Government of South Australia

EXECUTIVE REPORT

I am pleased to present the Annual Report of the Independent Schools Sports Association for the year 2004.

Once again the Association has admirably fulfilled its aim of providing significant educational opportunities by conducting an extensive sporting programme for the young people of its member schools. Furthermore, it has also enhanced the positive relationships between staff, student and parent communities of the schools through their participation in these activities.

I wish to thank the members of the Executive, comprised of the Heads and Principals of our member schools, for their continued commitment to ensuring that our competition is conducted with due regard to the highest standards of sportsmanship, resource provision, coaching and supervision, across all of the sports, and at all levels of competition.

The number of schools in the competition has remained at 26 this year, with a further 2 schools invited to participate in some of the activities as they build towards full membership of the Association.

During the course of the year the Executive Committee approved several policy and procedural statements. The first of these was the ISSA Code of Practice, which outlines the responsibilities of member schools, coaches, students and spectators, as well as a set of agreed disciplinary and reporting procedures. This was followed by the adoption of the extreme weather policy, consisting of a blanket cancellation procedure and a series of guidelines for conducting activities under difficult weather conditions. A number of changes were also approved for the age-group structure of the annual Achilles Cup athletics carnival.

The other matter of significant concern was the issue of the affiliation fee structure for SASSSA and its impact on our member schools. After much discussion, a compromise solution was agreed, which saw a return to a tiered fee structure rather than the capitation fee which had been the only option for the previous two years.

I would like to acknowledge the work of the Sports Co-ordinators Committee and thank them for their commitment to the Association and their work in maintaining the quality of our competition. In particular, I wish to thank Mr Steve Clohesy the retiring Chairperson of the committee for his work over many years. On behalf of the Executive, I offer our heartfelt thanks to the many coaches, managers and officials who generously support us, our students and their families.

It is appropriate to thank and to pay tribute to the many fine young people in our schools who participate in our competitions with great energy and enthusiasm, and who demonstrate commitment to the ideals of sport, to sportsmanship, and to achievement at the highest levels.

During the year we farewelled a number of members of the Executive who have had a long association with our competition and I wish to acknowledge the contributions of Br John Pill, Ms Kate Castine, Mr Richard Burchnall, Ms Catherine Alcock and Dr Stephen Codrington.

At the end of my two years term as Chair of the Executive I would like to express my personal appreciation and thanks to our Executive Officer, Ms Jill George. On behalf of all the members of the Association, I thank her for the outstanding work she does on our behalf and for the expertise and wisdom she brings to the administration of what is indeed a large and diverse competition.

Mr Chris Blake
Chairperson
ISSA Executive

SPORTING ADMINISTRATOR'S REPORT

The Secondary Coordinators met four times during this year, the last meeting taking the form of a one day Conference at St Paul's Function Centre. Mr Steve Clohesy from Sacred Heart College continued in the Chair and as such also represented the Coordinators at the Executive Meetings.

We must thank Mark McGarry from Pulteney Grammar School, who continued to allow us to hold our meetings at Pulteney Grammar School, rather than move from one school to another.

Both the Coordinators meetings and the Conference were again very well attended and ISSA acknowledges the support of the very busy group of people who work extremely hard enabling the students at their school the opportunity to play sport with their peers.

Some of the topics discussed at our meetings and Conference were:

Codes of Conduct
Hot Weather Policy
SASSSA Affiliation Structure
Representative Teams
Achilles Cup Age Groups
The Future of School Sport
Life Membership and Service Awards

At the Annual Dinner held at St Paul's Function Centre, Br Pat Cronin represented the Executive and presented Life Membership awards to the following people from our member schools:

Steve Clohesy	Sacred Heart College Senior School
Brian Callaghan	Pembroke School
Barbara Flemming	Sacred Heart College Middle School
Peter Judd	St Paul's College
Iain Langusch	Pembroke School

It is gratifying indeed to have a process in place that enables us to recognise some of our hard working personnel within our schools who have spent many years supporting the school sport program. We are all aware that the future of these programs relies heavily upon the willingness of people such as these.

The Primary Sports Coordinators met at Christian Brothers College Junior School, with Mike Buttfield again in the Chair.

