EXECUTIVE REPORT

The Executive met on four occasions during the year. The following is a summary of the decisions taken.

1. The Annual Report for 1996 was accepted and the per capita rate of $5.50 set for 1997. This rate represented a decrease of 50 cents from the previous year..

2. Mr. Steve Clohesy was re elected as the Chairman of the Management Committee for his second year of office.

3. Recommendations for Life Membership were received and the the following were awarded. Messrs John Cichinski, Roger Oaten, Bruce Gray, Paul Horgan, Lindsay Cox, Peter Deane, Dennis Bawden, Lex Hambour and Brian Quist. Br. Cronin presented them with their awards at the Annual Dinner.

4. Preliminary discussions took place to investigate any problems that may arise in the year 2000 in relation to our programmes and the Olympic Games.

5. The combined tennis match with the High Schools was cancelled when an agreement could not be reached over the eligibility of Marryatville High School players.As a full member school it was expected that Marryatville players would represent ISSA. This was not acceptable to the SASSSA Executive who maintained that they were unable to field a team. Future contests will be investigated on an annual basis..

6. The Chairman canvassed schools to ascertain their reaction to a uniform Hot Weather Policy. It was agreed that the decision to cancel was the responsibility of individual schools..

7. Adelaide High School, a founding member of the Association, was no longer a full member as it did not meet the criteria laid down in the constitution.

8. It was agreed that the Swimming Final, held in two divisions for the past two years, had not been a success, and that in 1998 we revert to the format of inviting the top 8 schools to contest the final.

9. A proposal that all secondary footballers wear numbers in 1998 was passed.

10. It was agreed that a revised report card be printed in 1998 to enable more information to be given and that we also seek cooperation with our senior sporting bodies over the suspension of players in both ISSA and the Senior Association. The SANFL has indicarted its willingness to cooperate in any suspensions imposed.

EXECUTIVE REPORT

11. Our annual agreement with Living Health was signed. $4750.00 was received during the year.

12. Mid week soccer at Open A level was discussed and it was agreed that schools could play mid week by mutual agreement. To make it easier to play Saturday morning matches it was decided to start games at 8.30 am.

13. The elegibiliy of girls to compete in the Achilles Cup was discussed, and a motion, to be formally addressed in 1998, was put that the Achilles Cup be only open to boys.

14. Several concerns were expressed over incidents involving matches with Unley High School. The Chairman wrote to the Unley Principal reiterating our requirements for participation.

15. It was agreed that nominations for term 1 sport need not be submitted until the end of November and that the programmes would be available by the end of January.

16. Mr.Chris McCabe retired from the Executive during 1997 to take up a position in Melbourne. The Chairman thanked him for his excellent contiribution to the Association over many years.

16. A special meeting was scheduled for February 1998 to discuss the restructuring of the Executive Officer's position.

MANAGEMENT REPORT

The management Committee met on four occasions and held one seminar. The Primary committee met on two occasions. The following is a summary of the decisions taken during the year.

1. Mr. Steve Clohesy (SHC) was elected unopposed as Chairman.

2. Mr. Bern Basedow was elected unopposed as honorary auditor.

3. New recommendations were put to the Executive in relation to criteria for Life Membership.As a result, nine members were awarded Life Membership.

4. Prince Alfred College won the ISSA section of the Knockout Cricket Cup for the first time and went on to win the SA section. They finished fifth in the Australian Championships.

5. The time for the seminar and annual dinner was changed to November 14th so as not to clash with an SANFL coaches' award and presentation night.

6. To assist in better communications between schools it was passed that in any sporting activity where a variety of venues was being used, the host school is obliged to fax clear directions of their facilities and venues to each visiting school by the Wednesday prior to the match.

7. The combined tennis was cancelled because the High Schools were unable to field a team.

8. The swimming final was held at the Aquatic Centre with Pembroke winning division 1 and Mercedes division 2. It was agreed that in 1998 we revert back to having only one division for the top eight schools.

9. An increase of rates by the Adelaide Council of 100% for water polo fixtures was disturbing. The per capita rate is now $2.50.

10. It was agreed that the rates for senior umpires be set at $60.00 for First XVIII games and $45.00 for other afternoon matches. It was hoped to provide two umpires for each game.

11. All schools were strongly encouraged to have their students fitted with suitable mouthguards for all contact sport.

12. A paper was presented outlining a new procedure, Voice Mail, for recording messages for students and parents. Schools were urged to take up the offer.

