EXECUTIVE REPORT

I am pleased to present the Executive Committee Annual Report for 2012 of the Sports Association for Adelaide Schools.

The Annual Report is a time to reflect upon the achievements of the Association and the variety of sporting opportunities offered to our students. In general our program has continued to operate highly successfully providing competition and participation for all, as well as the opportunity to compete at higher levels in the senior ranks.

I wish to thank the Heads and Principals of our member schools for the commitment they engender within their schools and for the endeavours of their coordinators and the coaches that support them

The Executive Committee has continued to meet regularly. Specific developments include:

Updating of Extreme Weather Policy to include a section on Lightning/Thunderstorms
Updating of the Coordinators Hand Book
Discussion regarding the use of Videos at SAAS sporting competitions

The Executive is reliant on the members of the Sports Coordinators Management Committee for their advice in regard to the many practical issues which arise in the management of a large competition such as ours. Their representation on the relatively new SAAS Executive Committee has ensured that the lines of communication are maintained.

It is appropriate to thank and pay tribute to the many fine young people in our schools who participate in our competitions with great energy and who demonstrate commitment to the ideals of sport, to sportsmanship, and to achievement at the highest levels.

Another extremely successful SAAS Dinner was held towards the end of 2012. Twenty five new life members of SAAS were recognized. This acknowledges many people within our schools who have been involved with schools sport for over 20 years. Whilst there is some concern amongst schools about the willingness of staff to maintain their involvement in co-curricular activities, the number of those still involved in sport is obvious by the large number of Life Members and the numbers present at the dinner.

Finally thanks to the Executive Committee for their ongoing interest, support and advice.

Mr Kevin Tutt
Chairman
SAAS Executive Committee

EXECUTIVE OFFICER'S REPORT

The Secondary Management Committee with David Serotzki in the Chair, met twice during the year. Under the new Constitution it is only necessary to meet a minimum of twice a year, one of which was the Annual Conference. .

Both the Management Committee meeting and the Conference were very well attended, and I thank the Coordinators for their involvement at these meetings.

Some of the topics discussed at our meetings and the conference were:

- Drive Tennis three divisions instead of two
- Waterpolo Tournament
- Mid week games
- Cross Country
- Year 8/9 Football
- Extreme Weather Policy
-

Visitors and speakers to our meetings and conference were as follows:

- Alan Telford Golf SA Development Coach
- David Hutton SANFL
- Brenton Phillips SANFL
  Dave Reynolds SANFL

Alan spoke on the various programs available for secondary schools, including basic coaching courses for teachers. The SANFL representatives spoke on the new District Council Model proposed for Junior Football, SANFL and AFL Talent programs, and various school programs including the School Ambassador program.

At the Annual Dinner held at the Italian Centre, the following were, awarded life membership of SAAS. Mr Kevin Tutt Chair of the SAAS Executive Committee and David Serotzki Chair of Secondary Coordinators assisted in the presentations.

Mark Beswick	St Michaels College
Ian Bowden	Immanuel College
Andrew Buxton	Concordia College
Perry Campbell	St Pauls College
Jason Cosgrove	St Peters College

Ian Hilditch	Pembroke School
Luke Hildyard	Sacred Heart College
Michael Hingston	Rostrevor College
Mike Howard	Pembroke School
Gary Jenkinson	Prince Alfred College
Craig Johncock	St Johns Grmmar School
Lynda Polain	Prince Alfred College
Ray Schliebs	St Ignatius College
James Scritchley	St Pauls College
John Taylor	Pulteney Grammar School
Graham Van Heerde	Rostrevor College
Tim Weatherald	Prince Alfred College
Mark Webber	Pulteney Grammar School

It is most important that we as an Association publicly acknowledge those coordinators, coaches and other officials, who have spent many years supporting the school sports program.

The Primary Sports Coordinators met only once during 2012 under the leadership of Jason Cosgrove The meeting was held at St Peters College Junior School and was very well attended. We are indeed fortunate to have a group of dedicated teachers who are obviously interested in giving the best opportunities to as many students as possible in being involved in some type of sporting experience.

As Executive Officer I thank all those Coordinators I have worked with in 2012. In doing so I acknowledge their commitment to the task in hand, their cooperation and the skill and knowledge they bring to this Association I also convey my thanks to Mr Kevin Tutt for his support and leadership in the role as Chair of the Association.

