EXECUTIVE REPORT

I am pleased to present the Annual Report of the Independent Schools Sports Association for the year 2001, and in the first instance note the major activity of the Association's Executive.

The Executive is composed of the Principals of the full member schools. Its role is to determine policy, direct financial management, to approve process and procedures and to maintain the spirit of the Association.

The major activities of the Executive during the year have been the following:

- ❑ development of a membership application process
- ❑ clarification of membership responsibilities

I would endorse the comments made by Brother John Pill in last year's Annual Report and agree that 'ISSA is a highly successful Association.'

I thank Heads for the commitment they engender within their schools and for the endeavours of their coordinators and the coaches that support them.

I have attended many venues and watched a wide range of sports and would like to congratulate students on their enthusiasm, competitiveness and above all, their sportsmanship.

On behalf of all Heads and coordinators, I thank Mrs Jill George for her efforts. We appreciate the fine work that she does.

Dr NEVILLE HIGHETT
CHAIRMAN
ISSA EXECUTIVE

SAVE YOUR SKIN SUNSMART

Government of South Australia

MANAGEMENT REPORT

The Management Committee, with David Tiller in the Chair, met four times during the year and we thank St Ignatius College, Westminster School, St Peters College and Pulteney Grammar School for hosting these meetings. David Tiller also attended Executive Meetings as Management representative.

These secondary management meetings are very well represented. The Coordinators are to be thanked for their cooperation and hard work they put into this Association.

Some of the topics discussed at the management meetings were:

Achilles Cup - change in date of qualifying age as a trial for 2001.

Changes to Criteria for membership – the issues relating to some schools in reaching these new criteria.

Divisions and levels of competitions – advantages in drawing winter programmes for only one term at a time –gives much more flexibility for those schools who are experiencing some difficulties.

Summer competition – change in structure – year 12 students and their involvement in term 4 sport.

The SANFL/ISSA Umpires coach and coordinator were invited to the June meeting to share ideas in relation to our afternoon football. This proved to be beneficial to both groups and it is something we will look to continue in the future.

At the Annual ISSA Dinner held at St Pauls Function Centre, Dr Neville Highett as Chair of the ISSA Executive, presented Life Membership to the following people.

Br Paul Callil St Ignatius College
Andrew McKenzie St Peters College

The Primary Sports Coordinators met at Christian Brothers College Junior School, under the leadership of Mike Buttfield, on three occasions during the year.

Most matters discussed related to ensuring that the programs we offer enable as many of our young students as possible an opportunity to be involved in sport at the level they feel the most comfortable.

The primary programs continue to grow in most sports and we are indebted to all those involved for the enthusiasm and expertise they bring to the task in hand.

Finance Report

INDEPENDENT SCHOOLS SPORTS ASSOCIATION

The Income and Expenditure statement for the period 1/1/01 to 31/12/01 and the Balance Sheet as at that date have been drawn up so as to represent, to the best of our knowledge an belief, a true record of the affairs of the Association for the year ended 31 December 2001.

Accounting Policies

These reports have been prepared for the information of members as required under the constitution and to fulfill the Association's Statutory obligations.

Sporting Administrator
5/5/02

Audit Report

I have audited the financial reports of the Association consisting of the Income and Expenditure statement for the period 1/1/01 to 31/12/01 and the Balance Sheet as at that date. The audit was conducted in accordance with Australian Auditing Standards. Procedures included an examination, on a test basis, of evidence supporting the amounts. These procedures have been undertaken to form an opinion as to whether, in all respects, the financial reports are presented fairly in accordance with the accounting policies of the Association.

In my opinion the financial reports present a true and fair view of the results of the Association as at 31 December 2001 and the results of its operations for the year then ended.

