EXECUTIVE REPORT

I am pleased to present the Executive Committee Annual Report for 2011 of the Sports Association for Adelaide Schools.

Throughout 2011 the Association has admirably fulfilled its aim of providing significant educational opportunities by conducting an extensive sporting programme for the young people of its member schools. Furthermore, it has also enhanced the positive relationships between staff, student and parent communities of the schools through their participation in these activities.

I wish to thank the Heads an Principals of our member schools, for their continued co9mmitment to ensuring that our competition is conducted with due regard to the highest standards of sportsmanship resource provision, coaching and supervision, across all sports and at all levels of competition.

The Executive Committee has continued to meet regularly, maintaining their role in some of the following areas

Maintaining Membership Criteria
Codes of Conduct
Risk Management of the Association
Revisiting the Extreme Weather Policy

The Executive is reliant on the members of the Sports Coordinators committee for their advice in regard to the many practical issues which arise in the management of a large competition such as ours. The Executive Officer attends the Sports Coordinators meetings and their chair person reports to the Executive so that lines of communication are maintained.

It is appropriate to thank and to pay tribute to the many fine young people in our schools who participate in our competitions with energy and enthusiasm, and who demonstrate commitment to the ideals of sport, to sportsmanship and to achievement at the highest levels.

I also express our thanks to the many generous coaches, managers and officials who ensure that the experience that we offer is second to none. SAAS offers a large and extraordinarily complex sporting program and the delivery is reliant upon dedicated school personnel.

Another very successful SAAS Dinner was held towards the end of 2011. Twelve new life members of SAAS were recognized. Whilst there is some concern amongst schools about the willingness of staff to maintain their involvement in co-curricular activities, the number of those still involved in sport is obvious by the large number of Life Members and the numbers present at the dinner.

Finally thanks to the Executive Committee for their ongoing interest, support and advice.

Mr Kevin Tutt
Chairman
SAAS Executive Committee

EXECUTIVE OFFICER'S REPORT

The Secondary Management Committee with David Serotzki in the Chair, met three times during the year. The fourth meeting was held in conjunction with the Annual Conference which was held at The Italian Centre in October.

Both the Management Committee meetings and the Conference were very well attended, and I thank the Coordinators for their involvement at these meetings.

Some of the topics discussed at our meetings and the conference were:

- Premiership tables and their success
- Mid week Soccer organized by Football Federation
- Drive Tennis Scoring System
- Codes of Conduct
- Accreditation of Officials

Visitors and speakers to our meetings and conference were as follows:

- David Hearne representing Tennis Australia and Ryan Peremiczkio from Tennis SA
- Two representatives from Volleyball SA

David spoke to the meeting about a scoring system on line which Tennis Australia had introduced for clubs and was also keen to introduce to schools. If SAAS schools became involved it would at this stage only be at Drive Tennis level.

The Volleyball representatives gave the meeting some interesting information about their school and club competitions and coaching and referee courses which our schools could access.

At the Annual Dinner held at The Italian Centre, the following were, awarded life membership of SAAS. Mr Brian Schumacher representing the SAAS Executive Committee and David Serotzki Chair of Secondary Coordinators assisted in the presentations.

John Athanasiou	St Peters College
Graham Baird	Prince Alfred College
Clayton Beal	Sacred Heart College
Peter Bubner	Prince Alfred College
Carlos Delgado	Rostrevor College
Wayne Edwards	Rostrevor College
Chris Jordison	Prince Alfred College
Rob Lane	St Peters College
Scott Parker	Prince Alfred College
Eric Staak	St Andrews School
Sue Schillabeer	Adelaide High School
Kevin Watson	Prince Alfred College

.

It is most important that we as an Association publicly acknowledge those coordinators, coaches and other officials, who have spent many years supporting the school sports program. The organizing and officiating of these programs rely heavily upon the commitment of many people within our schools. Without their continuing support our sporting program would cease to exist.

The Primary Sports Coordinators met only once during 2011 under the leadership of Michael Buttfield. This meeting was held at Christian Brothers College Junior School and was very well attended. We are indeed fortunate to have a group of dedicated teachers who are obviously interested in giving the best opportunities to as many students as possible in being involved in some type of sporting experience.

I wish to acknowledge the many years of service given to our Association from Mike Buttfield, through his role as Chair of the Primary Coordinators. Jason Cosgrove has taken on this position and we acknowledge his willingness to accept this responsibility.