Audit Statement

I have audited the Statement of (Financial Performance), Income and Expenses, and Statement of (Financial Position), Balance Sheet, for the Sports Association for Adelaide Schools (SOUTH AUSTRALIAN INDEPENDENT SCHOOLS SPORTS ASSOCIATION - ABN 60 546 568 741), Trading as INDEPENDENT SCHOOLS SPORTS ASSOCIATION, for the financial year ended 31st December 2012.
The Associations' officer is responsible for preparing the financial reports (Statements) that comply with Accounting Standards and in accordance with the *Associations Incorporation Act 1985.*
This includes responsibility for the maintenance of adequate accounting records and internal controls.
The audit procedures assessed whether in all material aspects the Statements presented fairly in accordance to Accounting Standards. The procedures included testing, examination, discussion and analysis, and any other disclosures in the statement that were not directly derived from the full financial statements.
In my opinion the Association's Statement of Financial Performance and Statement of Financial Position presents a true and fair view of the Activities and Position of the Association for the period ending 31st December 2012.

ATHLETICS

The 2012 Achilles Cup was held at Santos Stadium Thursday September 20th with fourteen schools competing.

Adelaide High schools assisted by supplying a group of very willing students who carried out a variety of tasks willingly and efficiently. A special thanks to Sue Shillabeer who assisted in the organization of the students and ensured that they were at the Stadium early in the morning to assist those setting up the event.

Again we need to record our thanks to our key officials whose expertise is vital to the efficient running of the Achilles Cup. In particular I make mention of Trevor Wiseman and Kevin Gruhl whose knowledge and skill in the running of Athletic events is invaluable to our Association.

St Peters College was victorious in Group A with Pembroke School coming a close second.
Christian Brothers College competed very well to win Group B with Sacred Heart College taking out second place.

FINAL PLACINGS WERE:

GROUP A	
St Peters College	1359
Immanuel College	1091
Christian Brothers College	1055
Rostrevor College	1035

BASKETBALL

Basketball is a popular sport within our schools and continues to attract a large number of teams within our program. Grouping the Senior and Middle players into teams of three based on their ability has a definite advantage for most schools. This enables all three games to be played at the same venue with the same Referee and assists with the number of school personnel required for coaching and supervision. The disadvantage to the group system occurs when schools cannot maintain the three teams and have to forfeit one team each week. Fortunately there are not many schools where this has occurred as it is important to keep this system for as long as possible.

Thirteen schools entered into the SSSSA Open Boys Pool A Knockout Cup through our weekly competition with the best four going through to a one day Final at the Wayville Sports Centre.

The final placings were as follows:
Concordia College
Unley High School
Sacred Heart College
Tenison Woods College
Trinity College
Christian Brothers College

Concordia College defeated Unley High School in the Grand Final 69 to 51

Three of our member schools featured in the Final 6 placings in the Open A Girls competition. These being Cabra, Immanuel and Sacred Heart College, at 1st, 4th and 6th respectively.

Cabra College defeated Seymour College in the Grand Final 57-51

BADMINTON

Badminton has continued to provide a popular choice for many of our students, particularly those who have come to us from overseas.

This year we had 62 teams entering the competition, which is a slight decrease to the previous year.. There are now 22 of our 30 schools nominating to compete in the badminton program.

CROSS COUNTRY

Cross Country is held each Wednesday after school at a variety of courses hosted by a number of schools.

The schools who offered to host in 2012 were:

St Ignatius College
Mercedes College
Sacred Heart Middle School
Concordia College
Pembroke School
Immanuel College
Pulteney Grammar School
Cardijn College
Christian Brothers College

Our thanks to those schools who were willing to host two events and by doing so definitely assisted us being able to deliver an event each week.

Cross Country continues to be a popular sporting option for our schools, and each year the number of schools involved increases.

The team relay held in August and hosted by Mercedes continues to be a welcome event to complete the cross country season. Again our thanks to Gary Zerner for continuing to host and organise the event.

At a meeting of interested Cross Country Coordinators held at the end of Term 3, some changes were suggested to the program in an effort to raise the profile of Cross Country within our Schools, particularly at the senior level.

CRICKET

This year the SAAS cricket competition has continued its predominance in having a large number of teams involved each Saturday. There were 210 primary and secondary teams nominated from a total of 43 schools. This did not include the 20/20 Messenger Bowl competition which we held in Term 4 over five weeks. Lack of sufficient facilities for cricket is still an ongoing problem, and not only within the school community. Many clubs are also suffering from lack of adequate facilities, which means that schools have less options if they need to access pitches outside of those available within their school.