Be SunSmart

- Most of the damaging UV rays occur between 11am and 3pm daylight saving time, so whenever possible it's a good idea to plan "time out" during this period.
- Wear a wide brimmed hat to give your face, ears and neck vital protection from the direct harmful rays of the sun.
- Apply plenty of broad 30+ spectrum sunscreen 20 minutes *before* you go outside. Water resistant sunscreen is the best choice if you're active. Reapply regularly - about every 2 hrs or more frequently if swimming or perspiring heavily.
- Trees, umbrellas and pergolas give cool protection from UV rays. Add a wide brimmed hat, long sleeved shirt, sunnies, SPF 30+ and you're really smart.

ATHLETICS

In the year 2001 the Achilles Cup was held at the Santos Stadium on September 27th. It is pleasing to note the inclusion of Mercedes College into Group B of the competition. - this being their first involvement in this event.

Pembroke were the host school and we sincerely thank Peter Urnevicius and his group of hard working students and teachers who assisted in carrying out a variety of tasks throughout the day.

The new program which was trialed in 2000, was used almost in its entirety with some very minor changes, thus enabling us to finish the day at an earlier time than previous years.

It was decided to trial a change with the qualifying date for 2001 and this to be re-assessed in 2002. – the qualifying date for competition being January 1st in the year of competition. Some assessment has already been done by the schools involved but further assessment will need to occur before a final decision is made for 2002.

Thanks must be recorded to all officials from the competition schools who acted as officials in a wide variety of tasks, and whose assistance is vital to the smooth running of the event.

Mr Malcolm Lamb Principal of the host school, and Dr Neville Highett, Chair of ISSA Executive, hosted the annual luncheon where our Sponsors, The Department of Recreation and Sport, through Health Promotion SA were represented by Barrie Robran. We were disappointed to learn that Barrie would be retiring and this would be his last visit to the Achilles Cup His support and interest in this event has been greatly appreciated.

At the close of the day's events, Mr Malcolm Lamb, and Mr Neville Highett presented trophies and pennants to the winning schools.

St Peters College again were victorious in Group A, with Trinity College again taking out second place. Whilst in Group B, Sacred Heart College were the winners, with Mercedes College in second place.

The Age Group pennants were won by the following schools

	Group A	**Group B**
U14	St Peters College	Sacred Heart College
U15	St Peters College	Sacred Heart College
U16	Pembroke School	Sacred Heart College
U17	Pembroke School	St Ignatius College
U20	St Peters College	Westminster School

BADMINTON

Badminton has continued to increase in popularity particularly within the Year 8/9 competition.

Not only have the number of schools participating increased, but some schools have found they are entering at least double the number of schools at each age level.

The games continue to be played at 9.00 a.m and 10.30 a.m. on Saturday morning, and this seems to be the most suitable time to hold this competition.

CROSS COUNTRY

Thirteen schools were involved in our Cross Country Program for the year 2001, with ten of those schools responsible for hosting one or more event.

The following schools assisted us in hosting one of the competition days and we thank them for their continued support.

Pembroke School
Pulteney Grammar School
Mercedes College
St Peters College
Scotch College
Christian Brothers College
Rostrevor College
St Ignatius College

At a meeting of Cross Country Coordinators held at the end of Term 3, some very innovative ideas were bought forward which may be useful for the future development of the sport. One of the suggestions was to hold a relay event as part of the 2002 competition, this would be done in conjunction with SASSSA This could add some dimension and variety for our students, in particular the more talented cross country athletes.

It was heartening to note the number of schools represented at this meeting. The sharing of ideas with an aim to improving the competition for our students was an obvious priority.

COMBINED BASKETBALL

This year the Annual Game between ISSA and SASSSA was held on Saturday March 17th at the Clipsal Powerhouse, as a curtain raiser to the 36's second semi final.

The game highlighted the high level of skills by both teams, and it was evident that both sides were made up of some very talented young players.

The ISSA team were successful in winning the game 98 –67

ISSA wishes to thank Wayne Hoffman, Brian Cadd and Steve Sparrow for their continued support as Officials of our Representative Basketball Team.

