EXECUTIVE REPORT

I am pleased to present the Annual Report of the Independent Schools Sports Association for the year 2000, and in the first instance note the major activity of the Association's Executive.

The Executive is composed of the Principals of the full member schools. Its role is to determine policy, direct financial management, to approve process and procedures and to maintain the spirit of the Association.

The major activities of the Executive during the year have been the following:

the Incorporation of the Association,
the re-drafting of the Constitution to provide a clearer definition of membership and its rights and responsibilities,
the preparation of a revised Policy Document.

In the year under report, ISSA undertook the direct management of the Memorial Drive Tennis Competition , and clarified the involvement of girls in the Achilles Cup.

A committee of the Executive is also studying questions related to the perception of inequitable competition in some of our sports.

In my judgment, ISSA is a highly successful Association. Interest in membership suggests that it is highly regarded. The reasons are founded on the individual character and commitment of its member schools, which is expressed in the responsibility exercised by the Executive, the generous commitment and skill of its coordinators, the contribution of time and expertise of local coaches and managers and the enthusiasm and goodwill of our students.

Our Sporting Administrator, Ms Jill George, brings these qualities to fruition by dint of her experience and special expertise. As an Association we have much to be grateful for that we are able to offer an alternative which sits within our educational purpose and offers an alternative to the market-driven forces of sporting competition, which our student are engaged in.

Br JOHN PILL
CHAIRMAN
ISSA EXECUTIVE

MANAGEMENT REPORT

The Management Committee, with David Tiller in the Chair, met three times during the year and we thank Westminster School, Pembroke School and Blackfriars Priory School for hosting these meetings. The fourth meeting for the year was held in conjunction with the Annual Conference, which was held at Trinity College.

David Tiller continued in the Chair of Secondary Management, and also attended Executive Meetings as Management representative. Brother John Pill, Chair of Executive attended two meetings this year and this was appreciated by those present.

Some of the topics discussed at these meetings were:

Representative Teams - and the need for a clear and up to date statement on ISSA's policy in this matter.

Divisions/ levels of competition - this included looking at Premiership tables.

Drive Tennis - this discussion included, number of teams in each Division, relegation procedure, and length of the season.

Withdrawing of teams from the competition - discussion on how this could be best avoided - it was agreed that there had actually been less withdrawals this year than over the last few years.

Constitutional Changes, and the effect this could have on membership.

The Annual Conference was held at Trinity College within their new complex - this proved to be a very interesting experience and we thank Richard Bednall for his willingness to host such an event, and to organise a tour of the facility.

During the day we heard a brief session from Fitness Matters indicating their Company's expertise in Fitness and athletics training. We heard from Shane Harris, SANFL Umpiring Director and the place of ISSA within the SANFL development plan, and we continued an open discussion on various topics involving our sporting competitions.

At the Annual ISSA Dinner held at St Pauls Function Centre, Brother John Pill, on behalf of the ISSA Executive, presented Life Membership to the following people.

Tony Checker	Scotch College
Rod Dyson	Scotch College
Paul Hadfield	St Peters College
Kim Harris	Westminster School
Ian Hume	St Peters College
Wayne Potter	St Peters College

The Primary Sports Coordinators met at Christian Brothers College Junior School, under the leadership of Mike Buttfield, on three occasions during the year.

Their programs continue to grow, and are a very important part of the overall sporting options offered to our member schools.

Finance Report

INDEPENDENT SCHOOLS SPORTS ASSOCIATION

The Income and Expenditure statement for the period 1/1/00 to 31/12/00 and the Balance Sheet as at that date have been drawn up so as to represent, to the best of our knowledge an belief, a true record of the affairs of the Federation for the year ended 31 December 2000.

Accounting Policies

These reports have been prepared for the information of members as required under the constitution and to fulfill the Association's Statutory obligations.