Again these meetings are very well attended and this group of teachers work very hard in giving their students opportunities for sport within their school. It would seem appropriate for the Primary Coordinators to also attend a Conference near the end of the year where issues can be discussed in much more detail than at after school meetings.

As Sporting Administrator I wish to thank all Coordinators for their cooperation and commitment to the ISSA programs. In particular I wish to thank Steve Clohesy as Chair of the Secondary Coordinators for his leadership and Mike Buttfield who continues to lead the Primary Coordinators in his position as Chair.

I also convey my very sincere thanks to Mr Chris Blake, Chair of Executive for the continued support he has given me in my role with the Association. He finished his term as Chair at the end of 2004 and we welcome Mr Bradley Fenner as the new Chair of ISSA for the next two years.

Finance Report

INDEPENDENT SCHOOLS SPORTS ASSOCIATION

The Income and Expenditure statement for the period 1/1/04 to 31/12/04 and the Balance Sheet as at 31/12/03 have been drawn up so as to represent, to the best of my knowledge and belief, a true record of the affairs of the Association for the year ended 31 December 2004. The amounts have been individually rounded up.

Accounting Policies

These reports have been prepared for the information of members as required under the constitution and to fulfill the Association's statutory obligations.

George
Sporting Administrator
8/3/2005

Audit Report

I have audited the financial reports of the Association consisting of the Income and Expenditure statement for the period 1/1/04 to 31/12/04 and the Balance Sheet as at 31/12/04. The audit was conducted in accordance with Australian Auditing Standards. Procedures included an examination of evidence supporting the amounts. These procedures have been undertaken to form an opinion as to whether, in all respects, the financial reports are presented fairly in accordance with the accounting policies of the Association.

In my opinion the financial reports present a true and fair view of the results of the Association as at 31 December 2004 and the results of its operations for the year then ended.

ATHLETICS

On September 23 2004 on a very pleasant breezy but warm day, The Achilles Cup was held at Santos Stadium.

It was indeed gratifying to welcome Adelaide High School back into this competition after many years of not being involved. We can now boast of sixteen schools competing in this event, this being the maximum number we can manage. If more schools are keen to compete in the future, a method of promotion/relegation will need to be discussed and eventually put into place.

Rostrevor College was the host school and we pass on our sincere thanks to Mr Paul Wadsworth and the group of very willing students who assisted in carrying out a variety of tasks throughout the day.

The day ran smoothly and again we were able to complete the day well within the anticipated program time.

Again we need to record our thanks to our key officials who worked from very early in the morning setting up to well after the end of the day's events. Their expertise is vital to the efficient running of the Achilles Cup.

Again, staff at Trinity College assisted in the implementation and operation of the Computer program. Very special thanks should be recorded to Brian Quill who spent many hours working with the Coordinators in use of the computer and the nomination forms. Each year we have improved the process of recording and there were very few 'glitches' at the end of the day.

Mr Jeff Croser, Principal of Rostrevor College, and Mr Chris Blake Chair of ISSA Executive, presented trophies and pennants to the winning Schools. Br John Pill, Principal of St Michael's College, assisted with the presentations, and it was pleasing that he could assist at his last Achilles Cup before moving to Sydney to a new School.

St Peters College was victorious in Group A defeating Pembroke who came second. St Michael's College was the winner of Group B with Immanuel College in second place.

Final Places were:

GROUP A	**GROUP B**
St Peters College	St Michael's College
Pembroke School	Immanuel College
Trinity College	St Ignatius College
Prince Alfred College	Westminster School
Rostrevor College	Adelaide High School
Christian Brothers College	Concordia College
Pulteney Grammar School	Scotch College
Sacred Heart College	St Paul's College

The Age Pennants were won by the following Schools:

U14	Trinity College	St Michael's College
U15	St Peters College	St Ignatius College
U16	Pembroke School	Immanuel College
U17	St Peters College	Adelaide High School
Open	St Peters College	St Michael's College

BADMINTON

Badminton continues to be a popular option for many of our students and is becoming increasingly popular with our overseas students.

For the year 2004 there were sixty four teams nominated which was approximately the same number as 2003.