We also wish to record our sincere thanks to BASA through Colin Thompson for their continued support of this game - not only in allowing us to play at the Powerhouse, but in also supplying umpires, timekeepers,and scorers, all of whom play a vital part in enabling a game such as this to take place.

Front Row: Michael Zorich (TC), Darren Ng (SPSC), Brenton Campbell (Captain - CAB), Nathan Vaughan (CAB).

COMBINED CRICKET

This year the Annual Match between ISSA and SASSSA was held on the Adelaide No 2 Oval.

The SASSSA team won the toss and elected to bat first. Their batsmen were averaging three to four runs per over for the first fifteen overs on a very friendly wicket However Daniel Callum from Westminster School was able to slow the run rate down remarkably well with his off breaks and this put pressure back on to the batting side with the fall of three wickets. James Tisato from St Ignatius College, and Matthew Burr also from Westminster eventually restricted their opponents to 7/163 off 50 overs.

However, when it cam out time to bat the heavens opened and the match was abandoned after four overs due to inclement weather. This is the first time for many years that this has occurred.

ISSA wishes to thank the following personnel for the time and effort they have continued to give in the preparation of the players for this annual match.

Tim Hart as Coach of the team, Peter Williams and Steve Clohessy who assisted as Selectors, Barry Cashman as Manager, and David Parsons as our Umpire.

We also acknowledge SACA for their continued support of this game, and trust that in 2002 we will be able to complete the game without the inclement weather.

Front Row: Daniel Callum (WS), Josh MLean (WS), Matthew Burr (WS), Callum Ferguson (Captain - MHS), Tom Plant (IC), Trent Kelly (IC).

FOOTBALL

Although the Football program continues to be a strong and vital competition, it is noticeable that over the past few years the number of boys playing football within our schools has not increased. Many schools have chosen to play fifteen a-side which has enabled them to keep the status quo within their age groups, on the other hand some schools have been forced to only enter one team at each age group.

There continues to be a variance in the standard of team across all age groups, from the first eighteen right through to the primary grades. Re-drawing the program for Term 3 at the senior level has assisted schools in achieving a more even competition, however, because of the nature and make up of our member schools, there is a limit to how much can be done to assist in this way.

The results of the semi finals of the Pool A McDonalds Cup were:

St Michael's College	21.15	def	Prince Alfred College	7.7
Sacred Heart College	17.12	def	Wirreanda High School	6.0

The Grand Final was played Tuesday September 18 under lights at the Norwood oval.

Sacred Heart College	18.11	def	St Michaels College	5.4

Player of the Match was awarded to Jamie Vlatko from Sacred Heart College who received the ' Colin Steinert Medal.'

In the Year 8/9 Knockout Competition, Sacred Heart won the Grand Final by defeating Aberfoyle Park High School, 16-13 to 8.10. The SANFL provided Medallions for the winning teams and appointed umpires for the final which was played at Glenelg Oval on September 19th.

ISSA wishes to thank Frank Leonard for his interest and support, and to SASSSA for their organisation of these Knock out competitions.

The SANFL, through both Shane Harris and Mark Bywaters, have continued to assist us with their appointment of an Independent Schools Umpire Panel Supervisor in Robert Murphy , who was ably assisted by Colin Steinert.

We thank both Robert and Colin for the work they have done in training and placing Umpires to our afternoon games, and also for their efforts in assisting schools with umpires for the morning competition.

COMBINED FOOTBALL

On a perfect Wednesday evening at Norwood Oval, SASSSA defeated ISSA by four points to finally come out winners in a memorable game of football.

Both teams showed desperation and skill in a game that went down to the final siren, with neither team giving an inch all night.

Outstanding performances by Vinnie Rugolo and Brett Ebert from St Michaels College, were well supported by wingman Jayce Richardson from Woodcroft, and Andrew Alcsci from Blackfriars.

Prince Alfred College player Ben Gunning displayed immaculate skills on the ball, whilst Jamie Vlarko from Sacred Heart was the chief architect up forward kicking three of our eight goals.