Sports Administrator
6/5/01

Audit Report

I have audited the financial reports of the Association consisting of the Income and Expenditure statement for the period 1/1/00 to 31/12/00 and the Balance Sheet as at that date. The audit was conducted in accordance with Australian Auditing Standards. Procedures included an examination, on a test basis, of evidence supporting the amounts. These procedures have been undertaken to form an opinion as to whether, in all respects, the financial reports are presented fairly in accordance with the accounting policies of the Association.

In my opinion the financial reports present a true and fair view of the results of the Association as at 31 December 2000 and the results of its operations for the year then ended.

Be SunSmart

- Most of the damaging UV rays occur between 11am and 3pm daylight saving time, so whenever possible it's a good idea to plan "time out" during this period.
- Wear a wide brimmed hat to give your face, ears and neck vital protection from the direct harmful rays of the sun.
- Apply plenty of broad 30+ spectrum sunscreen 20 minutes *before* you go outside. Water resistant sunscreen is the best choice if you're active. Reapply regularly - about every 2 hrs or more frequently if swimming or perspiring heavily.
- Trees, umbrellas and pergolas give cool protection from UV rays. Add a wide brimmed hat, long sleeved shirt, sunnies, SPF 30+ and you're really smart.

ATHLETICS

In the year 2000, the Achilles Cup was held at the Santos Stadium on October 12. This year due to the timing of the Olympic Games and change in Term dates, the event was held a little later than usual. However, with the assistance of officials from Athletics SA the day was a resounding success, and all who assisted in any way should be acknowledged for their involvement.

Immanuel College were the host school and we thank Andrew Leske and those students who assisted in carrying out their allotted duties.

This year we trialled an upgraded program, and although there will need to be some minor changes, overall the new program allowed for a much smoother athletic event. My thanks to all those who assisted in any way with this program, in particular Mr Jeff Brock whose task involved re-vamping the Computer Scoring program which in itself was quite an onerous task.

Thanks must also be recorded to all officials from the competing schools who acted as officials in a wide variety of tasks, and whose assistance is vital to the running of this event.

Mr Neville Highett, Principal of the Host School, and Br John Pill Chair of the ISSA Executive, hosted the annual luncheon where our Sponsors, Health Promotions SA were represented at this function by Barrie Robran.

At the close of the Meet, Mr Neville Highett, Br John Pill, and Mr Ken Webb (who was attending his last Achilles Cup before his retirement) presented trophies and pennants to the winning schools.

St Peters College continued it unbeaten record in again winning Group A, withTrinity College taking second place. Christian Brothers were winners of Group B, with Sacred Heart College in second place.

The Age Group pennants were won by the following schools:

	Group A	**Group B**
U14	Trinity College	Christian Brothers College
U15	St Peters College	Sacred heart College
U16	Trinity College	Christian Brothers College
U17	Prince Alfred College	Christian Brothers College
Open	St Peters College	Scotch College

BADMINTON

Badminton continued its popularity with fifteen schools becoming involved. Games were played on Saturday mornings at either 9.00 a.m. or 10.30 a.m.

Although the number of schools have only increased by two - the number of teams playing in the competition this year showed an increase, and it seems that this trend will continue.

Some schools find that if they are able to use only the early time slot for games, students are able to then play another sport during the afternoon.

CROSS COUNTRY

Fifteen schools were involved in our Cross Country Program for the year 2000, with eleven of those schools responsible for hosting one event.

Those schools involved in hosting a meet are to be congratulated on the time spent by various staff and students preparing excellent courses for our schools program.

Many of our schools were involved in the SASSSA Championship held at Oakbank Race Course on Ist June. There were many very good result both individual and as a school - and we congratulate those students who were chosen to represent their State at the National Schools Championship held in Melbourne in early August.

Students from Mercedes College, Scotch College, St Igantius College, Pulteney Grammar School, St Peters College, Pembroke, Concordia College, Pedare, Immanuel College, Cabra and Marryatville High School were amongst those state representatives.