The games are played at 9.00 a.m. and 10.30 a.m. Saturday mornings. This time seems to be the best time to play this sport taking into account that the facilities used for badminton are usually multi purpose.

CROSS COUNTRY

Cross Country is held each Wednesday night at a variety of courses hosted by various schools.
In 2004 twenty schools nominated to be involved, with ten schools again indicating a willingness to host.

ISSA thanks those schools who willingly supported the event by hosting – obviously there is extra work involved and without their support the competition would not eventuate

Those schools who hosted in 2004 were:

Mercedes College
Rostrevor College
St Ignatius College
Immanuel College
Christian Brothers College
Concordia College
Pulteney Grammar School
Pembroke School
St Peters Junior School
St Pauls College

The relay this year was not combined with SASSSA but hosted by Mercedes College with Gary Zerner as the convenor of that event. We thank Gary for offering Mercedes for the relay and also for organising the event on the day.

FOOTBALL

The ISSA Football competition has continued in 2004 to be a strong and vital part of our sporting program. This year there were one hundred and forty three teams nominated for our secondary and primary competition – a slight increase from 2003.

The results of the TXU SANFL/ Secondary Schools Open Football Pool A semi finals were as follows:

Sacred Heart College		def	Blackfriars Priory School	
Rostrevor College	14.9	def	Prince Alfred College	9.2

The Grand Final was played on Tuesday 24th August under lights at the Norwood Oval. Sacred Heart College defeated Rostrevor College 17.4 to 2.4

Player of the Match was awarded to John Hinge (Sacred Heart College) who was presented the 'Colin Steinert Medal'.

In the year 8/9 Statewide Knockout Competition, Sacred Heart College won the Grand Final defeating Henley High School 14.5 to 8.7 at the Max Basheer Reserve on September 1st.

Winner of the Malcolm Greenslade Medal for 2004 was Hamish Hartlett (Sacred Heart College).

We record our thanks to SASSSA and in particular Margaret Anderson for their organisation of these Statewide Knockout competitions. We also acknowledge that SANFL provide umpires, grounds and medallions for these finals.

The SANFL through Shane Harris and Mark Bywaters, has continued to assist us with the appointment and payment of an Independent Schools Umpire Panel Supervisor in Robert Murphy who again was ably assisted by Colin Steinert. We thank them both for the work they have done in the training and placing umpires for our afternoon games.

ISSA continues to have a close relationship with the SANFL and in particular with Darren Trevina regarding the elite programs where some of our students are involved. Both clubs and schools need to work together to ensure that the best avenue is found for the talented players within our schools.

PRIMARY GOLF

Primary Golf continues to have a large following of keen young golfers who become involved in a variety of programs offered through ISSA.
Three Sunday morning clinics were held – one at Adelaide Shores and two at Grange Golf Club with large numbers of students keen to attend.

The ISSA Primary Golf Day was held on August 20th under the leadership of Mike Buttfield from CBC. We particularly recognise the continued hard work done by some of our Primary Coordinators and also acknowledge the longstanding commitment to Primary Golf by Mike Buttfield.

The SAPSASA Golf Day was held on September 2nd with our ISSA schools well represented.

PRIMARY FOOTBALL

The ISSA Primary Football Competition continues to develop with thirty nine teams involved in 2004.

The selection of eight boys into the Primary State Football team is further testimony to the standard and strength of our school's competition.

The following students represented our state in the School Sports Australia Football Exchange, which this year was held in South Australia at various League Grounds.

Jake Tiller	Westminster School
George Hurley-Wellington	St Andrews School
Christian Calabrese	St Peters College
Lachlan Earl	Sacred Heart Middle School
Sam Barnett	Sacred Heart Middle School
Jarrod Hales	St Michaels College
Callum Hay	Blackfriars Priory School
Alex Kangar	Immanuel College

SOCCER

Soccer continues to be a popular sport within our schools – with two hundred and forty two primary and secondary teams competing each weekend.

However, the increase in teams has caused some concern due to lack of adequate facilities. Some schools are finding that the number of soccer pitches available has not kept up with the increase in the number of students wishing to play the game.