As Executive Officer I thank all those Coordinators I have worked with in 2011. In doing so I acknowledge their commitment to the task in hand, their cooperation and the skill and knowledge they bring to this Association I also convey my thanks to Mr Kevin Tutt for his support and leadership in the role as Chair of the Association.

Audit Statement

I have audited the Statement of (Financial Performance), Income and Expenses, and Statement of (Financial Position), Balance Sheet, for the Sports Association for Adelaide Schools (SOUTH AUSTRALIAN INDEPENDENT SCHOOLS SPORTS ASSOCIATION - ABN 60 546 568 741), Trading as INDEPENDENT SCHOOLS SPORTS ASSOCIATION, for the financial year ended 31st December 2011.
The Associations' officer is responsible for preparing the financial reports (Statements) that comply with Accounting Standards and in accordance with the *Associations Incorporation Act 1985.*
This includes responsibility for the maintenance of adequate accounting records and internal controls.
The audit procedures assessed whether in all material aspects the Statements presented fairly in accordance to Accounting Standards. The procedures included testing, examination, discussion and analysis, and any other disclosures in the statement that were not directly derived from the full financial statements.
In my opinion the Association's Statement of Financial Performance and Statement of Financial Position presents a true and fair view of the Activities and Position of the Association for the period ending 31st December 2011.

ATHLETICS

On the 27th September the Achilles Cup returned to the Santos Stadium and our schools competed on an upgraded track.

Westminster School assisted our officials in supplying a group of very willing students who carried out a variety of tasks throughout the day. Many thanks to David Tiller who coordinated the group and also helped our Athletics Officials with the early morning setting up.

Again we need to record our thanks to our key officials whose expertise is vital to the efficient running of the Achilles Cup. In particular I make mention of Trevor Wiseman and Kevin Gruhl whose knowledge and skill in the running of Athletic events is invaluable to our Association.

St Peters College was victorious in Group A with Pembroke School coming a close second.
Christian Brothers College competed very well to win Group B with Sacred Heart College taking out second place.

FINAL PLACINGS WERE:

GROUP A	
St Peters College	1395
Pembroke School	1190
Rostrevor College	1096
Immanuel College	1062
Trinity College	911
Prince Alfred College	760
Westminster School	668
St Ignatius College	658

GROUP B	
Christian Brothers College	1332
Sacred Heart College	1173
Adelaide High School	1148
Concordia College	1131
St Michaels College	991
St Pauls College	402

AGE PENNANT WINNERS WERE;

U13	Pembroke School
U14	St Peters College
U15	Immanuel College
U16	St Peters College
Open	St Peters College

U13	Sacred Heart College
U14	St Michaels College
U15	Christian Brothers College
U16	Adelaide High School
Open	Christian Brothers College

BADMINTON

Badminton has continued to provide a popular choice for many of our students, particularly those who have come to us from overseas.

This year we had 72 teams entering the competition, which is a slight increase to 2010. There are now 23 of our 28 schools nominating to compete in the badminton program.

CROSS COUNTRY

Cross Country is held each Wednesday after school at a variety of courses hosted by a number of schools.

The schools who offered to host in 2011 were:

St Ignatius College
Mercedes College
Sacred Heart Middle School
Concordia College
Pembroke School
Immanuel College
Pulteney Grammar School
St Peters College Junior School
Cardijn College
Christian Brothers College

Our thanks to those schools who were willing to host two events and by doing so definitely assisted us being able to deliver an event each week.

Cross Country continues to be a popular sporting option for our schools, and each year the number of schools involved increases.

The team relay held in August and hosted by Mercedes continues to be a welcome event to complete the cross country season. Again our thanks to Gary Zerner for continuing to host and organise the event.

BASKETBALL

Basketball is a popular sport within our schools and continues to attract a large number of teams within our program. Grouping the Senior and Middle players into teams of three based on their ability has a definite advantage for most schools. This enables all three games to be played at the same venue with the same Referee and assists with the number of school personnel required for coaching and supervision. The disadvantage to the group system occurs when schools cannot maintain the three teams and have to forfeit one team each week. Fortunately there are not many schools where this has occurred as it is important to keep this system for as long as possible.

Sixteen schools entered into the SSSSA Open Boys Pool A Knockout Cup with the best four going through to a one day Final at the Wayville Sports Centre.

