EXECUTIVE REPORT

I am pleased to present the Annual report of the Executive of the Independent Schools' Sports Association for 2005

In general, I believe we can see many positive aspects in the conduct of sport amongst our schools. Whilst we can always identify areas for improvement, we should be proud of offering the major school sporting competition for boys in South Australia. The continuing interest of other schools in joining our competition is evidence of its success.

Whilst the number of schools in the competition has remained steady during this year, we have seen development in a number of areas. I am grateful to all members of the Executive for their continuing commitment to the organization and its activities. I would also wish to express my appreciation to our Sports Coordinators who carry much of the burden in organizing individual sports, as well as the overall sporting involvement of their schools. Thank you also to the teachers, volunteers and others who assist as coaches, managers and officials.

During 2005, we reviewed the requirements for membership and the Executive Officer Jill George and I spoke with Heads and Sports Coordinators in some schools about their prospective or ongoing membership. Heads re-affirmed the importance of Heads supporting the organization through attendance at meetings and engaging in ISSA decision-making.

A major review of the structure and activities of ISSA was initiated in 2005 as a result of concerns raised by both Heads and Sports Coordinators. Whilst recognizing the many strengths of ISSA, we are conscious of the challenges that face us and the need to be flexible and proactive in a changing environment. A task group of Heads provided some valuable ideas which led to a planning workshop early in 2006. This will in turn inform a review undertaken by a consultant, with the support of key people within the organization. We look forward to seeing the recommendations from this process.

A second area of consideration has been the Achilles Cup, where the management of the event, and specific activities, is being reviewed by an external consultant, particularly from the safety perspective. Again, we look forward to this process being completed to provide us with directions for the future.

In conclusion, thank you again to all those involved in delivering the large and extraordinarily complex ISSA sporting programmes. In particular, I would like to express the appreciation of all members to our Executive Office Jill George for her fine work in so many areas.

Mr Bradley Fenner
Chair
ISSA Executive

SPORTING ADMINISTRATOR'S REPORT

The Secondary Management Committee with Anthony Bannon in the Chair, met three times during the year and we thank Mark McGarry from Pulteney Grammar School in again organizing the venue. The fourth meeting was held in conjunction with the Annual Conference which was held at St Pauls Function Centre.

In the main the Secondary management meetings were very well attended and I acknowledge and thank the Coordinators for their input into these meetings.

Mr Bradley Fenner Chair of ISSA and Mr Graham Lange Chair of the Futures Directions of ISSA Committee attended the August meeting and spoke briefly on the background of the Committee and some of the issues which had arisen. The Coordinators agreed to have this as a main topic to be discussed at the October Conference.

Some of the topics discussed at our meetings and the conference were:
SASSSA Knockout – new format for issue
Achilles Cup – age groups and viability of some events
Police Checks
Compulsory Sport SA
Future Directions of ISSA

Visitors to our meetings consisted of
ISSA/SANFL Umpires Conveners
Representatives of the Executive

At the Annual Dinner held at St Pauls Conference Centre, Mr Chris Blake representing the Executive assisted Mr Anthony Bannon in awarding Life Membership to the following people:

Richard Bednall	Trinity College
Brian Ferris	Westminster School
Peter Sawley	Sacred Heart Middle School
David Wallage	Westminster School
Peter Williams	Prince Alfred College

It is indeed gratifying to be able to acknowledge those sports coordinators/coaches from schools that have spent many hours over a long period of time involved with the ISSA sports program. These programs rely on people such as these and the many others throughout our member schools, without their involvement our sporting competitions would not exist.

The Primary Sports Coordinators met three times in 2005, under the leadership of Mr Mike Buttfield of Christian Brothers College.

We are indeed fortunate to have a group of very dedicated Junior School Coordinators, who are keen to give their students as many opportunities as possible to be involved in schools sport.

As Sporting Administrator I thank all those Coordinators I have worked with in 2005. In doing so I acknowledge their commitment to the task in hand, their cooperation and the skill and knowledge they bring to this Association.

I also wish to sincerely thank Mr Bradley Fenner, Chair of Executive for the support and advice he has given me in my role with this Association.