The 20/20 competition continued this year with the following schools involved: Adelaide High School, Immanuel College, Christian Brothers College, Mercedes College, Pembroke School, Prince Alfred College, Pulteney Grammar School, Rostrevor College, Sacred Heart College, St Ignatius College, St Michaels College, St Peters College, Scotch College, Unley High School and Westminster School.

Adelaide High School 9/106 and St Michaels College 7/105 produced a stunning finale to the Messenger Bowl 20/20 competition with Adelaide eventually claiming a one run victory over St Michaels. For Adelaide High School C Valente 32, J Fisher 20, B Turley 3/11 and J Foster 2/21 were their best. Whilst St Michael's claimed H Nielson 28, B Turley 28, A Schiller 2/10 and K Tregloan 1/15 as their best.

SAAS wishes to acknowledge the support of the Messenger Press in supplying an ongoing trophy called the Messenger Bowl, and for the excellent coverage of the games each week in the Messenger.

.

Ten teams entered into the SSSSA Open Pool A Knockout competition through our program, with Rostrevor College and Adelaide High coming through to the final. Adelaide High School 7/124 defeated Rostrevor College 10/120 to take out The Chappell Shield.

Mercedes College defeated Cardijn College in the Open Pool B Metro South final, and Cardijn College defeated Cabra College in the Metro South Year 8/9 Pool B Final.

DRIVE TENNIS

Twenty one Schools were involved in this competition in 2012 with A1 having ten schools and A2 comprising eleven schools. At the moment we need to play some mid-week games to enable us to complete our program within the time we have available during the term.

However, we must sincerely thank Tennis SA for working with us and Next Generation in ensuring that this longstanding competition is able to access the courts needed to continue playing this elite game. Particular thanks to Mary Chapple who has liaised with SAAS and worked hard to obtain the maximum courts available for our use.

FOOTBALL

The SAAS Football competition continues to be a vital component of our sporting program. This year there were 36 primary and 121 secondary schools involved with a total of 157 teams.

The continuation of the Messenger Shield for the Group 1 Division 1 teams bought added interest to the competition. We thank the Messenger for the interest shown in our competition, for the excellent articles in The Messengers and for their donation of the Shield. We trust this will continue to be part of our 2013 competition.

We congratulate Prince Alfred College on being successful in winning the Messenger Shield competition after beating St Peters College 14.17 to 1.2. PAC has become the first team to claim the Messenger Cup twice.

The SSSSA SANFL/Open Schools Cup Final Results.
The Grand Final was again played under lights at the Norwood Oval, with Sacred Heart College 11.6 defeating Prince Alfred College 7.7. PAC was only 10 points behind at the final change before being over run in the last term.

Player of the Match was awarded to Corey Gregson from Sacred Heart College. He was presented the "Colin Steinert Medal" at the end of the game.

Best players for Sacred Heart College were: C Gregson, J Haarsma, T Carter, N Langridge, C Long.
Sacred Heart College Goal Scorers were: C Gregson 3, N Langridge 2, B Keenan 2, H Ahmat-Watkins 1, P Baker 1, N Hayes 1...
Best Players for Prince Alfred College were: C Combe, G Hannaford, B Castree, T Ashby, T Burfield.
Prince Alfred College Goal Scorers were: T Ashby 3, B Redden 1, T Whittlesea 1, G Hannaford 1, N Mosey 1

In the year 8/9 Knockout Out Competition Sacred Heart was once again a clear winner in defeating Henley High School 14.3 to 8.5. Patty Neal-Bullen from Sacred Heart Middle School was awarded the "Malcolm Greenslade Medal" for best on Ground.

The SANFL have continued their support with their appointment of a SAAS Umpire Panel Supervisor, namely Mr Robert Murphy, and a schools coordinator Mr Colin Steinert. We thank both Robert and Colin for the work they have done in the training and placing umpires for our afternoon games. We are also indebted to Garry Wyld the SANFL Umpiring Talent Manager, for his assistance with providing some field, boundary and goal umpires from the SANFL Academy each week to officiate at our afternoon matches.

The SANFL is continuing to work closely with the Schools Football Committee in an effort to forge stronger links between clubs and schools. It is pleasing that the SAAS Schools have been most supportive and are keen to continue to work with SANFL for the betterment of the students within their schools. We thank Colin Steinert as Chair of the Schools Committee for his dedication to our schools and the part they play within the development of players with the SANFL.