13. The combined cricket team was again successful in its match with the High Schools at St Peters College. Mr. Tim Hart coached the team , which was also beat the Victorians in December at Rostrevor.

14. The prevalence of foul language at junior levels of football resulted in a new penalty, which involved players being sent from the ground, being imposed.

15. Four schools advanced to the quarter finals of the senior knockout football. They were Sacred Heart, Rostrevor, Prince Alfred and Immanuel. Sacred Heart went on to defeat Rostrevor narrowly in the final at Football Park.

16. The combined soccer and basketball teams were successful but the footballers were beaten.

17. The possibility of playing Primary A and B basketball games on Friday afternoons at indoor venues in 1998 is being investigated.

18. An inaugral ISSA Primary Golf Day at the Patawalonga Course was held in September with over 70 participating.

19. It was decided to include an extra primary cricket grading at the grade 5 level to allow more advanced students to play normal cricket rather than average cricket.

20. It was decided that, in 1998, we offer senior table tennis at 5.30pm on Fridays rather than the current 7.00pm time slot.

21. It was felt that we might arrange a suitable match for our combined tennis team against the Victorians on similar lines to our annual cricket match.

22. The possibility os introducing squash into our programme in the near future is being investigated. Meetings are scheduled between ISSA, IGSSA and SASSSA in 1998.

23. With the Advertiser reintroducing a Junior Sports Page it was agreed that ISSA would forward only its First Team results, as sent to schools, but that individual schools were at liberty to send in other results.

CRICKET

Schools 30. Players 2880

With the help of the SACA we have managed to provide qualified umpires for most of our First XI games with the SACA meeting half the cost..

The combined match was played at St Peters College this year, with the Adelaide Oval unavailable because of commitments to rugby.

We were again successful, dismissing the High Schools for 131 and then passing their score for the loss of only three wickets. Scott Borlace took three wickets whilst Craig McShane and Luke Scrutton took two apiece.Luke Williams with 52 and Nathan Woods , 35 not out saw us through to a very comfortable win.. Coach, Tim Hart, in his first appearance, showed that his abilities do not lie only with the winter game.

SCORES ISSA 3/133 defeated SASSSA 131

. The team hosted the Victorians in the annual three day game at Rostrevor and won for the fifth consecutive year.Daniel Harris, the captain batted through our 100 overs to be not out 138. He was ably assisted by Nathan Woods, 62, Scott Borlace, 66 and Tom Hicks 32 not out. Harris and Hicks had an unfinished tenth wicket partnership of 89 to push our score to 9/356.The Victorians replied with 209. Craig McShanewith 4/39 led the way whilst Adam Crook took 3/73.. Batting a second tme we pushed on for quick runs and were 7/171 at the close of day two. Sadly, overnight rain made the pitch unplayable and the final day was abandoned. We retained the Jack Woodruff trophy with Daniel Harris winning the Man of the Match award.

SCORES ISSA 9/356 and 7/171 defeated VSCA 209

INDEPENDENT SCHOOLS' SPORTS ASSOCIATION

Back Row: Mr. Tim Hart (Coach), Oliver Thomas (PAC), Aaron Shattock (SHC), Luke Gray (PGS), Paul Rofe (PAC), Andrew Crook (RC), Craig McShane (RC), Mr. Malcolm Jones (Manager).

Front Row: Scott Borlace (PED), James Gallagher (SCH), Daniel Harris (RC) Captain, Luke Williams (PAC) Vice Captain, Nathan Woods (WS), Luke Scrutton (SHC).

TENNIS

Schools 20 Players 1400

There was continuing growth and interest with more schools using off campus venues to supplement their own facilities.

The Friday evening Primary competition continues to increase and is proving very popular.

The annual competition against the combined High Schools was cancelled when the High Schools were unable to field a competitive team because the MHS players elected to play with ISSA. It is hoped that the competition will be continued in the near future.

SWIMMING

Schools 16 Swimmers 480

The regular inter school meetings were again held at Rostrevor, Pembroke, Prince Alfred, St Peters and Scotch. We are most grateful to these schools for hosting these carnivals over many years.

The final was held at the Aquatic Centre with Pembroke winning the A division and Mercedes the B. It was decided that we revert to having only an A final in 1998 for the top 8 schools., as had been the practice for many years.

Several schools were unable to participate in the final because of other commitments and the Group B had only four schools competing.

We are most appreciative of the help we receive from the SA Swimming Officials, who provide us with expert assistance.