BASKETBALL

The year 2000 school's Basketball season continued in much the same manner as previously. Twenty schools were involved in the Senior competition, nine of these also entering into the SASSSA state wide knock out. Eight schools were involved in the Primary program again this year.

The concept of Schools blocked in groups maximizes the use of facilities and the use of Referees. However some of the schools with smaller enrolments find it difficult to find the number of players under the groups system and at the same time are not always well catered for in either Group C or Group D. It has been more noticeable this year, that the number of students playing basketball in schools has reduced, and it is obvious that many schools are entering fewer teams, even those who have been traditionally quite strong supporters of the sport.

The numbers at Primary School level have not increased, nor have the number of schools entering into the competition. Some schools have indicated that they would be able to enter teams If the games were played during the week, as many of those students who wish to play basketball, also wish to play either football or soccer. This potential problem will need to be assessed again in 2001.

SAVE YOUR SKIN SUNSMART

Government of South Australia

COMBINED BASKETBALL

This year the Annual Game between ISSA and SASSSA was held on Saturday April 1st at the Clipsal Powerhouse, as a curtain raiser to the 36's second semi final.

The game began well, with both sides showing extremely good skills and the scores were indicative of the close competition. At the final bell, the scores were tied at 68 -68 - a fitting finish to a very exciting game.

ISSA wishes to thank Wayne Hoffman, Brian Cadd and Steve Sparrow for their continued support as Officials of our Representative Basketball Team.

We also wish to record our sincere thanks to BASA through Colin Thompson for their continued support of this game - not only in allowing us to play at the Powerhouse, but in also supplying umpires, timekeepers, scorers etc.

JAMES MANIFOLD PHOTOGRAPHY

COMBINED BASKETBALL TEAM - 2000

Back Row: Mr. Wayne Hoffman (STMC – Coach), Chris Martin (STMC), Wayne Hayden (PAC), Luke Hoban (MERC), Dave Florence (CARD), Lucus Smith (SC),Mr. John Cadd (SHC – Assistant Coach), Mr. Steve Sparrow (SC).

Front Row: Daniel Prunty (TC), Darren Ng (SPSC), Brendon Campbell (CAB – Captain), Adam Taylor (SHC), Brad Baldachino (STMC).

COMBINED CRICKET

This year the Annual Match between ISSA and SASSSA was held at the picturesque Bradman Oval on Tuesday 7th March.

