GENERAL MANAGER REPORT

The role of Executive Officer was vacant for an extended period until the appointment of myself, at the end of March 2019.

This new position was certainly challenging initially. As the position was vacant for an extended period, the general operational upkeep and management of the organisation had been neglected.

Many thanks go to Jordan Young, David Serotzki, Chris Martin, Paul Brown, Jason Cosgrove and the other co-ordinators from the member schools who continued to help SAAS through this period. I would also like to extend my gratitude for the guidance and assistance with the transition period these co-ordinators provided.

It was certainly a case of hitting the ground running with the creation of the large winter programs, whilst learning how the sports management program worked, fine tuning the skills required in creating draws, and general networking that is required in the position.

The guidance provided by the former SAAS Executive Officer Jill George, the SAAS Chair Nick Hately and Vice Chair John Foley, were greatly appreciated in guiding me through the requirements of running the SAAS organisation.

The Sports Association fielded over 1400 teams in the Primary and Secondary competitions across the winter and summer seasons in 2019.

Through the new Executive Officer position, the Association Competitions were reviewed. One of the first sports to be revamped was the 1st XI Soccer competition. The SAAS competition was merged with the Twilight Soccer League to create a 18 team SAAS member school competition that played mid-week. Matches were held at the best soccer facilities available with a new competition structure and Football Federation appointed referees. This concept proved to be successful with the two Divisions show casing the talents in the school soccer system. The Division 1 Grand Final between Christian Brothers and Rostrevor was the perfect example of quality soccer and how good our school competitions are; the high standard impressed many external on lookers.

The SAAS Open A1 Basketball competition was a genuine tussle between a number of schools. There were 5 teams all competing for the opportunity to make the Grand Final with only a small margin of points separating teams during the qualify games. The Basketball was the most competitive of the SAAS top tier competitions. The quality of players on display was an exciting competition to watch.

The Term 4 Summer Cricket T-20 competition was also reformatted with the creation of Division 1 and Division 2 leagues. With colour kits and pink balls introduced to forge this cricket format; the games received much positive praise from the SAAS member school who participated. The Grand Final between winners Pembroke and Adelaide High School was another show case of the talents in our school competitions. A great crowd gathered to watch the game with the result a tight finish — perfect for a Grand Final.

This year also saw the introduction of Most Valuable Player Awards and Team of the Year in the Open A1-A2 Basketball and 1st XI Div 1-Div 2 Soccer. These awards were presented in conjunction with the Gosse Medal Night. These additions further recognise the performances of our top sporting performers in a variety of sports.

Sub committees were formed at the end of the year to begin reviewing the association and the sports it offers, the rules and competition formats. These positive moves will continue to help the association grow and improve the sporting experience on offer to our member schools.

There are many people behind the scenes who help the association operate and work for our member schools – Jon Harmer, with his assistance in the sport of Water Polo, David De Lacy and Andrew Stace who assisted with Hockey, Colin Steinert who oversaw the SAAS AFL umpire panel and guidance with the AFL competition, and Rupert Sapwell with his expertise in Basketball.

At the 2019 AGM, SAAS Chair, Nick Hately completed his time in the Chair role and stepped down. At this time we welcomed Brian Schumacher into the role of SAAS Chair. Nick steered the SAAS organisation through a challenging period and on behalf of the Sports Association of Adelaide Schools we would like to thank him for his help and leadership of the organisation.

Moving forward the association will continue to work with the Sporting Sub-committees to grow and improve the Association.

The Full Audited Financial Report can be obtained by contacting the SAAS office directly.

As in 2018, the organisation charged a nomination fee per student that participates in each sport. This fee increased from $10 per student in 2017, to $11 in 2018 which remained at $11 for the 2019 Financial Year. This fee covers the wages expense and overheads. All other cost incurred for various events or programs are charged back to schools as per participation. Costs such as the venue hire, referee expenses and equipment for the 1st XI Soccer, 1st XVIII AFL, Drive Tennis, Open A Badminton and Water polo competitions are all charged back to the participating schools.

The increase in the Accumulated Funds from 2018 to 2019, can be attributed to the reduction in employee wages paid during 2019 and increase in the revenue from the nomination fees received. With the Executive Officer role vacant for the first portion of the year, no wages expenses were incurred until March 2019.

The nomination fees are charged to schools in two installments – Term 1/4 and Term 2/3. Back charges are then managed when all the expenses have been finalized. As a result, the Organisation needs to have a reasonable funds balance to enable the organization to operate for 6 months without income.