RESULTS

Group A PEM, PAC, SPSC, STMC, RC, TC, SIC, IC.

Group B MERC, SHC, PGS, WS .

FOOTBALL REPORT

Schools 23 Players 2800

The season showed an increase in participation at the junior level and an evening out of the competition at the top level apart from the outstanding schools, Sacred Heart and Rostrevor. CBC and St Pauls struggled but the other 12 schools had many good contests, with PGS making significant progress. Sacred Heart was unbeaten and the final of the knockout between it and Rostrevor, played at Football Park, was a superb encounter.

The umpires' panel again provided two experienced umpires for all First games and most Seconds matches. We are most grateful to John Kitto for his continued work in leading this umpires group.

The annual match agaainst the High Schools was held in May at Football Park. We went down by 34 points to a team that had far more preparation than us. It is disappointing that our season is only three weeks old when this match is held and we shall push for a later date to ensure we are better prepared. A full report follows.

COMBINED FOOTBALL FRIDAY MAY 30TH 1997

The annual match against the Combined Secondary Schools was played at Football Park as a Curtain Raiser to the Port Adelaide v Carlton game.

Over 60 players were nominated by their schools for this match and after four training sessions the final 25 were chosen.

A new jumper, made from the advanced synthetic material, and with the ISSA emblem woven into it, proved very popular.

ISSA played the better football in the first quarter to open up a handy two goal lead. However the Secondary Schools played strongly in the second quarter and went in eight points up at half time.Their continued superiority was evident in the last half as they went further ahead to win by 34 points.

