of the pressure placed on our more talented players. There are suggestions that we may play our open fixtures on Wednesday afternoons in the not too distant future.

Rostrevor won the ISSA section of the open knockout competition and went on to win the final, defeating Norwood /Morialtia by 5 goals to 1 in the final. Congratulations.

The combined match could not be arranged at Hindmarsh Stadium this year so the Polonia ground was the venue for an evening contest. Lemmy Vatsalis (MERC) and Gary Davison (WS) coached the side with Alex Rogers (SC) acting as manager. It was a high standard game and provided the state selectors with an opportunity to see the best young players in action. The High Schools scored a goal in each half to run out winners 2-0.

The school season ran smoothly with most schools happy with the current groupings and format.

Sacred Heart College proved to be the outstanding team and won the open knockout competition.

The combined team, under the astute guidance of Steve Sparrow, Wayne Hoffman and John Cadd was again successful with a twenty point win over the High Schools at the Powerhouse. Final scores were 82 to 62.

HOCKEY

Schools: 16 Players 510

The competition continued to develop with all matches except primary being played on synthetic surfaces. Some year 8 fixtures were programmed at Prince Alfred and Pulteney Grammar on Friday afternoons to facilitate all teams.Other venues were at Port Adelaide, Woodville and Golden Grove. The IGSA matches , through an agreement between the Associations, were held at University, Seacliff and Gepps Cross.

The Primary competition continued as a joint venture with the Adelaide Hockey Club and the Burnside Hockey Club. This enabled ten teams to play at Adelaide and Burnside grounds on alternate Saturdays. A special thanks must go to the officials from our host clubs for their excellent organization and to the coordinators from each school.

CROSS COUNTRY

Fourteen schools competed in ten events at eight different courses in the regular Wednesday afternoon competition. Most schools also competed in the State Schools Championship at Fox Field on May 29th.Schools are to be congratulated on the excellence of the courses provided and the enthusiasm of competitors and staff.

ATHLETICS

15 Schools 900 competitors

Christian Brothers conducted two very successful Saturday meetings and Pembroke again ran the relay meeting on a Friday evening. These events were not as well supported as in previous years.

Achilles Cup day, at Olympic Sports Field on Thursday 26th September, was marred by early rain but this soon cleared and a full programme was completed on time.

We were again grateful to Living Health for their sponsorship of this event. Their representative, Mr. Barrie Robran attended the meeting and lunched with the Executive.

St. Peters College continued its unbeaten run in the Group A schools while Christian Brothers showed great spirit to win Group B and be promoted to Group A in 1997.

Several records were broken. Congratulations to