The game was played in a tremendous competitive spirit, and once again the behaviour and character demonstrated by these lads must be commended. They represented their school and ISSA with pride and integrity.

The Association thanks Ron Pippett , as Coach, Barry Cashman, Manager, Tim Hart Assistant Coach and , Deryck Ashcroft Runner for their valued input into this game.

PRIMARY REPRESENTATIVE FOOTBALL

A squad of over fifty players tried out for the 2001 under 12 Independent Schools team. Training sessions took place at Richmond Oval over a six week period Players demonstrated enthusiasm and keenness throughout these sessions.

Michael Buttfield, Craig Fosdike and Steve Hamra facilitated the training sessions, and set out to provide the players with a positive, varied learning environment.

It is always difficult to select a final team and this year was no exception. Most players tried very hard to perform at their best level to be considered for selection. Robert Parish from Blackfriars Priory School as Captain and Henry White from St Peters College, are two players in particular who deserve mention for both their leadership and talent.

The game against the State Schools was played at Sacred Heart College on the 7th July. Although the ISSA team tried hard, they were outclassed by a more talented, skilful and sometimes aggressive team.

The final score was an indication of the difference in these two teams.

State Schools	12 goals	7 points
Independent Schools	1 goal	1 point

Our Best players were:	Henry White	(SPSC)
	Ben Moyle	(RC)
	Robert Parish	(BPS)

Congratulations to the following boys for being chosen in the State Under 12 Team

Henry White	St Peters College
Robert Parish	Blackfriars Priory School
Ben Moyle	Rostrevor College
Jayden Buller	Christian Brothers College

ISSA wishes to thank Steve Hamra, Mike Buttfield and Craig Fosdike for the time and effort they gave in support of the boys and the selection of the team.

SAVE YOUR SKIN SUNSMART

Government of South Australia

COMBINED SOCCER 2001

The Independent Schools Combined Soccer Team was chosen from a group of approximately forty boys after four weeks of intensive training.

The match was played at the Enfield City Soccer Club on Sunday 17th June, and we again thank the Officials of Enfield City for enabling us the use of their facilities.

The game was well contested with both sides displaying a high level of skill, good sportsmanship and pleasing team work.

After a hard fought game ISSA eventually showed their superiority by defeating the Combined Secondary Schools 5-2.

ISSA thanks the officials involved with the team for their commitment and willingness to assist. Particular thanks to Ray Costar and Noel Karchar as Coach and Manager of this team.

© JAMES MANIFOLD PHOTOGRAPHY

COMBINED SOCCER TEAM - 2001

TABLE TENNIS

Table tennis continues to be supported by a growing number of schools, particularly at both primary and year eight level.

Friday evening has become a very acceptable time for many schools, not only does it enable those students who wish to play another sport on Saturday morning, but it also gives school much more flexibility with the use of their indoor facilities.

TENNIS

Tennis at all levels continues to be a very popular sport. The primary competition increased quite markedly this year, and all other year levels showed good representation from most schools.

Again the problem of court availability has arisen, particularly within the co-ed schools where many of these schools also have a large program for the girls.

However there are some strategies which schools have used to assist them, the most common being using two time-slots on the courts and thus enabling many more teams to be programmed on the same courts.

SAVE YOUR SKIN SUNSMART

SOUTH AUSTRALIA
Government of South Australia

SOCCER

This year has again seen a continued increase from 2000 in the number of boys wishing to play soccer within our competition.

As was reported last year, this increase in the number of teams, impacts directly upon the facilities available at various schools and in many cases the lack of available soccer pitches both at schools and within the community is becoming quite a serious problem.

We continue to enlist the assistance of the South Australian Soccer Referees Association through David Keniwell, and ISSA wishes to sincerely thank all those involved for continuing to support our Saturday morning senior program. The task of finding referees for our games is becoming increasingly difficult as it seems that the older referees retire and the supply of a younger generation of referee is not forthcoming in the same manner.