Audit Statement

I have audited the Statement of Financial Performance (Profit & Loss) and Statement of Financial Position (Balance Sheet) for the Independent Schools Sports Association Inc ABN 60 546 568 741 for the financial year ended 31st December 2005.

The Associations' officer is responsible for preparing the financial reports (Statements) that comply with Accounting Standards and in accordance with the *Associations Incorporation Act 1985.*

This includes responsibility for the maintenance of adequate accounting records and internal controls.

The audit procedures assessed whether in all material aspects the Statements presented fairly in accordance to Accounting Standards. The procedures included testing, examination, discussion and analysis, and any other disclosures in the statement that were not directly derived from the full financial statements.

In my opinion the Association's Statement of Financial Performance and Statement of Financial Position presents a true and fair view of the Activities and Position of the Association for the period ending 31st December 2005.

R J Shearing *PNA*
Auditor
5/2/06

ATHLETICS

The Achilles Cup this year was held on September 29th at Santos Stadium on a reasonably fine day for an Athletics Carnival.

This year sixteen schools competed, enabling us to have eight teams in each division.

Sacred Heart College was the host school and we pass on our sincere thanks to Ms Sue Kenneally and Mr. Anthony Bannon and their group of very willing students who assisted in carrying out a variety of tasks throughout the day.

The day ran smoothly and again we were able to finish well within the anticipated program time.

Again we need to record our thanks to our key officials who worked from very early in the morning setting up to well after the end of the day's events. Their expertise is vital to the efficient running of the Achilles Cup. In particular I make mention of both Trevor Wiseman and Kevin Gruhl whose knowledge and skill in the running of Athletic events is invaluable to our Association.

Again, staff at Trinity College assisted in the implementation and operation of the Computer program. Very special thanks should be recorded to Brian Quill who spent many hours working with the Coordinators in use of the computer and the nomination forms. Each year we have improved the process of recording and this year was no exception. Next year should need very few changes to this system.

This year we introduced an Under 13 age group with one competitor only, and withdrew the Under 17 age group completely from the competition. This concept will be reviewed before nominations are called for 2006.

Mr Chris Blake, Principal of Sacred Heart College and Mr Bradley Fenner, Chair of ISSA Executive, presented trophies and pennants to the winning Schools.

St Peters College was victorious in Group A defeating Pembroke who came second.
Immanuel College was the winner of Group B with Westminster School in second place.

Final Places were:

GROUP A	**GROUP B**
St Peters College	Immanuel College
Pembroke School	Westminster School
Trinity College	Concordia College
Prince Alfred College	Scotch College
Rostrevor College	Sacred heart College
Christian Brothers College	St Ignatius College
Saint Michaels College	Adelaide high School
Pulteney Grammar School	Saint Pauls College

The Age Pennants were won by the following Schools:

U13	Prince Alfred College	Sacred Heart College
U14	Pembroke School	Concordia College
U15	Trinity College	Westminster School
U16	St Peters College	Concordia College
Open	St Peters College	Scotch College

BADMINTON

Badminton has again proved to be a popular choice for many of our students, particularly those who have come to us from overseas.

The number of teams increased again from last year, where this year 72 teams nominating to play.

Moving Badminton to a Friday evening has often been discussed, however taking into account the multi purpose use of the badminton facilities in most schools it seems that the present option is the most suitable.

CROSS COUNTRY

Cross Country is held each Wednesday after school at a variety of courses hosted by a number of schools. However this year we found it difficult to acquire host schools for all nominated days, and as a consequence the Coordinators have agreed that schools entering into Cross Country will be required to host at least one day if needed. This should then reduce the expectation placed on some schools that are always willing to host, sometimes even twice if required.

The schools who offered to host in 2005 were:

Mercedes College
Pulteney Grammar
Immanuel College
Christian Brothers College
Pedare Christian School
Pembroke School
St Ignatius College

The teams relay held in August and hosted by Mercedes was again a great success. Many thanks to Gary Zerner for hosting and organising the event on the day.

CRICKET

This year the ISSA cricket competition boasted of having the most teams nominated for many years, including introducing an Open 20/20 competition which was held in term 4.