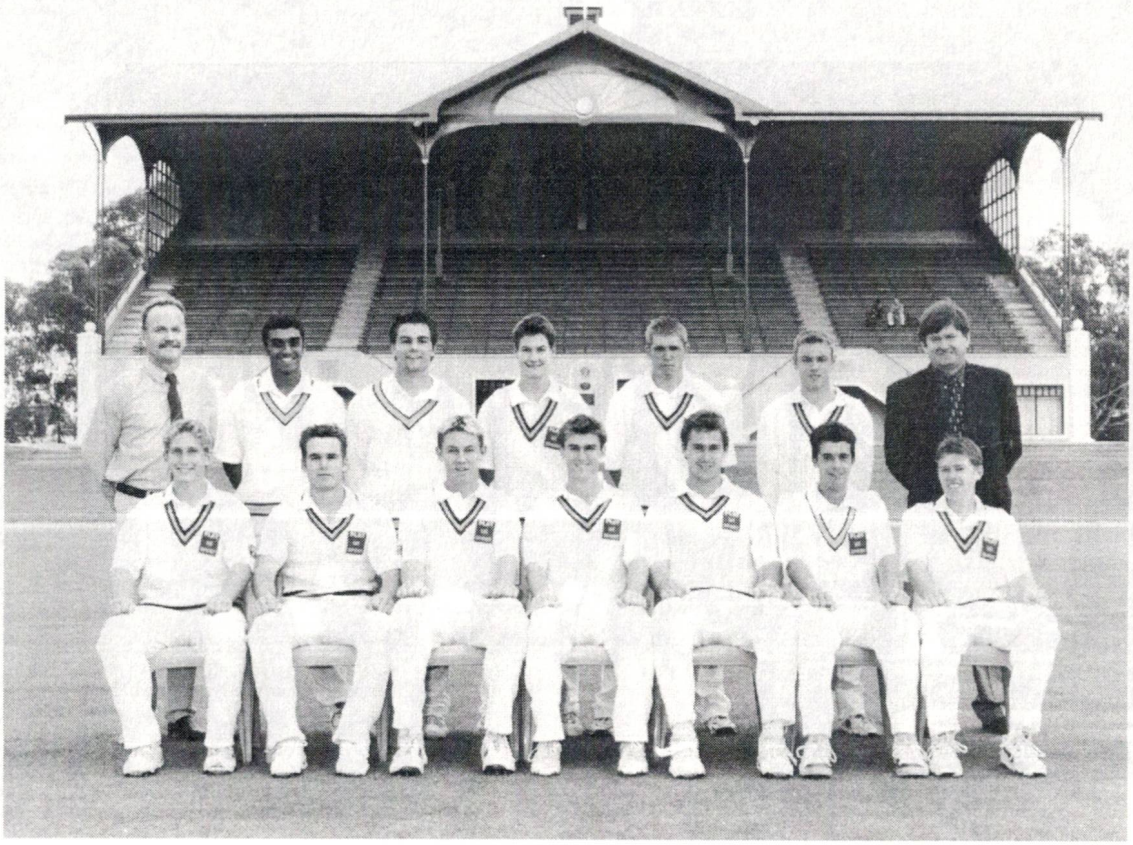

After losing the toss, the Combined Secondary Schools chose to bat. Our bowlers and fielders displayed excellent skills in dismissing the Secondary Schools for perhaps one of the lowest scores ever - i.e all out for 39 of only 16 overs.

The best of our bowlers were Ben Pahl with 3/9 from six overs, Steven Crook with 3/10 from 21 overs, Chris Delaney 2/8 from six overs. and Alex Hart 2/9 from 2 overs.

Our batting started a little shakily, with the score being 3/14 at the end of the 5th over. However a solid partnership between Nick Kurzel (31) and Mark Cosgrove (33) steadied the innings.

Steven Crook had a good allround game - hitting 81 off 43 balls, and Chris Delaney batted well, with 24 off 18 balls.

ISSA acknowledges Pembroke School for the use of their facilities, SACA for their continued support of this game, and our Coach Tim Hart, Manager Barry Cashman, and the Selectors Peter Williams and Steve Clohessey.

JAMES MANIFOLD PHOTOGRAPHY

COMBINED CRICKET TEAM - 2000
ISSA 219 defeated SASSSA 39

Back Row: Mr. Barry Cashman (IC-Manager), Tom Burke (SIC), Sam Chadwick (RC), Nick Kurzel (BPS), Mark Cosgrove (TC), Josh McLean (WS), Mr. Tim Hart (RC-Coach)
Front Row: Steven Crook (RC), Alex Hart (SIC), Ben Pahl (PC), Cameron Borgas (IC-Captain), Chris Delane (SPSC-Vice Captain), Matthew Burr (WS), Tom Plant (IC)

FOOTBALL

In the year 2000 schools found numbers of students involved in football reasonably static, although it was noticeable that the numbers in primary schools were reduced a little.

The first eighteen competition again displayed some excellent games, but highlighted also the variation in standard between many of the schools. Re-drawing the program for term 3 did allow us to address some of this, however it needs to be remembered that there is a limit to how far the actual program can assist in such a situation.