SAVE YOUR SKIN SUNSMART

Government of South Australia

DRIVE TENNIS

This excellent Saturday morning tennis competition involving the elite players from our schools has continued to flourish.

It is now three years since the Next Generation took over the ownership of the previously known Drive Tennis Courts, and we have continued to work with the new groups with very little obvious change to our administration.

The teachers involved with the Student Tennis continue to support this ongoing program and have accepted the changes willingly and have assisted in every way towards the smooth running of the competition.

DRIVE TENNIS RESULTS 2001

A1 PREMIERSHIP TABLE AND POINTS

ST MICHAELS COLLEGE	26
MARRYATVILLE	24
ST PETERS COLLEGE	22
WESTMINSTER SCHOOL	14

Winner of the Division 2 Trophy 2001	Blackfriars Priory School
Joint winners of the Player of the Year Division 2 2001	Mathew Lukaszewicz Blackfriars
	Troy Wuttke Immanuel College

HOCKEY

Our hockey competition in the year 2001 showed similar numbers as the previous years, although again there were no new schools showing an interest in the sport.

We extend our thanks to those school who have again allowed ISSA to use their synthetic surface each Saturday morning. Those schools involved are, Christian Brothers College, St Peters College, Pulteney Grammar School and Prince Alfred College. In addition we have continued to use Woodville, Adelaide University, and Golden Grove.

ISSA is grateful to Hockey SA, through Peter Delacey for supplying and allocating Umpires to most of our games, this is indeed a service we hope will continue. We must add our thanks also to Margaret Grieve who assisted Peter with supplying Umpires to the Golden Grove venue.

The Primary competition was again shared between Adelaide Hockey Club and Burnside Hockey Club, both in the use of facilities and umpires. We thank them for their willingness to assist and trust that their clubs gain something from this interaction with our schools.

This competition has grown very little in the last few years, again no new schools have entered , which allows very little development into the secondary level.

VOLLEYBALL

The Volleyball competition has continued to grow, particularly in the lower age groups, this is indeed encouraging for the supporters of the sport.

ISSA continues to be grateful to those schools who made their facilities available for regular use, namely, Rostrevor College, Blackfriars Priory School, Christian Brothers College Pulteney Grammar School, and to a lesser degree Pembroke School and St Peters College.

Our Association thanks Volleyball SA for their assistance with supplying referees at most venues. ISSA also records their thanks to the teacher involved in assisting in overseeing the venues each Friday afternoon.

With the advent of the new City Beach Volleyball Centre, there has been approaches made to our schools to become involved in a Friday night competition. Although this could have been a good option for those schools playing Volleyball, the fact that it is held on the same evening as our normal Volleyball competition has meant that none of our schools have become involved.

SWIMMING

The Wednesday afternoon swimming competition involves sixteen schools who compete weekly at various Schools. We again thank those schools and their personnel for organising the weekly 'meets' allocated to their pool - those schools being:_
St Peters College, Rostrevor College, Scotch College, Prince Alfred College and Pembroke School.

The final was again held at Pembroke School, and ISSA thanks those involved at the School for their assistance and cooperation. Mr Malcolm Lamb, Principal of Pembroke School represented the Executive and presented the cup to the winning school.

Final results were:

PEMBROKE SCHOOL	637
PRINCE ALFRED COLLEGE	627
ST MICHAELS COLLEGE	625
ST PETERS COLLEGE	558
ROSTREVOR COLLEGE	541
IMMANUEL COLLEGE	482
WESTMINSTER SCHOOL	431
MERCEDES COLLEGE	311

WATERPOLO

Waterpolo remains a strong sport within those schools who have the tradition, however this year there was a notable increase in the number of junior teams competing, including some schools who were new to the sport.

The Adelaide Aquatic Centre continued as the venue for both the Open A/B and the year 10 competition. Although the cost of this venue has risen slightly, without the use of this facility our program would not exist. We are grateful to Anne Kurzel at the Aquatic Centre for her assistance and support at all times.