HOCKEY

Again, Hockey has shown some disappointing signs when looking at nominations from our schools. This year there were only 32 teams nominated, representing 18 primary and 14 secondary schools entering into this competition.

We again programmed our year 8/9 games on Wednesday after school, and used St Peters College, Pulteney Grammar School, and Woodville Hockey Club. The increase in teams nominated for this competition has indicated that playing mid week is popular with the majority of schools. The biggest challenge for the Association is to ensure that there are enough venues available to cover all the teams. At times it was necessary to program two games at the same venue, which in effect meant that games had to be shortened to enable them to be played before it became too dark.

We thank those schools that have again allowed SAAS to use their synthetic surface each Saturday morning and for assisting in supplying Umpires at their venue. Those schools involved are, Christian Brothers College, St Peters College and Pulteney Grammar School In addition we have continued to use Golden Grove and Woodville Hockey Club as regular venues, and we thank the North East Hockey Club and Woodville for supplying umpires each week.

The primary competition has continued to provide a sound base for those schools involved. However, the number of schools involved does not vary enough to increase the size of the competition. Perhaps this is a reflection of the trends within the secondary competition and more so within the sport itself. Last year the games were played at Christian Brothers College, and this has continued this year. This is indeed a step forward for our primary players, and we hope that next year will find an increase in the number of schools nominating.

VOLLEYBALL

The Friday afternoon Volleyball competition continues to grow and is a very popular option for many of our schools.

In 2011 Premiership tables were introduced into the Open a Volleyball program and this innovation continue to be popular by those schools involved.The high standard of the games and the skills of the players is also an indication of the change in status of the sport within the Association.

Open B Volleyball and years 8 and 9 have continued to increase in numbers. This has allowed schools to play many of the games on a home and away basis which has bought many more venues into use each Friday evening. Because of the distance between some schools central venues still need to be accessed when necessary. However, there are only a very few schools who cannot offer a venue each week.

This year twenty two secondary schools were involved, with a total of 117 teams competing. These numbers have increased quite considerably since 2011.

Thanks to all schools whose facilities we have regularly used, and for their assistance with supplying umpires.

TABLE TENNIS

This year Table Tennis involved twenty one primary and 49 secondary schools with 70 teams programmed to play each week. Playing Friday evening has enabled some students to play for their school and also play another sport on Saturday mornings. Those International students in our schools are pleased to have this option available to them, and it is an important part of their involvement within their school.

The introduction of a Premiership table in the Open A/B program has been very popular and has added extra interest to the competition

TENNIS

Since the inception of the new grading system for secondary teams, whereby teams are based on skill levels rather than purely year levels, the numbers of students playing tennis has increased. However there are still some schools that need to ensure that their teams are nominated in the correct level to ensure the best result for all schools involved. In 2012 there were 44 Primary and 150 Secondary schools involved with 194 teams playing each week.

Our schools were well represented in the SSSSA Tennis Championships held in March, with Marryatville High School, winning both the Open, year 9, year 8 Boys Final. Immanuel College, Westminster School and Unley High School also featured in the final of the boy's competition.

Availability of tennis courts is still a major problem for many schools, and has forced schools to be quite innovative with the use of their courts. The Co-ed schools have the added pressure of usage by the girls as well as fitting in the boy's program. Most of the primary school competition is played Friday after school, and this in itself has been of great assistance in easing some of the court availability.

SOCCER

Soccer has continued to grow with two hundred and twenty five primary and secondary teams involved each week. This is an indication that soccer is a strong and popular sport in the majority of our schools.

There unfortunately continues to be shortage of facilities suitable for playing soccer, both at school and at the club level. Unfortunately there seems to be no solution in the foreseeable future and schools have had to be extremely innovative with the use of their facilities. The increase in teams without necessarily an increase in playing space is indeed a challenge when programming fixtures.

Seven schools have chosen to play their games on a week night in an effort to release their players to the clubs on the weekend. The competition, which is supported by the Football Federation, has been a success for those schools involved and it is hoped that it will grow in strength from year to year.

Seven teams entered into the SSSSA knockout competition, with two teams coming through to the SSSSA Knock Out Final's day. In the Semi Finals St Michaels College defeated St Peters College 5-2 and Trinity College defeated Underdale High School 2-1.

In the Grand Final, St Michaels College defeated Trinity College 3-2 to win the Knockout Cup.