Cricket continues to be the largest summer competition within our Association, the largest increase seen in the year ten and below programs. The increase of teams has not seen the same increase of available pitches either within schools or elsewhere in the community. This is a challenge for our schools that have the numbers of students interested and wanting to play, but are having increasing difficulty in obtaining suitable pitches.

The schools involved in the Term 4 20/20 competition were: Pulteney Grammar School, Trinity College, Gleeson College, Prince Alfred College Sacred Heart College, St Peters College and Woodcroft College. The Final was played between Pulteney Grammar and Prince Alfred College, with Pulteney winning the finals.

Eight teams entered into the SASSSA knockout competition through our program, with Rostrevor College and Mount Gambier High School coming through to the Grand Final. This proved to be a very exciting game with Mount Gambier eventually winning with a score of 138 runs to Rostrevor's 113.

FOOTBALL

The ISSA Football competition has continued to be a viable and vital component of our sporting program. This year there were one hundred and fifty seven primary and secondary teams nominated, this being an increase of fourteen teams from 2004.

The "VIDEO EZY' SASSSA SANFL/Open Football Pool Semi Finals were as follows:

Sacred Heart College	11.12 (78)	def	Henley High School	9.4 (58)
St Michael's College	12.2 (74)	def	Rostrevor College	7.11 (53)

The Grand Final was again played under lights at the Norwood Oval, with Sacred Heart 11.5 (71) defeating St Michael's College 8.7 (55).

Player of the Match was awarded to Lachlan Button of Sacred Heart College, who was presented the "Colin Steinert Medal"

In the year 8/9 Knockout Out Competition Sacred Heart were once again clear winners, and defeated Henley High School 14.10 (94) to 7.1 (43) . Cameron Hitchcock from Sacred Heart Middle School was the winner of the "Malcolm Greenslade Medal for 2005"

The SANFL have continued their support with their appointment of an Independent Schools Umpire Panel Supervisor, namely Mr Robert Murphy, and a schools coordinator Mr Colin Steinert. We thank both Robert and Colin for the work they have done in the training and placing umpires for our afternoon games.

PRIMARY GOLF

Primary Golf continues to be well supported by our young golfers, many of whom already play regularly in junior competition. Three Sunday morning clinics were held, and those interested in being involved in the ISSA Primary Golf Day were encouraged to attend at least two out of the three clinics.

The ISSA Golf Day was held on August 26th at Adelaide Shores. Again we must sincerely thank Mike Buttfield for his continued commitment to our Primary Golf program, and was ably assisted by some of our Primary Coordinators.

The following boys were acknowledged for their excellent scores.

1st	Cameron Baulderstone	Concordia College	73
2	Jake Beckman	Westminster School	76
3	Michael Ratajewski	Sacred Heart Middle School	77
4	Ben Stowe	Prince Alfred College	78
5	Lawrence Fantus	Christian Brothers College	78
6	Matthew Jacquier	Immanuel College	79
7	Anthony Murdaca	St Michaels College	80
8	Harry Jamieson	Sacred Heart Middle School	81
9	Jai Mavromatis	Holy Family	82
10	Nick Taylor	Pulteney Grammar School	83
11	Matt Dean	Pembroke School	83
Winner of the Team Event		Sacred Heart Middle School	269
Runner up of the Team Event		St Michaels College	278

SOCCER

Soccer has continued to be a very popular sport within our schools, with two hundred and fifty three primary and secondary teams involved each week. This is an increase of eleven teams from the previous year, and is indicative of the overall increase in soccer played in our schools which has been evident over the last few years.

Unfortunately as been mentioned before, adequate facilities have not kept up with the increase in numbers playing, and in most weeks this season there were few if any pitches available at most schools.

The conflict between some clubs and schools continues to be of concern, and the subject of many discussions at coordinators meetings and conferences. However, it is disappointing to report that very little progress has been made in accessing better understanding generally between our schools and the soccer clubs.

The following four teams won their way through to the Semi Final of the Pool A "Be Active" Open Boys Soccer.