We continued to hold the year 9 competition at Pembroke School, and we thank those involved there for their assistance and cooperation.

The year 8 competition was held at the Payneham Swimming Centre and this proved to be an excellent venue for this age group. We hope to be able to continue with this venue in the future.

We are again grateful to Gary Mavrenic from the Waterpolo Association for the organisation of the referees on a weekly basis.

There have been some concerns regarding the suggestions that water usage at the Aquatic Centre may become very expensive in the near future. We will need to monitor this and be proactive in our support of any issue regarding increase cost of pool hire. Without the Adelaide Aquatic Centre it would be very difficult to replace such a venue to enable our competition to continue in the same format.

NATIONAL SCHOOLS REPRESENTATION

Students from ISSA Member and Associate Schools were widely represented in the following sports in the year 2001.

17 YEARS and under BASEBALL

Josh Cakebread	St Michaels College
Tyrone Hambly	St Michaels College
Tim Johnson	St Michaels College
Daniel Hewson	Sacred Heart College
David Karaduman	Prince Alfred College
Leigh Symons	Prince Alfred College
Anthony Winnick	Rostrevor College

15 YEARS CRICKET

John Pratt	Blackfriars Priory School
Tom Kurzel	Blackfriars Priory School
Adam Murphy	Westminster School
James Harford	St Peters College
Russell Biar	St Michaels College
Simon Schwerdt	Rostrevor College

BOYS and GIRLS CROSS COUNTRY

William Evans	Pembroke School
Edward Petney	Pembroke School
Elicia Kelly	Immanuel College
Ben Rogers	Trinity College
Alison Burgess	Mercedes College
Lucy Cashen	Mercedes College
Michael Connelly	St Ignatius College
Ryan Hage	Mercedes College
Craig Knowles	Pedare Christian College
Toby Medlin	Pembroke School
Damien Pryer	Mercedes College
Chris Hartley	Mercedes
Rebecca Kozien	Trinity College

Under 16 FOOTBALL

Heath Commane	Trinity College
Bradley Symes	Trinity College

Under 19 GOLF

Brad Smith	Scotch College
Darren Baynes	St Michaels College

Under 17 BOYS HOCKEY

David Cresp	Christian Brothers College
Nick D'Ardenne	St Peters College
Daniel Purvis	Marryatville High School
Charles Rundle	St Ignatius College
Andrew Searle	Westminster School

GIRLS 16 YEARS HOCKEY

Katherine Banning	Pembroke School
Ali Burnett	Pembroke School
Sarah Harrison	Trinity College
Janelle Pisani	Gleeson College

UNDER 2O BOYS AND GIRLS SOCCER

BOYS

Noah Albanese	King's Baptist Grammar School
James Cervone	Christian Brothers College
Aaron Coultate	Pulteney Grammar School
Adam Pedron	Rostrevor College
Steven Pirone	Pedare Christian College
Michael Sancilio	Christian Brothers College

GIRLS

Bernie Elston	Concordia College
Carly Fairbank	Pembroke School
Amelia McCarthy	Mercedes College
Renee Romeo	St Ignatius College
Dominique Wufel	Concordia College
Miriam de Sousa	Mr Carmel College

BOYS and GIRLS TRIATHLON

Richard Anderson	Marryatville High School
David Beare	Marryatville High School
Nick Dawson	Marryatville High School
Dylan Greeff	Prince Alfred College
Michael Hallett	Prince Alfred College
Jamie Jagodnik	Cabra Dominican College
Adam Leaker	Marryatville High School
Erin Beare	Marryatville High School
Jess Flint	Westminster School
Emma Sexton	Marryatville High School

UNDER 16 BOYS and GIRLS VOLLEYBALL

Ashley Bowen	Mt Carmel College
Matthew Haarm	Concordia College
Brad Tutton	Immanue College