The issue regarding students playing for local clubs versus playing for their school is as prevalent as previous years, and it seems that this problem has to be addressed by the individual schools involved in whichever way they see appropriate.

The following teams entered into the SASSSA Open Boys Pool A Statewide Knockout through our program – Blackfriars Priory School, Prince Alfred College, St Ignatius College, St Michaels College, St Pauls College, and Rostrevor College.

Rostrevor College came through to the Grand Finals as the ISSA representative and defeated Norwood Morialta 2 goals to one.

In the Pool B Open Boys Grand Final St Pauls College 4 defeated Glossop High School 2.

In the year 8/9 Boys Soccer knockout grand final which was held at Hindmarsh Stadium, Rostrevor College 0 defeated Adelaide High School 0 (4-1) on penalties.

We are indeed fortunate to have the continued support of the South Australian Soccer Referees Association through Chris Young to assist with the provision and placement of referees for our Open A and Open B Soccer games.

However, it became apparent this year that even at our school's level the number of referees available are becoming less and for the first time for many years we were not able to allocate referees to all Open B games.

DRIVE TENNIS

Drive Tennis continues to be an important part of our sporting program involving the elite tennis players from our schools.

This year Pedare Christian College entered into the A2 competition, thereby giving us twenty schools in both A1 and A2, this being the largest number of schools ever involved in "Drive Tennis"

Because of the increase in teams in each grade the draw needed to be altered to allow all schools to play each other once in Term 1 and then a draw for Term 4 based on the positions of the teams at the end of Term 1.

DRIVE TENNIS TABLE 2004

A1

1. MARRYATVILLE HIGH SCHOOL
2. ST PETERS COLLEGE
3. ST IGNATIUS
4. SACRED HEART
5. PEMBROKE SCHOOL
6. PRINCE ALFRED COLLEGE

8. ST MICHAELS COLLEGE
9. UNLEY HIGH SCHOOL
10. BLACKFRAIRS PRIORY SCHOOL

Winner of the Next Generation/Memorial Drive Trophy Div 1	Marryatville High School
Winner of Player of the Year for Division 1 2004	Tom Cooper St Peters College

A2

1. IMMANUEL COLLEGE
2. SCOTCH COLLEGE
3. WESTMINSTER SCHOOL
4. ROSTREVOR COLLEGE
5. PEDARE CHRISTIAN COLLEGE
6. PULTENEY GRAMMAR SCHOOL
7. CHRISTIAN BROTHERS COLLEGE
8. WOODCROFT COLLEGE
9. TRINITY COLLEGE
10. ST PAULS COLLEGE

Winner of the Division 2 Trophy 2004	Immanuel College
Winner of the Player of the Year Division 2 2004	Andrew Oermann Trinity College

TABLE TENNIS

It seems that Table Tennis is a popular option for many students and the number of teams again has increased since the previous year.

Being able to play Friday after school appeals to many students and indeed also to some of our supervising teachers – thus the overall increase in competing teams.

Appropriate and adequate venues seem to be the main problem facing some schools – increased teams often brings other problems, which need addressing.

TENNIS

Tennis continues to be a popular option for many of our students with some schools increasing the number of teams quite dramatically.

I have commented previously upon the problems often bought on by having a lot of teams and that is the lack of available courts both within the schools and in the wider community. Some of the co-ed schools have the added problem of needing to share their courts with the girl's competitions – thus creating further problems with court availability.

It is only the flexibility of our programs, which enable us to work through these issues and satisfy all parties concerned.

be active.

Government
of South Australia

HOCKEY

Over the last few years hockey has suffered from lack of numbers and no real growth or development in most of our schools. The numbers at the Open level have shown no increase for two or three years and even though the younger age groups seem to have a reasonable number of teams involved there seems to be no obvious flow through to the older age group.

Hockey reflects some of the same problems as Waterpolo, in that the schools where Hockey has a predominance of good players tend to cause a greater gap between these schools and those who do not have that strength.

We thank those schools that have again allowed ISSA to use their synthetic surface each Saturday morning. Those schools involved are, Christian Brothers College, St Peters College, Pulteney Grammar School and Prince Alfred College. In addition we have continued to use Adelaide University grounds at West Beach, Golden Grove, and Woodville.