The final placings were as follows:
Concordia College
St Michaels College
Unley High School
Saint Ignatius College
Prince Alfred College
Tenison Woods College

Concordia College defeated St Michaels College in the Grand Final 41 to 39

CRICKET

This year the SAAS cricket competition has continued its predominance in having a large number of teams involved each Saturday. There were 230 primary and secondary teams nominated from a total of 43 schools. This did not include the 20/20 Messenger Bowl competition which we held in Term 4 over five weeks. Lack of sufficient facilities for cricket is still an ongoing problem, and not only within the school community. Many clubs are also suffering from lack of adequate facilities, which means that schools have less options if they need to access pitches outside of those available within their school.

The 20/20 competition continued this year with the following schools involved: Adelaide High School, Blackfriars Priory School, Cabra College, Concordia College, Immanuel College, Mercedes College, Pembroke School, Grammar School, Rostrevor College, Sacred Heart College, St Ignatius College, St Johns Grammar School, St Michaels College, St Peters College, Scotch College, Unley High, Prince Alfred College and Westminster School.

St Michaels College defeated St Ignatius College by ten wickets in the final of the Messenger Bowl. It was a disappointing way to end an excellent tournament for St Ignatius having pulled off a thrilling semi-final win over Prince Alfred College.

SAAS wishes to acknowledge the support of the Messenger Press in supplying an ongoing trophy called the Messenger Bowl, and for the excellent coverage of the games each week in the Messenger.

.

Eight teams entered into the SSSSA Open Pool A Knockout competition through our program, with Sacred Heart and Adelaide High coming through to the final. Adelaide High School 5/152 defeated Sacred Heart 9/149 to take out The Chappell Shield.

Mercedes College defeated Reynella East in the Open Pool B Metro South final, and Pedare Christian College defeated Seaton High School in the Year 8/9 Pool B Metro North final.

FOOTBALL

The SAAS Football competition continues to be a vital component of our sporting program. This year there were 34 primary and secondary schools involved with a total of 159 teams.

The continuation of the Messenger Shield for the Group 1 Division 1 teams bought added interest to the competition. We thank the Messenger for the interest shown in our competition, for the excellent articles in The Messengers and for their donation of the Shield. We trust this continues into the 2012 competition.

We congratulate Rostrevor College on being successful in winning the Messenger Shield competition after beating PAC by 0.5 per cent in the final game of the round.

The SSSSA SANFL/Open Schools Cup Final Results.
The Grand Final was again played under lights at the Prospect Oval, with Prince Alfred College 7.8 defeating Rostrevor College 7.7 in a thrilling game resulting in a one point win.

Player of the Match was awarded to Josh Gregg from Prince Alfred College. He was presented the "Colin Steinert Medal" at the end of the game.

Best players for Prince Alfred College were: N Amato, J Gregg, G Hannaford, J Penfold.
Prince Alfred College Goal Scorers were: L Crawford 2, J Penfold 2, J Gregg 1, T Ashby 1, N Amato 1.
Best Players for Rostrevor College were: J Kenny, T Fitzgerald, J Moyle, K Rigney-Smith, A Spina.
Rostrevor College Goal Scorers were: A Gollan 3, N Hombsh 1, A Spina 1, J Simpson 1, T Demateis 1.

In the Open A Boys Secondary Schools Cup Henley High School 11.06 defeated Marryatville High School 3.4

Blackfriars Priory School 17.6 defeated St Marks College 6.4 in the Open B Boys Secondary Schools Cup
Jack Milne of Blackfriars won the "Chris Brown Medal" for best on Ground.

In the year 8/9 Knockout Out Competition Sacred Heart was once again a clear winner in defeating Henley High School 16.16 to 3.7. Corey Gregson from Sacred Heart Middle School was awarded the "Malcolm Greenslade Medal" for best on Ground.

The SANFL have continued their support with their appointment of a SAAS Umpire Panel Supervisor, namely Mr Robert Murphy, and a schools coordinator Mr Colin Steinert. We thank both Robert and Colin for the work they have done in the training and placing umpires for our afternoon games.

The SANFL is continuing to work closely with the Schools Football Committee in an effort to forge stronger links between clubs and schools. It is pleasing that the SAAS Schools have been most supportive and are keen to continue to work with SANFL for the betterment of the students within their schools. We thank Colin Steinert as Chair of the Schools Committee for his dedication to our school and the part they play within the development of players with the SANFL.

SOCCER

Soccer has continued to be a very popular sport within our schools, with two hundred and twelve primary and secondary teams involved each week. This is an indication that soccer is a strong and popular sport in the majority of our schools.