FINAL SCORES **SASSSA 12-8 (80) defeated ISSA 7-4 (46)**

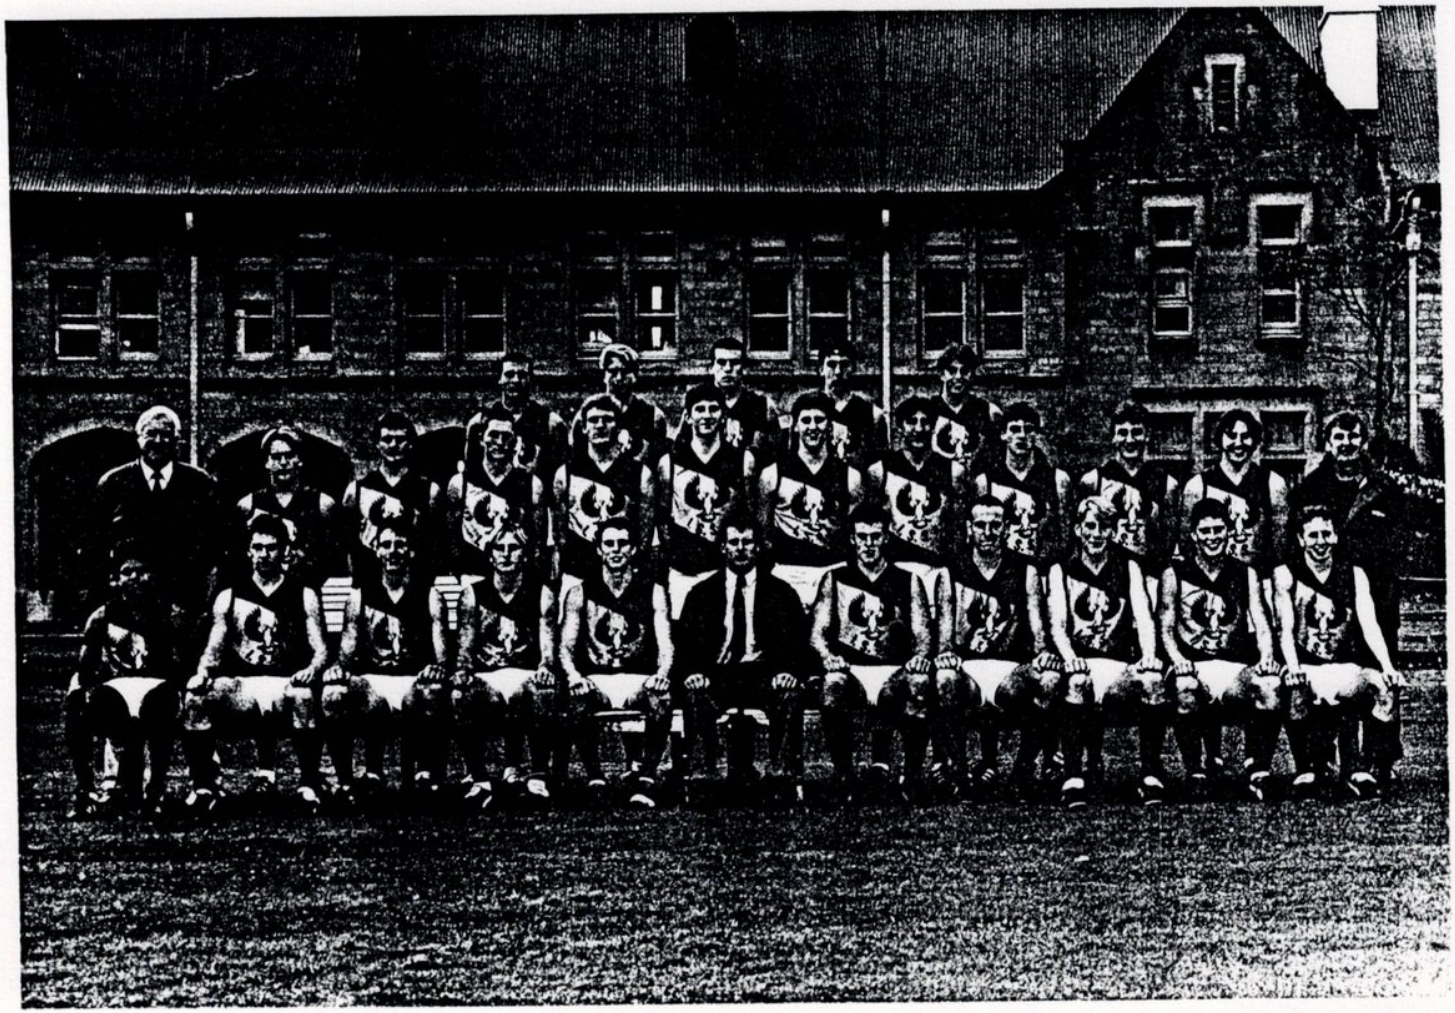

Brad Ottens from Immanuel College was the umpires' choice as best on ground and won the Peter Carey Medal, presented by the great man himself.

Others to play well were **James Gallagher, Nic Yeomans, Paul Zanker, Ryan Wolte and Adam Crouch.**

Ben Walton and Gallagher were the only multiple goal scorers with two apiece.

Thankyou to all the players and the schools for their support and to **Ron Pippett** and his assistants for their efforts in coaching and selecting the side.

SOCCER

Schools 26 Players 2100

At the junior level soccer is developing very well with very few problems. When students reach our open level there is a growing conflict with local clubs over loyalties and commitment to Saturday matches. Continuing discussions with the Soccer Federation will, hopefully, alleviate some of the pressure placed on our more talented players. Several schools opted to play their First team matches on Wednesday afternoons to allow students to represent their school and club without further conflict.

The ISSA management committee resolved to start matches in 1998 at 8.30am on Saturdays to give more time for players to prepare for afternoon club commitments.

The combined match could not be arranged at Hindmarsh Stadium this year so the Polonia ground was the venue forSunday afternoon contest. Laurence Humphry (SPSC) and Gary Davison (WS) coached the side to a fine 2-1 win. A detailed report follows.

COMBINED SOCCER WIN

In a high quality game at the Croydon/ Polonia ground on Sunday the ISSA team won 2-1.

The first half produced no goals and ISSA was hard pressed to keep out the many attacking moves of the High School players.

In the second half the game opened up and ISSA, through John Hopkins, was able to convert a penalty after a hand ball in the penalty area from a High School defender.

Minutes later Vaslis Parhas put one past the keeper to make it 2-0.Several brilliant saves from the High School keeper kept us from going further ahead.

A goal in the dying minutes of the game brought the final score to 2-1.

Our captain, Hugh Wright, received the Savings Bank Cup on behalf of the team and thanked all those involved, the coach, players and officials.

John Hopkins was awarded the trophy as our best player. He received a sports carry bag. Others to play well were Vasilis Parhas and David Menechella.

Special thanks to Mr Laurence Humphreys for coaching the side so well and to his two able assistants, Mr Gary Davison and Mr Craig Leith.

We are grateful to Campelltown Sports Store for its assistance in providing the team strips and a trophy.

