EXECUTIVE REPORT

I am pleased to present the Executive Committee Annual Report for 2010 of the Sports Association for Adelaide Schools.

Throughout 2010 the Association has continued to provide a comprehensive range of sporting competitions for students from its member schools across a range of sports. It is our aim that the SAAS programs provides excellent opportunities both for widespread participation and for talented athletes to compete in a high standard competition appropriate to their level.

The Executive Committee has continued to meet regularly, maintaining their role in the following areas

Maintaining Membership Criteria
Premiership Tables
Update of Web Site
Ongoing meetings with State Sporting Bodies

In my attendance at various venues I have noted the enthusiasm, competitiveness, and above all the sportsmanship of the students who participate.

This spirit would not be generated without the commitment of Sports Coordinators and the many dedicated staff who assist them. I would again like to express my appreciation to the staff in our various schools for their vital contribution to the success of our sporting programs. It is pleasing to see that there are still many teachers who see their in involvement in the sporting programs educationally important and personally rewarding. On behalf of all the Principals I thank them for their efforts and commitment to School sport.

The work of providing an extensive program of regular sporting competition such as that of our Association is considerable. The reward for those engaged in that provision, surely, is in the challenge we present to the young people in our schools. To participate in healthy exercise and competition inspired by respect for oneself and fellow players, of skills developed, friendships formed and the contribution which the Association's former players continue to make to sport and the community on the local, national, and international scene is our greatest achievement.

Another very successful SAAS Dinner was held towards the end of 2010. Sixteen new life members of SAAS were recognized. Whilst there is some concern amongst schools about the willingness of staff to maintain their involvement in co-curricular activities, the number of those still involved in sport is obvious by the large number of Life Members and the numbers present at the dinner.

Finally thank you to the Executive and to Jill George and to all who have contributed to SAAS sport. Your commitment is greatly appreciated.

Mr Kevin Tutt
Chairman
SAAS Executive Committee

EXECUTIVE OFFICER'S REPORT

The Secondary Management Committee with Anthony Bannon in the Chair, met at Christian Brothers College three times during the year. The fourth meeting was held in conjunction with the Annual Conference which was held at The Italian Centre in October. Unfortunately during the year Anthony resigned and David Serotzki accepted the position of Chair of the Secondary Coordinators.

Both the Management Committee meetings and the Conference were very well attended, and I thank the Coordinators for their involvement at these meetings.

Some of the topics discussed at our meetings and the conference were:

- Premiership tables and their success
- School Soccer v Club Soccer
- Midweek games
- Badminton Rules
- Drive Tennis

Visitors and speakers to our meetings and conference were as follows:
David Hutton General Manager of SANFL Development
Colin Steinert Chair SANFL Schools Committee

At the Annual Dinner held at The Italian Centre, the following were, awarded life membership of SAAS. Mr Steve Byrne Vice Chair of SAAS Executive Committee and David Serotzki Chair of Secondary Coordinators assisted in the presentations.

Olaf Bode	Immanuel College
Ivan Christian	Immanuel College
Vin Coffey	Sacred Heart College
Paul Deegan	Rostrevor College
Jim Derrington	Pembroke School
John Evans	Scotch College
George Gregory	Trinity College
Tim Harms	Immanuel College
Jaimie Holland	Pembroke School
Rob Jarrad	Cabra College
David Jeanes	Pembroke School
Mark Nitschke	Rostrevor College
Leo Panzrino	Blackfriars Priory School
Ron Pippett	Immanuel College
Martin Roberts	Pembroke School
Robert Ruediger	Immanuel College

It is most important that we as an Association publicly acknowledge those coordinators, coaches and other officials, who have spent many years supporting the school sports program. The organizing and officiating of these programs rely heavily upon the commitment of many people within our schools. Without their continuing support our sporting program would cease to exist.

The Primary Sports Coordinators met on two occasions during 2010 under the leadership of Michael Buttfield. These meetings were held at Christian Brothers College Junior School and were very well attended. We are indeed fortunate to have a group of dedicated teachers who are obviously interested in giving the best opportunities to as many students as possible in being involved in some type of sporting experience.