The results of the semi finals of the Pool A MCDonalds Cup were:

St Michael's College 9.5	def	Aberfoyle Park High School 6.4
Sacred heart College 10.66	def	Immanuel College 6.9

The Grand Final was played on Tuesday 5th September under lights at the Norwood Oval St Michael's College 10.7 defeated Sacred Heart College 3.10.

Player of the Match was awarded to Travis Richardson from St Michael's College, who was awarded the 'Colin Steinert Medal'.

Our Association is grateful to the SANFL, particularly Frank Leonard, (State Development Director), Shane Harris (Umpires Director) and Mark Bywaters, for its continued support of ISSA football.

In the year 8/9 Statewide Knockout Competition, Rostrevor College won the Grand Final defeating Blackwood high School, 7.8 to 6.10.

The SANFL have continued to assist us with their appointment of an Independent Schools Sports Association Umpire Panel Supervisor in Tony Miranda. We thank Tony most sincerely for his genuine interest in this task, and for the extra work he undertook on behalf of our schools in an effort to maintain good quality umpiring at all levels.

COMBINED FOOTBALL

The Annual Match against the High Schools was held at Adelaide Oval on Friday May 12 2000 as a curtain raiser to the SA v WA Interstate game. On this very wet evening the ISSA side triumphed over a very determined Combined Secondary Schools team. The final score being ISSA 12.13 (85) defeated the Combined Secondary Schools 10.15 (75).

The SASSSA team started very strongly, and gained a healthy lead at the end of the first quarter, where their tackling and pressure certainly caught our team by surprise. Nevertheless there were some positive signs at stage during the first half with some creative passages of football displayed by our team.

Just as ISSA had shown tremendous character to fight its way back into the game earlier, so did the SASSSA team in the final quarter. A tight tussle came down to an exciting ten point victory at the final siren. However, both teams are to be congratulated on the great spirit and sporstmanship in which the match was played.

Congratulations to Matthew Lokan (STMC) who was awarded the Peter Carey Medal, and to all other team members for an extremely well-fought match.

We thank Ron Pippett as Coach, Tim Hart (Assistant Coach), Barry Cashman (Manager) Steve Clohessey and Troy McKinnon (Selectors) and Geoff Mitchell as Trainer. ISSA also records our thanks to the SANFL for their ongoing support of our this match.

JAMES MANIFOLD PHOTOGRAPHY

COMBINED FOOTBALL TEAM - 2000

Back Row: S. Clohessy (SHC-Selector), B. Cashman (IC-Team Manager), C. Hardacre (GLE), M. Ezzy (SPC), A. Hart (SIC), K. Officer (TC), S. Thompson (STMC), J. Ramsay (PGS), A. Sommers (CAB), G. Verco (SPSC), B. Dray (SHC), A Jackman (PAC), C. Borgas (IC), D. Orr (PEM), R. Harry (STMC), T. Hart (RC-Selector), T McKinnon (GLE-Selector).

Front Row: C. Vanderloo (TC), R. Summerton (STMC), T Kelly (IC), S. Chadwick (RC), S Fitzgerald (RC-Vice Captain), M. Lokan (SMC-Captain), R Pippett (IC-Coach), C. Statham (SC-Vice Captain), H Brown (SIC), T Bornholm (IC), S Boden (RC)

COMBINED SOCCER 2000

The Independent Schools Combined Soccer Team was chosen from a group of approximately forty boys after four weeks of intensive training.

The match was played on Sunday June 18th at the Enfield City Soccer Oval, and we thank the Officials of Enfield City for enabling us the use their facilities.

The game was well contested by both sides, but eventually the Combined Secondary Schools came out winners with a score of 2 –1.

ISSA thank the officials involved with the team for their commitment and willingness to become involved. In particular, thanks to Ray Costar and Vince Del Bono as Coaches of this team.