There unfortunately continues to be shortage of facilities suitable for playing soccer, both at school and at the club level. Unfortunately there seems to be no solution in the foreseeable future and schools have had to be extremely innovative with the use of their facilities.

Seven schools have chosen to play their games on a week night in an effort to release their players to the clubs on the weekend. The competition, which is supported by the Football Federation, has been a success for those schools involved and it is hoped that it will grow in strength from year to year.

Ten teams entered into the SSSSA knockout competition, with two teams coming through to the SSSSA Knock Out Final's day. Rostrevor College defeated Henley High School in the Semi Final 2-1. Trinity College defeated Unley High School 3-1 in the other Semi Final

In the Final Trinity College defeated Rostrevor College 3-2 to win the 2011 Knockout Cup.

In the year 10 Soccer Knock out final game, Norwood Morialta defeated Underdale High School 4-0.

We are again indebted to David Keniwell, who is appointed by the South Australian Amateur Soccer Referees Association, to assist with the provision and placement of referees for our Open A games. We appreciate the time David spends organising the Referees for the games, and we are aware it is becoming increasingly difficult to access well qualified and available referees for our schools competition. David will not be carrying on with this role in 2012 and we wish him well in his retirement.

DRIVE TENNIS

Twenty one Schools were involved in this competition in 2011 with Concordia College coming in to the A2 competition. At the moment we need to play some mid-week games to enable us to complete our program within the time we have available during the term. However, we must sincerely thank Tennis SA for working with us and Next Generation in ensuring that this longstanding competition is able to access the courts needed to continue playing this elite game.

TABLE TENNIS

This year Table Tennis involved twenty primary and secondary schools with 66 teams programmed to play each week. Playing Friday evening has enabled some students to play for their school and also play another sport on Saturday mornings. Those International students in our schools are pleased to have this option available to them, and it is an important part of their involvement within their school.

TENNIS

Since the inception of the new grading system for secondary teams, whereby teams are based on skill levels rather than purely year levels, the numbers of students playing tennis has increased. However there are still some schools that need to ensure that their teams are nominated in the correct level to ensure the best result for all schools involved. In 2011 there were thirty three Primary and Secondary schools involved with 187 teams playing each week.

Our schools were well represented in the SSSSA Tennis Championships held in March, with Marryatville High School, winning both the boys and the girl's final.

Availability of tennis courts is still a major problem for many schools, and has forced schools to be quite innovative with the use of their courts. The Co-ed schools have the added pressure of usage by the girls as well as fitting in the boy's program. Most of the primary school competition is played Friday after school, and this in itself has been of great assistance in easing some of the court availability.

HOCKEY

Again, Hockey has shown some disappointing signs when looking at nominations from our schools. This year there were 31 teams nominated, representing 19 primary and secondary schools entering into this competition.

We again programmed our year 8/9 games on Wednesday after school, and used Christian Brothers College, St Peters College, and Prince Alfred College. Whilst those schools involved felt the trial was quite successful, the problem of accessing a week day where the venues are available continues. As Prince Alfred College was not available this year due to a major works program it was necessary to program two slightly shortened games at both venues.

We thank those schools that have again allowed SAAS to use their synthetic surface each Saturday morning and for assisting in supplying Umpires at their venue. Those schools involved are, Christian Brothers College, St Peters College and Pulteney Grammar School In addition we have continued to use Golden Grove and Woodville Hockey Club as regular venues, and we thank the North East Hockey Club and Woodville for supplying umpires each week.

The primary competition has continued to provide a sound base for those schools involved. However, the number of schools involved does not vary enough to increase the size of the competition. Perhaps this is a reflection of the trends within the secondary competition and more so within the sport itself. Last year the games were played at Christian Brothers College, and this has continued this year. This is indeed a step forward for our primary players, and we hope that next year will find an increase in the number of schools nominating.

VOLLEYBALL

The Friday afternoon Volleyball competition continues to be a very popular option for many of our schools.

The concept of central venues for each group has changed a little, with most schools now having an adequate venue and wanting to play their share of games at home.

Open B Volleyball and years 8 and 9 have continued to increase in numbers. This has allowed schools to play many of the games on a home and away basis which has bought many more venues into use each Friday evening. Because of the distance between some schools central venues still need to be accessed when necessary. However, there are only a very few schools who cannot offer a venue each week.

This year nineteen secondary schools were involved, with a total of 74 teams competing.