Scores **ISSA 2 defeated SASSSA 1**

INDEPENDENT SCHOOLS' SPORTS ASSOCIATION

Absent: Andrew Timbs (PAC), Sean Widera (SPSC).

BASKETBALL

Schools 23 Players 1600

The school season ran smoothly with schools blocked in Groups A, B, C and Primary into 4 teams at one venue for most contests.

More and more schools are endeavouring to find an extra indoor venue so that all matches can be indoors if possible.

The Primary Coordinators are investigating the possibility of Summer mid week fixtures and Winter contests for A and B teams being played on Friday afternoons.

The combined team, under the astute guidance of Steve Sparrow, Wayne Hoffman and John Cadd was again successful with a twenty seven point win over the High Schools at the Powerhouse. Final scores were 105 to 78.

INDEPENDENT SCHOOLS' SPORTS ASSOCIATION

JAMES MANIFOLD PHOTOGRAPHY

COMBINED BASKETBALL TEAM,— 1997

Back Row: Mr. W. Hoffman (Coach), Mr. S. Sparrow (Assistant Coach), Andrew Puddifoot (CAB), Luke Callier (STMC), Todd Gower (MHS), Matthew Barrett (SHC), Nicholas Feeney (SHC), Mr. J. Cadd (Manager).

Front Row: Ben Goodyear (SHC), Simon Dorman (PGS), Damien Williams (PAC) Captain, Chad Marston (PEM), Daniel Cioffi (STMC).

HOCKEY

Schools: 18 Players 660

The competition continued to develop with all secondary matches except year 8 being played on synthetic surfaces. Year 8 fixtures were programmed at St Peters College..Other venues were at Port Adelaide, Woodville, PAC, PGS and Golden Grove.

The Primary competition continued as a joint venture with the Adelaide Hockey Club and the Burnside Hockey Club. This enabled 14 teams to play at Adelaide and Burnside grounds on alternate Saturdays. A special thanks must go to the officials from our host clubs for their excellent organization and to the coordinators from each school.

Continuing discussions are being held with SASSSA in the hope that an annual combined match between the two associations might be held.

ATHLETICS

15 Schools 900 competitors

Christian Brothers conducted two very successful Saturday meetings and Pembroke again ran the relay meeting on a Friday evening. These events were not as well supported as in previous years.

Achilles Cup day, at Olympic Sports Field on Thursday 25th September, was marred by late rain during the presentation ceremony but the full programme was completed without hitch. The provision of three security guards helped increase the safety aspect of the carnival, particularly in the throwing areas.

We were again grateful to Living Health for their sponsorship of this event. Their representative, Ms. Kim Delaney, attended the meeting and lunched with the Executive.Suitable signage displaying the Living Health message was in evidence with banners, posters and tents.

St. Peters College continued its unbeaten run in the Group A schools while St. Michael showed great spirit to win Group B and be promoted to Group A in 1998.

Two records were broken. Congratulations to

A. Hackett (CBC)	U/15 400m	54.0 sec equal record
T. Alpin (SPSC)	Open Hammer	61.13 m.

The Age Group pennants were won by the following schools

	Group A	Group B
U/14	SPSC	STMC
U/15	SPSC	STMC
U/16	PGS	STMC
U/17	SPSC	TC
OPEN	PEM	SIC

Thankou to Westminster School for hosting the meeting and to its Principal, Mr David Hone, for presenting the trophies.

CROSS COUNTRY

Twelve schools competed in eleven events at eight different courses in the regular Wednesday afternoon competition. Most schools also competed in the State Schools Championship on May 28th.Schools are to be congratulated on the excellence of the courses provided and the enthusiasm of competitors and staff.

VOLLEYBALL

Schools 10 Players 190

With the increase of teams it was necessary to use an extra venue. St Peters helped out with some year 10 games whilst Blackfriars and Scotch were regular host for six matches each Friday afternoon.The quality of play at the top level is quite outstanding and this is enhanced by the cooperation we receive from the Volleyball Association in providing umpires.

BADMINTON

Schools 11 Players 220

The standard of play between the top schools in the A division is remarkably high.

With most schools being able to provide facilities, and with the blocking of teams at the same venues where ever possible, the competition has run smoothly.

TABLE TENNIS

Schools 13 Players 320

The Friday-afternoon and evening competition was held at the various schools with the Primary group having only four teams.

It was decided during the year to incorporate the Year 8 and Primary competitions in 1998 if the numbers do not increase. It was also agreed to schedule the Open fixtures at 5.30pm rather than at 7.00pm.