As Executive Officer I thank all those Coordinators I have worked with in 2010. In doing so I acknowledge their commitment to the task in hand, their cooperation and the skill and knowledge they bring to this Association I also convey my thanks to Mr Kevin Tutt for his support and leadership in the role as Chair of the Association.

Audit Statement

I have audited the Statement of (Financial Performance), Income and Expenses, and Statement of (Financial Position), Balance Sheet, for the Sports Association for Adelaide Schools Inc (using ISSA Inc ABN 60 546 568 741) for the financial year ended 31st December 2010.
The Associations' officer is responsible for preparing the financial reports (Statements) that comply with Accounting Standards and in accordance with the *Associations Incorporation Act 1985.*
This includes responsibility for the maintenance of adequate accounting records and internal controls.
The audit procedures assessed whether in all material aspects the Statements presented fairly in accordance to Accounting Standards. The procedures included testing, examination, discussion and analysis, and any other disclosures in the statement that were not directly derived from the full financial statements.
In my opinion the Association's Statement of Financial Performance and Statement of Financial Position presents a true and fair view of the Activities and Position of the Association for the period ending 31st December 2010.

ATHLETICS

This year because of the upgrade to Santos Stadium the Achilles Cup was held at St Peters College. Because of the limited space available only schools from A Grade were invited to compete. Two schools chose not to be involved leaving six schools competing on the day.

St Peters College and their staff were more than willing to assist us, and worked very hard to ensure that everything moved smoothly on the day.

Again we need to record our thanks to our key officials whose expertise is vital to the efficient running of the Achilles Cup. In particular I make mention of Trevor Wiseman and Kevin Gruhl whose knowledge and skill in the running of Athletic events is invaluable to our Association.

Again, many thanks to those staff at Trinity College who assisted in the implementation and operation of the Computer program. Very special thanks should be recorded to Brian Quill who spent many hours on the computer before the event collating nomination forms from schools. He works exceptionally well with the sports coordinators and is able to readily assist them when the need arises. The efficient manner the results are completed and collated at the end of the event speaks for itself.

St Peters College was again victorious, closely followed by Pembroke School.

Final Places were:
GROUP A

St Peters College	939
Pembroke School	733
Trinity College	696
Rostrevor College	676
Prince Alfred College	541
Westminster School	540

The Age Pennants were won by the following Schools:

U13	St Peters College
U14	St Peters College
U15	St Peters College
U16	St Peters College
Open	Pembroke School

We must again thank all schools for being involved and to St Peters College for allowing us to use their athletics facilities.

BADMINTON

Badminton has continued to provide a popular choice for many of our students, particularly those who have come to us from overseas.

This year we had 70 teams entering the competition, which was the same number of te teams as the previous year. There are now 22 of our 28 schools nominating to compete in the badminton program.

CROSS COUNTRY

Cross Country is held each Wednesday after school at a variety of courses hosted by a number of schools.

The schools who offered to host in 2010 were:

St Ignatius College
Mercedes College
Sacred Heart Middle School
Concordia College
Pembroke School
Immanuel College
Pulteney Grammar School
St Peters College Junior School

Our thanks to both Sacred Heart Middle School, Pembroke and Mercedes College for hosting two events during the season.

Cross Country continues to be a popular sporting option for our schools. In particular the Middle school involvement with both boys and girls has grown quite dramatically over the last few years.

The team relay held in August and hosted by Mercedes continues to be a welcome event to complete the cross country season. Again our thanks to Gary Zerner for continuing to host and organise the event.

CRICKET

This year the SAAS cricket competition has continued its predominance in having a large number of teams involved each Saturday. There were 230 primary and secondary teams nominated from a total of 43 schools. This did not include the 20/20 Messenger Bowl competition which we held in Term 4 over five weeks. Lack of sufficient facilities for cricket is still an ongoing problem, and not only within the school community. Many clubs are also suffering from lack of adequate facilities, which means that schools have less options if they need to access pitches outside of those available within their school. The building program within the school system has also impacted upon the number of pitches available for use.