The primary competition has continued to provide a sound base for those schools involved. St John's Grammar School competed this year and it was encouraging to welcome a new school into the competition.

The games are played between two grounds – Adelaide Hockey Club and Burnside Hockey Club – both providing umpires as well as facilities. We thank them for their willingness to assist with this program.

VOLLEYBALL

The number of teams involved in the ISSA Friday afternoon competition has increased again this year. This is particularly obvious at the year 8/9 level.

Reasonably static numbers have allowed us to continue to hold all the Open A games at Rostrevor College. Thanks to Glen Urbani and the students from Rostrevor who have assisted in the refereeing of the games.

Open B Volleyball has too many teams involved to allow us to only use one or two venues – therefore we have been forced to use a number of venues.

Year 8/9 Volleyball has shown the largest increase in numbers of teams and as with the Open B teams we have had to access quite a wide range of venues each Friday.

Thanks to the following schools whose facilities ISSA has consistently used - Rostrevor College, Blackfriars Priory School, Christian Brothers College, St Peters College, Concordia College, Pulteney Grammar School, Pembroke School, St John's Grammar, Westminster School, and to a lesser extent Adelaide High School.

SWIMMING

The ISSA Swimming competition, which is held on Wednesday afternoons, has continued to be a popular choice with our member schools, with nineteen schools being involved in 2004

We are again indebted to those schools for allowing the use of their pool and for the school swimming personnel for organising the weekly meets; namely, Pembroke School, Prince Alfred College, St Peters College, Scotch College, Westminster School, and Rostrevor College.

The final was again held at St Peters College and we convey our thanks to Mr Laurence Humphrys and our small group of judges and recorders for assisting us in running the event. Because of the excellent facilities at St Peters College, the event is run with the minimum of effort.

The final results were:

PEMBROKE SCHOOL	689
ST PETERS COLLEGE	628
PRINCE ALFRED COLLEGE	599
ROSTREVOR COLLEGE	517
WESTMINSTER SCHOOL	510
PEDARE COLLEGE	418
TRINITY COLLEGE	417
MERCEDES COLLEGE	380

WATERPOLO

Waterpolo remains an important sport for a small number of our schools who have a strong tradition within that sport. However, many of our schools who would like to introduce waterpolo as a competitive sport are finding it much more difficult than it seems.

For any long term success in this sport, the school/s need to have easy access to a pool suitable for playing waterpolo, and qualified coaches/teachers to assist with the development. The trend over the last few years within the ISSA competition is that new schools don't seem to be able to expand the number of teams and in fact often after a year of participation they do not continue.

The Adelaide Aquatic Centre continues to be the venue for the Open A/B and the year 10 competition. We receive excellent cooperation and support from Anne Kurzel who assists with our bookings and is most understanding to the needs of our schools.

This year we again accessed pools from the following schools – Pembroke School, and St Peters College – and we are most grateful for their support and involvement with the Friday night competition.

We are grateful to John Harmer who represents the liaison person between ourselves and the Waterpolo Association and also assists with the organisation of the referees.

2004

Steve Clohesy	Sacred Heart Senior School
Brian Callaghan	Pembroke School
Barbara Fleming	Sacred Heart Middle School
Peter Judd	St Pauls College
Iain Languish	Pembroke School

LOOKING BACK

Until 1965 this Association was known as "The Students' Football Association" and in 1966-67 it became known as "The Students' Cricket and Football Association."

In June 1967 it became "The Independent Schools Sportsmasters' Association" and a draft Constitution was drawn up. This continued until 1971 when it was re-named as "The Independent School's Sports Association."

The present Association was formed in 1977, where a new Constitution was drawn up and an Executive Committee formed, consisting of Headmasters and the Chairman and Secretary of ISSA.

Since 1978 this Executive Committee has met on a regular basis, and all recommendations from the Sportsmasters are taken to this group for endorsement.

In the year 2000 the Constitution came under review, and a new draft document was presented to the 2001 Annual General Meeting. The major changes to the Constitution involved the membership criteria and the forming of only one category of membership.