A Premiership table was introduced into the Open A Competition which was divided into two programs in an effort to zone schools to avoid unnecessary travel.

Thanks to all schools whose facilities we have regularly used, and for their assistance with supplying umpires.

SWIMMING

The SAAS Swimming competition, which is held on Wednesday afternoons, has continued to be a popular choice with our member schools, with sixteen schools being involved in 2011

We are indebted to those schools for allowing the use of their pool and for the school swimming personnel for organising the weekly meets; namely Pembroke School, St Peters College, Scotch College, Westminster School, Trinity College and Immanuel College.

The final was held at St Peters College and we thank Mr Laurence Humphrys and his group of judges and recorders for assisting us in the running of the event. Thanks also to Trevor Kenyan from Swimming SA who again officiated as the Referee.
There were four records broken, two from St Peters College and two from Rostrevor College.

The final results were:
IMMANUEL COLLEGE
ROSTREVOR COLLEGE
ST PETERS COLLEGE
WESTMINTER SCHOOL
ST MICHAELS COLLEGE
ST IGNATIUS COLLEGE
PRINCE ALFRED COLLEGE
TRINITY COLLEGE

WATERPOLO

Water polo continues to be an important component of our summer sport options for those schools dedicated to the sport. However for many schools it is not even an option, as the difficulty in accessing a pool for training purposes is of major concern to those schools in question. In addition, those schools that have the largest proportion of their players also playing club water polo have a huge advantage over those students who have previously not played the game.

Unfortunately the competition is not large enough to divide into divisions so that the more experienced schools can play similar schools and those of little or no experience can do the same. This in itself leads to the less experienced teams being beaten by large scores and quickly becoming disenchanted with the game. With such a small number of schools involved there is no easy solution to this problem. In 2011 we had 10 schools involved with a total of 36 teams.
Fortunately the Adelaide Aquatic Centre was still available for our use, but each year we wonder whether it will no longer be available for Waterpolo. Finding another pool for our use will create a huge problem for the future of the sport within our schools.

We thank both Pembroke School and St Peters College for making their venue available to supplement the Aquatic Centre.

Thanks also to John Harmer who not only organises referees at all centres, but through his involvement with the Water Polo Association is constantly working with SAAS in an effort to improve the numbers playing the sport within our schools

NATIONAL SCHOOLS REPRESENTATION

Students from SAAS member Schools were widely represented in the following National Schools Teams organized by SSSSA in the year 2011

17 YEARS and under BASEBALL CAIRNS QLD **May 22-28 May**

Liam Huppatz	St Michaels College	
Nicholas Hutchings	Woodcroft College	
Rhys Lounder	Cabra Dominican College	
Thomas McGarry	Pulteney Grammar School

LOOKING BACK

Until 1965 this Association was known as "The Students' Football Association" and in 1966-67 it became known as "The Students' Cricket and Football Association."

In June 1967 it became "The Independent Schools Sports masters' Association" and a draft Constitution was drawn up. This continued until 1971 when it was re-named as "The Independent School's Sports Association."

The present Association was formed in 1977, where a new Constitution was drawn up and an Executive Committee formed, consisting of Headmasters and the Chairman and Secretary of ISSA.

Since 1978 this Executive Committee has met on a regular basis, and all recommendations from the Sports masters are taken to this group for endorsement.

In the year 2000 the Constitution came under review, and a new draft document was presented to the 2001 Annual General Meeting. The major changes to the Constitution involved the membership criteria and the forming of only one category of membership.

In the year 2005 the ISSA Executive initiated a half day workshop to discuss the "Future Directions of ISSA" – this was to be held in Term 1 2006.

In 2006 a Risk Analysis was conducted on the Achilles Cup. This review was undertaken by an independent consultant.

In 2007 work began on the Future Directions of ISSA under the direction of a Consultant. The report was anticipated to be completed by May 2008. In August 2008 the Final Report for the Future Directions of ISSA was released to the Executive. A small Executive Committee was formed to work on the recommendations involving Governance of the Association. The aim was to have the Governance issues resolved by the end of the year and a new Constitution in place by the Annual General Meeting in May 2009.

In May 2009 at the Annual General Meeting the Association endorsed the new Constitution. The Association will now be known as The Sports Association for Adelaide Schools. As part of the new governance of our Association, an Executive Committee will now meet regularly, with the full Executive only meeting at the Annual General Meeting. The Executive Committee is comprised of six Principal, two secondary Coordinators and one Primary Coordinator.