The 20/20 competition continued this year with the following schools involved: Blackfriars Priory School, Cabra College, Immanuel College, Mercedes College, Pembroke School, Prince Alfred College, Pulteney Grammar School, Rostrevor College, St Peters College, St Michaels College, St Ignatius College, Sacred Heart College, Scotch College, Unley High School and Westminster School. St Peters College survived a late batting collapse to win a thrilling Messenger Bowl.

SAAS wishes to acknowledge the support of the Messenger Press in supplying an ongoing trophy called the Messenger Bowl, and for the excellent coverage of the games each week in the Messenger.

.

Eight teams entered into the SSSSA Open Pool A Knockout competition through our program, with St Michaels College and Adelaide High School coming through to the Grand Final. Adelaide High School defeated St Michaels College 10/174 to 10/160. .

FOOTBALL

The SAAS Football competition continues to be a vital component of our sporting program. This year there were 34 primary and secondary schools involved with a total of 159 teams.

The introduction of the Messenger Shield for the Group 1 Division 1 teams bought added interest to the competition. We thank the Messenger for the interest shown in our competition, for the articles in The Messengers and for their donation of the Shield. We trust this continues into the 2011 Football season.

The SSSSA SANFL/Open Schools Cup Final Results.
The Grand Final was again played under lights at the Norwood Oval, with Prince Alfred College 10.10 defeating St Michaels College 5.5

Player of the Match was awarded to Adam Perryman from Prince Alfred College. He was presented the "Colin Steinert Medal" at the end of the game.

Best players for Prince Alfred College were: A Perryman N Amato, S Day, J Gregg, G Hannaford, M Altman.
Prince Alfred College Goal Scorers were: N Amato 3, M Daniel 2, W Paynter 2, J Virgin 2, J Gregg 1.
Best Players for St Michaels College were: A Pedler, L Pink, E Cashel, S Tonkes, J Muirhead.
St Michaels College Goal Scorers were: H.Gill 2, S Tonkes 2, T Schwarz 1.

In the year 8/9 Knockout Out Competition Sacred Heart was once again clear winners in defeating Henley High School 14.15 to 2.0. Jacob Laba from Sacred Heart Middle School was the winner of the "Malcolm Greenslade Medal for 2010.

The SANFL have continued their support with their appointment of a SAAS Umpire Panel Supervisor, namely Mr Robert Murphy, and a schools coordinator Mr Colin Steinert. We thank both Robert and Colin for the work they have done in the training and placing umpires for our afternoon games.

The SANFL is continuing to work closely with the Schools Football Committee in an effort to forge stronger links between clubs and schools. It is pleasing that the SAAS Schools have been most supportive and are keen to continue to work with SANFL for the betterment of the students within their schools.

PRIMARY GOLF

Primary Golf continues to be well supported by our young golfers, many of whom already play regularly in junior competition. Two Sunday morning clinics were held, and those interested in being involved in the SAAS Primary Golf Day were encouraged to attend at least one out of the two clinics.

The SAAS Golf Day was held on August 19th on the North Course at Adelaide Shores Golf Club. Again we must sincerely thank Mike Buttfield for his ongoing commitment too our Primary Golf program. Thanks also to Nick McCormack for his assistance and support, which is always forthcoming.

The following boys were acknowledged for their excellent scores.

1.	Michael BALWEIDER	St Francis Lockleys	76
2.	Matthew LANG	Immanuel College	77
3.	Ben DOOLEY	St Peters College	80
4.	Jack RICHARDS	St Michaels	80
5	Mason PICKARD	Temple College	82
6	Scott MCDONALD	Immanuel College	83
7	Lachland DESIRA	Star of the Sea	87
8	Harry BURNER	Star of the Sea	89
9	Declan BAYLY	St Johns Plympton	92
10	Joshua WORTHLEY	Woodcroft	92
11	S. BRIDGEN	Blackfriars Priory School	94
12	G. WATERMAN	St Peters College	97
13	J. EDWARDS	Sacred Heart College	99
14	Michael CORMACK	Immanuel College	100
14	Alex LUMBERS	St Peters College	100

The following girls were congratulated upon their participation and their results

1	Lucinda TYE	Seymour College	78
2	Georgia DESIRA	Star of the Sea	95
3	Alessandra LEAN	Star of the Sea	96
4	Nicole BLAINCIC	St Peters Woodlands	107
5	Isabelle KNIGHTS	Pulteney Grammar	127

HOCKEY

Again, Hockey has shown some disappointing signs when looking at nominations from our schools. This year there were 31 teams nominated, representing 19 primary and secondary schools entering into the competition.