Rostrevor College	6	d	St Michael's College	0
Christian Brothers College	1	d	St Peters College	0

Play off for 3rd and 4th position resulted in St Michael's College defeating Christian Brothers College 3 to 1.

In the Grand Final Rostrevor College defeated Christian Brothers College 4 goals to 1.

In the year 10 Soccer Knock out final game, St Michaels College 3 defeated Gleeson College with 2 goals. Whilst in the year 8/9 final, Adelaide High School 7 defeated Grant High School 2.

We are again indebted to Chris Young, who again was appointed by the South Australian Soccer Referees Association, to assist with the provision and placement of referees for our Open A and B games.

DRIVE TENNIS

Drive Tennis continues to be an important part of our sporting program involving the elite tennis players from our schools.

Twenty Schools now compete in this competition and two other schools have indicated interest for future years. At the moment we need to play some mid-week games to enable us to complete our program within the time we have available.

DRIVE TENNIS TABLE 2005

A1

1. MARRYATVILLE HIGH SCHOOL
2. PRINCE ALFRED COLLEGE
3. ST IGNATIUS COLLEGE
4. ST PETERS COLLEGE
5. IMMANUEL COLLEGE
6. ST MICHAELS COLLEGE
7. PEMBROKE SCHOOL
8. SCOTCH COLLEGE
9. SACRED HEART COLLEGE

Winner of Player of the Year for Division 1 2005 — **Craig Fizgerald Sacred Heart College**

A2

1. WESTMINSTER SCHOOL
2. BLACKFRIARS PRIORY SCHOOL
3. PULTENEY GRAMMAR SCHOOL
4. PEDARE CHRISTIAN COLLEGE
5. ROSTREVOR COLLEGE
6. UNLEY HIGH SCHOOL
7. WOODCROFT COLLEGE
8. TRINITY COLLEGE
9. CHRISTIAN BROTHERS COLLEGE
10. ST PAULS COLLEGE

Winner of the Division 2 Trophy 2005 — Westminster School

Winner of the Player of the Year Division 2 2005 — **Stephen Wademan Pedare Christian College**

TABLE TENNIS

It seems that Table Tennis is a popular option for many students and the number of teams again has increased since the previous year.

Being able to play Friday after school appeals to many students and indeed also to some of our supervising teachers – thus the overall increase in competing teams.

Appropriate and adequate venues seem to be the main problem facing some schools – increased teams often brings other problems, which need addressing.

TENNIS

Tennis continues to be a popular option for many of our students with some schools increasing the number of teams quite dramatically.

Unfortunately, the increasing lack of available tennis courts both at schools and within the community continues to be of a concern. Some schools could enter more teams but are hampered by the lack of available courts. This problem is not only within the school community, but is a reflection of the wider club and community structure.

Most of the primary school competition is played Friday after school, and this in itself has been of great assistance in easing the court availability for the Saturday competition. Even so, more and more schools have to adopt the two time slot system in an effort to accommodate their increasing number of players.

HOCKEY

Hockey continues to waver in numbers, particularly within the area of new schools entering into the competition. Whilst we have seen a gradual decline within numbers at the senior level, it is now noticeable with the junior ranks as well. The reason for this is complex and involves many more variables than merely the schools within our Association.

Hockey reflects some of the same problems as Waterpolo, in that the schools where Hockey has a predominance of good players tend to cause a greater gap between theses schools and those who do not have that strength.

We thank those schools that have again allowed ISSA to use their synthetic surface each Saturday morning. Those schools involved are, Christian Brothers College, St Peters College, Pulteney Grammar School and Prince Alfred College. In addition we have continued to use Adelaide University grounds at West Beach, Golden Grove, and Woodville. The safety of the West Beach venue continues to be of concern, and we may need to look at alternative venue for 2006.

The primary competition has continued to provide a sound base for those schools involved. St John's Grammar School competed this year and it was encouraging to welcome a new school into the competition.

The games were previously played at both Adelaide Hockey grounds and Burnside, however this year we used Burnside Hockey grounds and their Umpires for all our primary games. We convey our thanks Lynne Harland of the Burnside Hockey Club for her continued assistance with the organization of umpires.