In the Open Pool B Cabra College defeated Banksia Park International High School 6-0, while in the year 10 Grand Final Underdale High School defeated Blackfriars Priory School 1-0.

We are indebted to Steve Gregan, who is appointed by the South Australian Amateur Soccer Referees Association, to assist with the provision and placement of referees for our Open A games. This is Steve's first year in this position and we thank him for the work he does on behalf of our Open A Soccer schools.

SWIMMING

The SAAS Swimming competition, which is held on Wednesday afternoons, has continued to be a popular choice with our member schools, with eighteen schools being involved in 2012

We are indebted to those schools for allowing the use of their pool and for the school swimming personnel for organising the weekly meets; namely Pembroke School, St Peters College, Scotch College, Westminster School, Trinity College and Immanuel College. Unfortunately Prince Alfred College Pool was unavailable due to ongoing building at the College, but we are hopeful that it will ready for use in 2013.

The final was held at St Peters College and we thank Mr Laurence Humphrys and his group of judges and recorders for assisting us in the running of the event. Thanks also to Trevor Kenyan from Swimming SA who again officiated as the Referee.

There were five records broken, two from Trinity College, one from Rostrevor, one from Immanuel and one from St Michaels College.

The final results were:

IMMANUEL COLLEGE	678
TRINITY COLLEGE	626
PEMBROKE SCHOOL	560
ROSTREVOR COLLEGE	554
ST PETERS COLLEGE	531
ST MICHAEL'L COLLEGE	517
WESTMINSTER SCHOOL	449
SCOTCH COLLEGE	267

WATERPOLO

Water polo continues to be an important component of our summer sport options for those schools dedicated to the sport. However for many schools it is not even an option, as the difficulty in accessing a pool for training purposes is of major concern to those schools in question. In addition, the schools that have the largest proportion of their players also playing club water polo have a huge advantage over those students who have previously not played the game.

Unfortunately the competition is not large enough to divide into divisions so that the more experienced schools can play similar schools and those of little or no experience can do the same. This in itself leads to the less experienced teams being beaten by large scores and quickly becoming disenchanted with the game. With such a small number of schools involved there is no easy solution to this problem. In 2012 we had 10 schools involved with a total of 42 teams.

Fortunately the Adelaide Aquatic Centre was still available for our use, but each year we wonder whether it will no longer be available for our competition. Finding another pool for our use will create a huge problem for the future of the sport within our schools.

We thank both Pembroke School and St Peters College for making their venue available to supplement the Aquatic Centre.

Thanks also to Jon Harmer who not only organises referees at all centres, but through his involvement with the Water Polo Association is constantly working with SAAS in an effort to improve the numbers playing the sport within our Association.

LOOKING BACK

Until 1965 this Association was known as "The Students' Football Association" and in 1966-67 it became known as "The Students' Cricket and Football Association."

In June 1967 it became "The Independent Schools Sports masters' Association" and a draft Constitution was drawn up. This continued until 1971 when it was re-named as "The Independent School's Sports Association."

The present Association was formed in 1977, where a new Constitution was drawn up and an Executive Committee formed, consisting of Headmasters and the Chairman and Secretary of ISSA.

Since 1978 this Executive Committee has met on a regular basis, and all recommendations from the Sports masters are taken to this group for endorsement.

In the year 2000 the Constitution came under review, and a new draft document was presented to the 2001 Annual General Meeting. The major changes to the Constitution involved the membership criteria and the forming of only one category of membership.

In the year 2005 the ISSA Executive initiated a half day workshop to discuss the "Future Directions of ISSA" – this was to be held in Term 1 2006.

In 2006 a Risk Analysis was conducted on the Achilles Cup. This review was undertaken by an independent consultant.

In 2007 work began on the Future Directions of ISSA under the direction of a Consultant. The report was anticipated to be completed by May 2008. In August 2008 the Final Report for the Future Directions of ISSA was released to the Executive. A small Executive Committee was formed to work on the recommendations involving Governance of the Association. The aim was to have the Governance issues resolved by the end of the year and a new Constitution in place by the Annual General Meeting in May 2009.

In May 2009 at the Annual General Meeting the Association endorsed the new Constitution. The Association will now be known as The Sports Association for Adelaide Schools. As part of the new governance of our Association, an Executive Committee will now meet regularly, with the full Executive only meeting at the Annual General Meeting. The Executive Committee is comprised of six Principal, two secondary Coordinators and one Primary Coordinator.