This year we again programmed our year 8/9 games on Wednesday after school, and used Christian Brothers College, St Peters College, and Prince Alfred College. Whilst those schools involved felt the trial was quite successful, the problem of accessing a week day where the venues are available continues. As Prince Alfred College will not be available net year we will have to play two games at each venue. This means that the time for each game has to be reduced in order to finish before dark. This will only continue to be successful if we have a year level small enough to be able to be placed over the three venues available during the week.

We thank those schools that have again allowed SAAS to use their synthetic surface each Saturday morning. Those schools involved are, Christian Brothers College, St Peters College, Pulteney Grammar School and Prince Alfred College. In addition we have continued to use Golden Grove and Woodville Hockey Club as regular venues, and we thank them for also supplying umpires each week.

The primary competition has continued to provide a sound base for those schools involved. However, the number of schools involved does not vary enough to increase the size of the competition. Perhaps this is a reflection of the trends within the secondary competition and more so within the sport itself. Last year the games were played at Christian Brothers Competition, and this has continued this year. This is indeed a step forward for our primary players, and we hope that next year will find an increase in the number of schools nominating.

VOLLEYBALL

The Friday afternoon Volleyball competition continues to be a very popular option for many of our schools.

The concept of central venues for each group has changed a little, with most schools now having an adequate venue and wanting to play their share of games at home.

Open B Volleyball and year 8/9 has continued to increase in numbers. This has allowed schools to play many of the games on a home and away basis which has bought many more venues into use each Friday evening. Because of the distance between some schools central venues still need to be accessed when necessary. However, there are only a very few schools who cannot offer a venue each week.

This year nineteen secondary schools were involved, with a total of 71 teams competing.

Thanks to all schools whose facilities we have regularly used, and for their assistance with supplying umpires.

SOCCER

Soccer has continued to be a very popular sport within our schools, with two hundred and ten primary and secondary teams involved each week. This is a small decrease from last year, but is still an indication that soccer is a strong sport in the majority of our schools.

There unfortunately continues to be shortage of facilities suitable for playing soccer, both at school and at the club level. Unfortunately there seems to be no solution in the foreseeable future and schools have had to be extremely innovative with the use of their facilities.

A few schools have chosen to play their games on a week night in an effort to release their players to the clubs on the weekend. Although this has met with some success, most schools still find it more convenient to play Saturday mornings, even though it my mean they do not always have their best players in he team.

Nine teams entered into the SSSSA knockout competition, with two teams coming through to the SSSSA Knock Out Final's day. Rostrevor College defeated Salisbury East High School in the Semi Final 2-1. In the Final Rostrevor defeated Gleeson College 1-0, to win the knockout cup.

In the year 10 Soccer Knock out final game, Woodville High School defeated Norwood Morialta High 1-0.

We are again indebted to David Keniwell, who is appointed by the South Australian Amateur Soccer Referees Association, to assist with the provision and placement of referees for our Open A games. We appreciate the time David spends organising the Referees for the games, and we aware it is becoming increasingly difficult to access well qualified and available referees for our schools competition.

DRIVE TENNIS

Twenty one Schools were involved in this competition with St John's Grammar School coming in to the A2 competition. At the moment we need to play some mid-week games to enable us to complete our program within the time we have available during the term.
However, we must sincerely thank Tennis SA for working with us and Next Generation and the University Tennis Club, in ensuring that this longstanding competition is able to access the courts needed to continue playing this elite game.

TABLE TENNIS

This year Table Tennis involved twenty primary and secondary schools with 63 teams programmed to play each week. Playing Friday evening has enabled some students to play for their school and also play another sport on Saturday mornings. The International students are pleased to have this option available to them, and it is an important part of their involvement within their school.

TENNIS

Since the inception of the new grading system for secondary teams, whereby teams are based on skill levels rather than purely year levels, the numbers of students playing tennis has increased. In 2010 there were thirty three Primary and Secondary schools involved with 185 teams playing each week.