JAMES MANIFOLD PHOTOGRAPHY

COMBINED SOCCER TEAM - 2000

Back Row: Vince Del Bono (Coach), A. Pellegrino (STMC), A. D'Aloia (RC), M. Salerno (MERC), A. Di Mella (BPS), S. Pirone (SPC), D. Vinci (STMC), M. Greco (BPS), R. Costa (Co Coach/Manager)

Front Row: N. Cirillo (STMC), J Costa (BPS), M. Sancilio (CBC), P Mercurio (STMC), N. Budin (CBC - Captain), J. Chanstrom (BPS - Vice Captain), F. Alves (MTC), D. Carbone (SPC), G. Zotti (PGS)

SOCCER

The year 2000 saw quite a dramatic increase in the number of teams entering our Saturday competition, at almost every level.

However, the increase in teams did not always bring necessarily increased facilities, and it is becoming quite obvious that schools will need to look at this problem in the near future. This increase in numbers of boys wishing to play soccer, will no doubt continue for the next few years and we may need to have some strategies in place, in case the need arises.

The ongoing conflict involving boys playing for club and school is still a problem with some schools. It seems that the best results are often gained by early discussion with the clubs involved, in an effort for them to better understand the school system.

TABLE TENNIS

Friday evening table tennis has increased its participation this year, as schools are finding it a viable option for students who wish to be involved in Saturday morning sport.

The early finish has been appreciated by schools, as it enables their students to complete their games and still have a reasonable time available on a Friday evening.

TENNIS

The number of teams playing tennis has again increased, particularly in the lower secondary and primary grades. Some schools reported very large numbers of students wishing to play the game.

However, this again has caused some problems with facilities, as the although the number of students wishing to play has increased, schools have not been able to match this with the number of courts available for use.

DRIVE TENNIS

This year, the Student Schools Tennis Committee asked ISSA to 'take over the reins" and manage this elite competition which was know as Drive Tennis. Jeff Hunter who presided over this group for many years stepped down, and ISSA thanks him in particular, for the many years of work put into this competition.

The changes which have occured in the building of the Next Generation Complex, and the subsequent ownership of the artificial courts by a new group our competition could have been under threat. However, ISSA is grateful to the Management of the Next Generation and in particular to Mary Harris, for acknowledging our competition as an important junior tennis competition.

We are now in the second year of the new arrangement, and the transition has been remarkably smooth, I am sure this will continue for many years to come.

DRIVE TENNIS RESULTS 2000

A1 PREMIERSHIP TABLE AND POINTS

MARRYATVILLE HIGH	16
ST PETERS COLLEGE	14
ST MICHAELS COLLEGE	12
WESTMINSTER SCHOOL	10
PRINCE ALFRED COLLEGE	6
SACRED HEART COLLEGE	4
IMMANUEL COLLEGE	2
ST IGNATIUS COLLEGE	0

Winner of the Memorial Drive Coca-Cola Trophy - Marryatville High School
Winner of Player of the Year for Division 1 2000 Chris Stewart St Peters College

A2 PREMIERSHIP TABLE AND POINTS

PEMBROKE SCHOOL	14
MERCEDES COLLEGE	14
ROSTREVOR COLLEGE	12
BLACKFRIARS PRIORY SCHOOL	10
PULTENEY GRAMMAR SCHOOL	8
UNLEY HIGH SCHOOL	6
SCOTCH COLLEGE	6
TRINITY COLLEGE	6
CHRISTIAN BROTHERS COLLEGE	4
ST PAULS COLLEGE	0

Winner of the Division 11 Trophy 2000 Pembroke School

Winner of Player of the Year for Division 2 2000 Dane Bennett Pembroke School

HOCKEY

Our hockey competition in the year 2000 showed similar numbers as the previous years, although again there were no new schools showing an interest in the sport.

It is the second year that we have been able to offer our schools all secondary games on a synthetic surface, and we are grateful to Christian Brothers College, Prince Alfred College, and Pulteney Grammar school for the uninterrupted use of their facilities. We continued to use other synthetic grounds at Port Adelaide, Woodville, Adelaide University, and Golden Grove.