VOLLEYBALL

The number of teams involved in the ISSA Friday afternoon competition has increased again this year. This is particularly obvious at the year 8/9 level. This year we introduced a year 8/9 competition as well as a stand alone year 8 and year 9.

Reasonably static numbers have allowed us to continue to hold all the Open A games at Rostrevor College. Thanks to Glen Urbani and the students from Rostrevor who have assisted in the refereeing of the games.

Open B Volleyball has shown the greatest increase in numbers. This has allowed up to play many of the games on a home and away basis which has bought many more venues into use each Friday evening. Because of the distance between some schools central venues still need to be accessed when necessary.

Thanks to the following schools whose facilities ISSA has consistently used - Rostrevor College, Blackfriars Priory School, Christian Brothers College, St Peters College, Concordia College, Immanuel College Pulteney Grammar School, Pembroke School, St John's Grammar, Westminster School, and Adelaide High School.

SWIMMING

The ISSA Swimming competition, which is held on Wednesday afternoons, has continued to be a popular choice with our member schools, with nineteen schools being involved again in 2005.

We are indebted to those schools for allowing the use of their pool and for the school swimming personnel for organising the weekly meets; namely Pembroke School, Prince Alfred College, St Peters College, Scotch College, Westminster School and Rostrevor College.

The final was again held at St Peters College and we thank Mr Laurence Humphrys and our their group of judges and recorders for assisting us in the running of the event. Thanks also to Sue Kenneally from Sacred Heart College for her assistance as a recorder and to Trevor Kenyan from Swimming SA who officiated as our Referee.

The final results were:

PRINCE ALFRED COLLEGE	657
ST PETERS COLLEGE	628
PRINCE ALFRED COLLEGE	599
ROSTREVOR COLLEGE	517
WESTMINSTER SCHOOL	510
PEDARE COLLEGE	418
TRINITY COLLEGE	417
MERCEDES COLLEGE	380

WATERPOLO

Waterpolo continues to be an important component of our summer sport options for those schools dedicated to the sport. However it has not proved a popular sport with the majority of schools within our Association.

For any long term development of the sport within our schools, they need to have either easy access to a pool, or a nucleus of players who have at least played the sport at some level.

The Adelaide Aquatic Centre continues to be the venue for the Open and Year 10 competition and sometimes we are able to play some year 9 and 8 games there as well. The cost of the Aquatic Centre is of some concern, but to find another viable venue is not at all possible at this stage.

We thank both Pembroke School and St Peters College for making their venue available to supplement the Aquatic Centre.

Thanks also to John Harmer who liaises with the Waterpolo Association in providing referees for our Friday night games.

NATIONAL SCHOOLS REPRESENTATION

Students from ISSA member Schools were widely represented in the following National Schools Teams organized by SASSSA in the year 2005

17 YEARS and under BASEBALL	**QUEENSLAND**	**May 7-15**

LOOKING BACK

Until 1965 this Association was known as "The Students' Football Association" and in 1966-67 it became known as "The Students' Cricket and Football Association."

In June 1967 it became "The Independent Schools Sportsmasters' Association" and a draft Constitution was drawn up. This continued until 1971 when it was re-named as "The Independent School's Sports Association."

The present Association was formed in 1977, where a new Constitution was drawn up and an Executive Committee formed, consisting of Headmasters and the Chairman and Secretary of ISSA.

Since 1978 this Executive Committee has met on a regular basis, and all recommendations from the Sportsmasters are taken to this group for endorsement.

In the year 2000 the Constitution came under review, and a new draft document was presented to the 2001 Annual General Meeting. The major changes to the Constitution involved the membership criteria and the forming of only one category of membership.

In the year 2005 the ISSA Executive initiated a half day workshop to discuss the "Future Directions of ISSA" – this was to be held in Term 1 2006.

OBITUARY

RAY COSTAR

Life Member
Independent Schools Sports Association

The news of the tragic death of Ray Costar, was greeted with great sadness by members of the Independent Schools Sports Association.

Ray was highly regarded within the Independent school sports circles and made inestimable contribution to our schools' sporting programmes, for the benefit of so many of our students.