Our schools were well represented in the SSSSA Tennis Championships held in March, with Marryatville High School, and Woodcroft College having good representation in the finals.

Availability of tennis courts is still a major problem for many schools, and has forced schools to be quite innovative with the use of their courts. The Cooed school has the added pressure of usage by the girls as well as fitting in the boy's program. Most of the primary school competition is played Friday after school, and this in itself has been of great assistance in easing some of the court availability.

SWIMMING

The SAAS Swimming competition, which is held on Wednesday afternoons, has continued to be a popular choice with our member schools, with fifteen schools again being involved in 2010

We are indebted to those schools for allowing the use of their pool and for the school swimming personnel for organising the weekly meets; namely Pembroke School, Prince Alfred College, St Peters College, Scotch College, Westminster School, Trinity College and Immanuel College.

The final was held at St Peters College and we thank Mr Laurence Humphrys and his group of judges and recorders for assisting us in the running of the event. Thanks also Trevor Kenyan from Swimming SA who officiated as our Referee. There were four records broken, two from St Peters College and two from Rostrevor College,

The final results were:

IMMANUEL COLLEGE	690
ST PETERS COLLEGE	578
PRINCE ALFRED COLLEGE	575
ROSTREVOR COLLEGE	534
WESTMINSTER SCHOOL	497
ST MICHAELS COLLEGE	472
TRINITY COLLEGE	446
ADELAIDE HIGH SCHOOL	388

WATERPOLO

Water polo continues to be an important component of our summer sport options for those schools dedicated to the sport. However for many schools it is not even an option, as the difficulty in accessing a pool for training purposes is of major concern to those schools in question. In addition, those schools that have the largest proportion of their players also playing club water polo have a huge advantage over those students who have previously not played the game.

Unfortunately the competition is not large enough to divide into divisions so that the more experienced schools can play similar schools and those of little or no experience can do the same. This in itself leads to the less experienced teams being beaten by large scores and quickly becoming disenchanted with the game. With such a small number of schools involved there is no easy solution to this problem. In 2010 we had 9 schools involved with a total of 34 teams.

The Adelaide Aquatic Centre will no longer be an option once the new Marion Pool opens. SAAS will have a challenge finding a pool to cover the number of games played at the Aquatic Centre.

We thank both Pembroke School and St Peters College for making their venue available to supplement the Aquatic Centre.

Thanks also to John Harmer who not only organises referees at all centres, but through his involvement with the Water polo Association is constantly working with SAAS in an effort to improve the numbers playing the sport within our schools

LOOKING BACK

Until 1965 this Association was known as "The Students' Football Association" and in 1966-67 it became known as "The Students' Cricket and Football Association."

In June 1967 it became "The Independent Schools Sports masters' Association" and a draft Constitution was drawn up. This continued until 1971 when it was re-named as "The Independent School's Sports Association."

The present Association was formed in 1977, where a new Constitution was drawn up and an Executive Committee formed, consisting of Headmasters and the Chairman and Secretary of ISSA.

Since 1978 this Executive Committee has met on a regular basis, and all recommendations from the Sports masters are taken to this group for endorsement.

In the year 2000 the Constitution came under review, and a new draft document was presented to the 2001 Annual General Meeting. The major changes to the Constitution involved the membership criteria and the forming of only one category of membership.

In the year 2005 the ISSA Executive initiated a half day workshop to discuss the "Future Directions of ISSA" – this was to be held in Term 1 2006.

In 2006 a Risk Analysis was conducted on the Achilles Cup. This review was undertaken by an independent consultant.

In 2007 work began on the Future Directions of ISSA under the direction of a Consultant. The report was anticipated to be completed by May 2008.

In August 2008 the Final Report for the Future Directions of ISSA was released to the Executive. A small Executive Committee was formed to work on the recommendations involving Governance of the Association. The aim was to have the Governance issues resolved by the end of the year and a new Constitution in place by the Annual General Meeting in May 2009.

In May 2009 at the Annual General Meeting the Association endorsed the new Constitution. The Association will now be known as The Sports Association for Adelaide Schools.