ISSA is grateful to Hockey SA through Peter Delacey for supplying and allocating Umpires to most of our games, this is indeed a service we hope will continue.

The Primary competition was again shared between Adelaide Hockey Club and Burnside Hockey Club, both in the use of facilities and umpires. We thank them for their willingness to assist and trust that their clubs gain something from this interaction with our schools.

VOLLEYBALL

The Volleyball competition has continued to grow, particularly in the lower age groups, this is indeed encouraging for the supporters of the sport.

ISSA continues to be grateful to those schools who made their facilities available for regular use, namely, Rostrevor College, Blackfriars Priory School, Christian Brothers College and Pulteney Grammar School.

Our Association thanks Volleyball SA for their assistance with supplying referees at most venues. ISSA also records their thanks to the teacher involved in assisting in overseeing the venues each Friday afternoon.

SWIMMING

Sixteen schools took part in the regular Wednesday afternoon swimming meetings. which were again held at Rostrevor, Pembroke, Prince Alfred, Scotch and St Peters. Again we thank these schools on behalf of our organization for their continued support in offering to host these meetings.

The final was held at Pembroke School, and we are grateful to those who assisted in any way in staging this event.

Final results were:

PEMBROKE SCHOOL	639
ST MICHAELS COLLEGE	631
PRINCE ALFRED COLLEGE	631
ST PETERS COLLEGE	562
ROSTREVOR COLLEGE	530
IMMANUEL COLLEGE	477
WESTMINSTER SCHOOL	430
MERCEDES COLLEGE	312

ISSA is grateful to Mr Malcolm Lamb, Principal of Pembroke School, who, on behalf of the Executive presented the Cup to the winning school - in this case Pembroke!

WATERPOLO

Waterpolo remains a strong sport within the Independent Schools system, and this year there was a notable increase in the number of junior teams competing.

The Adelaide Aquatic Centre continued as the venue for both the Open A/B and the year 10 competition. Although the cost of this venue has risen slightly, without the use of this facility our program would not exist. We are grateful to Anne Kurzel at the Aquatic Centre for her assistance and support at all times.

We continued to hold the year 9 competition at Pembroke School, and we thank those involved there for their assistance and cooperation.

The year 8 competition was held at the Payneham Swimming Centre and this proved to be a very venue fof this age group. We hope to be able to continue with this venue in the future.

Results of the end of round robin Tournament:

Year 8

1. BPS 1
2. BPS 2
3 SPSC 1
4. RC 1
5. PEM
6. SPSC 2
7. RC 2

Year 9

1. SPSC
2. BPS
3. PEM

Year 10

1. STMC
2. BPS 1
3. SPSC
4. BPS 2
5. PEM

OPEN A/B

1. STMC
2. BPS 1
3. SPSC 1

Thank you to all School Officials who assisted during the year and in particular at the Tournament.

We are indebted to Gary Mavrenic from the Waterpolo Association for organising referees for our weekly matches.

LOOKING BACK

Until 1965 this Association was known as "The Students' Football Association" and in 1966-67 it became know as "The Students' Cricket and Football Association."

In June 1967 it became "The independent Schools Sportsmasters' Association, and a draft Constitution was drawn up on 1966. This continued until 1971 when it was re-named as "The Independent Schools' Sports Association."

The present Association was formed in 1977, where a new Constitution was drawn up and an Executive Committee formed, consisting of Headmasters and the Chairman and Secretary of ISSA.

Since 1978 this Executive Committee has met on a regular basis, and all recommendations from the Sportsmasters are taken to this group for endorsement.

In the year 2000, the Constitution has again come under review, and a new draft document will be completed by the Annual General Meeting in May 2001.

TEN YEAR'S SERVICE

D. Pike	Westminster School	1964-88
G. Laycock	St Peters College	1964-73
M. Muecke	Scotch College	1964-73
